DEPARTMENT ON AGING —— FY 2019-2020

Section 1. DEPARTMENT ON AGING. There is appropriated from the general fund of the state to the department on aging for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For aging programs for the department on aging and area agencies on aging to provide citizens of Iowa who are 60 years of age and older with case management for frail elders, Iowa’s aging and disabilities resource center, and other services which may include but are not limited to adult day services, respite care, chore services, information and assistance, and material aid, for information and options counseling for persons with disabilities who are 18 years of age or older, and for salaries, support, administration, maintenance, and miscellaneous purposes, and for not more than the following full-time equivalent positions:

$11,191,441 FTEs 27.00

1. Funds appropriated in this section may be used to supplement federal funds under federal regulations. To receive funds appropriated in this section, a local area agency on aging shall match the funds with moneys from other sources according to rules adopted by the department. Funds appropriated in this section may be used for elderly services not specifically enumerated in this section only if approved by an area agency on aging for provision of the service within the area.

2. Of the funds appropriated in this section, $279,000 is transferred to the economic development authority for the Iowa commission on volunteer services to be used for the retired and senior volunteer program.

3. The department on aging shall establish and enforce procedures relating to expenditure of state and federal funds by area agencies on aging that require compliance with both state and federal laws, rules, and regulations, including but not limited to all of the following:

   (1) Requiring that expenditures are incurred only for goods...
or services received or performed prior to the end of the fiscal period designated for use of the funds.

(2) Prohibiting prepayment for goods or services not received or performed prior to the end of the fiscal period designated for use of the funds.

(3) Prohibiting prepayment for goods or services not defined specifically by good or service, time period, or recipient.

(4) Prohibiting the establishment of accounts from which future goods or services which are not defined specifically by good or service, time period, or recipient, may be purchased.

b. The procedures shall provide that if any funds are expended in a manner that is not in compliance with the procedures and applicable federal and state laws, rules, and regulations, and are subsequently subject to repayment, the area agency on aging expending such funds in contravention of such procedures, laws, rules and regulations, not the state, shall be liable for such repayment.

4. Of the funds appropriated in this section, at least $600,000 shall be used to fund home and community-based services through the area agencies on aging that enable older individuals to avoid more costly utilization of residential or institutional services and remain in their own homes.

5. Of the funds appropriated in this section, $812,000 shall be used for the purposes of chapter 231E and to administer the prevention of elder abuse, neglect, and exploitation program pursuant to section 231.56A, in accordance with the requirements of the federal Older Americans Act of 1965, 42 U.S.C.§3001 et seq., as amended.

6. Of the funds appropriated in this section, $1,000,000 shall be used to fund continuation of the aging and disability resource center lifelong links to provide individuals and caregivers with information and services to plan for and maintain independence.
7. Of the funds appropriated in this section, $250,000 shall be used by the department on aging, in collaboration with the department of human services and affected stakeholders, to expand the pilot initiative to provide long-term care options counseling utilizing support planning protocols, to assist non-Medicaid eligible consumers who indicate a preference to return to the community and are deemed appropriate for discharge, to return to their community following a nursing facility stay. The department on aging shall submit a report regarding the outcomes of the pilot initiative to the governor and the general assembly by December 15, 2019.

DIVISION II
OFFICE OF LONG-TERM CARE OMBUDSMAN —— FY 2019-2020

Sec. 2. OFFICE OF LONG-TERM CARE OMBUDSMAN. There is appropriated from the general fund of the state to the office of long-term care ombudsman for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For salaries, support, administration, maintenance, and miscellaneous purposes, and for not more than the following full-time equivalent positions:

a. (1) Of the funds appropriated in this subsection, $4,021,000 shall be used for the tobacco use prevention and control initiative, including efforts at the state and local levels, as provided in chapter 142A. The commission on tobacco use prevention and control established pursuant to section 142A.3 shall advise the director of public health in prioritizing funding needs and the allocation of moneys appropriated for the programs and initiatives. Activities of the programs and initiatives shall be in alignment with the United States centers for disease control and prevention best practices for comprehensive tobacco control programs that include the goals of preventing youth initiation of tobacco usage, reducing exposure to secondhand smoke, and promotion of tobacco cessation. To maximize resources, the department shall determine if third-party sources are available to instead provide nicotine replacement products to an applicant prior to provision of such products to an applicant under the initiative. The department shall track and report to the individuals specified in this Act, any reduction in the provision of nicotine replacement products realized by screening for third-party sources of funding for the nicotine replacement products.

