

Confirmed/Founded Child Abuse and Neglect Reports as a Percentage of Under 18 Population by County - 2011

Note: Top and bottom figures by county represent the total reports (unconfirmed, confirmed/founded) and the total number of confirmed/founded reports, respectively. Confirmed reports are when child abuse/neglect occurred but it was minor, isolated, and not likely to reoccur, and the perpetrator was not placed on the child abuse registry. Founded reports are when child abuse/neglect occurred, the abuse was not minor, and the perpetrator's name was placed on the child abuse registry.
