NOTES:

- 1) The Children's Health Insurance Program (CHIP) provides health care coverage for children and families whose income is too high to qualify for Medicaid but too low to afford individual or work-provided health care. CHIP includes Medicaid expansion, the Healthy and Well Kids in Iowa (*hawk-i*) program, and the *hawk-i* dental only plan.
- 2) For health and dental coverage, there is a choice of either United Healthcare or Wellmark Health Plan of Iowa in all counties. All children receive dental services with Delta Dental of Iowa. The Dental-only program was implemented on March 1, 2010. Orthodontia services are also provided to some children.
- 3) Potential federal matching funds represent the total matching funds that the available state dollars could generate, and not necessarily the federal dollar amount that will be available to Iowa.
