

Average Teacher Salary by School District – FY 2014

Teacher Leadership and Compensation (TLC) Accepted Districts Identified

Sources: Department of Education, Bureau of Information and Analysis, Basic Educational Data Survey, Staff File
 LSA analysis and calculations
 Date produced: 4/17/2014

Note: The Department of Education accepted 39 school districts to receive TLC supplemental aid payments beginning in FY 2015. The accepted school districts represent approximately one-third of the total statewide certified enrollment figure for FY 2014. Salary considered is the average base teacher salary by district, which is salary paid for direct position responsibilities, including teacher salary supplement.
