

# Percent Change in Certified Enrollment by School District

## Fall 2012 - Fall 2013

Statewide increase in certified enrollment: 2,676  
 Statewide percent change: 0.56%

*Note: Certified enrollments for fall 2012 have been adjusted to conform to fall 2013 school district boundaries. Two district mergers occurred between fall 2012 and fall 2013, Forest City and Woden-Crystal Lake, and East Central and Preston (now Easton Valley), and the 2012 enrollments were added together to calculate the percent change.*