(2) (a) The department shall collaborate with the alcoholic beverages division of the department of commerce for enforcement of tobacco laws, regulations, and ordinances and to engage in tobacco control activities approved by the division of tobacco use prevention and control of the department of public health as specified in the memorandum of understanding entered into between the divisions.

(b) For the fiscal year beginning July 1, 2019, and ending June 30, 2020, the terms of the memorandum of understanding, entered into between the division of tobacco use prevention and control of the department of public health and the alcoholic beverages division of the department of commerce, governing compliance checks conducted to ensure licensed retail tobacco outlet conformity with tobacco laws, regulations, and ordinances relating to persons under 18 years of age, shall continue to restrict the number of such checks to one check per retail outlet, and one additional check for any retail outlet found to be in violation during the first check.

b. (1) Of the funds appropriated in this subsection, $21,089,000 shall be used for problem gambling and substance-related disorder prevention, treatment, and recovery services, including a 24-hour helpline, public information resources, professional training, youth prevention, and program evaluation.

Allocates $4,021,000 for tobacco use prevention and control initiatives, including Community Partnerships. Requires activities of the Commission on Tobacco Use Prevention and Control to align with U.S. Centers for Disease Control and Prevention (CDC) best practices. Requires a report on any reduction in providing nicotine replacement products realized by screening for third-party sources of funding for the nicotine replacement products.

DETAIL: This is a decrease of $225 compared to the estimated net FY 2019 allocation due to a general reduction. The Commission on Tobacco Use Prevention and Control works to reduce tobacco use and the toll of tobacco-related diseases and death by preventing youth from starting tobacco use, helping adults and youths quit, and preventing exposure to secondhand tobacco smoke.

Requires the Department of Public Health (DPH) to collaborate with the Alcoholic Beverages Division (ABD) of the Department of Commerce for enforcement of tobacco laws, regulations, and ordinances. Limits tobacco compliance checks by the ABD to one annually per retail outlet and one additional check for any retail outlet found to be in violation during the first check.

Allocates $21,089,000 for problem gambling and substance abuse treatment and prevention.

DETAIL: This is an increase of $305,881 compared to the estimated net FY 2019 allocation.
(2) Of the amount allocated under this paragraph, $306,000 shall be utilized by the department of public health, in collaboration with the department of human services, to support establishment and maintenance of a single statewide 24-hour crisis hotline for the Iowa children’s behavioral health system that incorporates warmline services which may be provided through expansion of existing capabilities maintained by the department of public health as required pursuant to 2018 Iowa Acts, chapter 1056, section 16.

The DPH Division of Behavioral Health’s Bureau of Substance Abuse works to address prevention and treatment needs by providing focus for training efforts, identifying and securing available grant funding, monitoring grant compliance, and regulating licensure for treatment programs. The Office of Gambling Treatment and Prevention works to reduce the harm caused by problem gambling by funding a range of services.

Requires the DPH to use $306,000 to expand the Your Life Iowa information referral service to include information on the Iowa Children’s Behavioral Health System.

DETAIL: This is a new allocation. Funding will be used for website updates, hotline staffing, and health promotion.

NOTE: The Bill also transfers $32,000 from the Department of Human Services (DHS) General Administration appropriation to the DPH for the Your Life Iowa expansion. This brings the total funding for the expansion to $338,000 for FY 2020.

Specifies that the requirements of Iowa Code section 123.17 are met by the appropriations made in this Bill.

DETAIL: This Iowa Code section requires the Department of Commerce to transfer $2,000,000, plus an amount determined by the General Assembly, from the Beer and Liquor Control Fund to the General Fund for the Comprehensive Substance Abuse Program.

General Fund appropriation to Healthy Children and Families programs.

DETAIL: This is a decrease of $3,568 and no change in FTE positions compared to estimated net FY 2019. The decrease is due to a general reduction.

Limits the General Fund amount used to fund the Healthy Opportunities to Experience Success - Healthy Families Iowa (HOPES-HFI) Program to $734,000.

DETAIL: This is a decrease of $841 compared to the estimated net FY 2019 allocation due to a general reduction. The language no longer
In order to implement the legislative intent stated in sections 135.106 and 256I.9, priority for home visitation program funding shall be given to programs using evidence-based or promising models for home visitation.

Of the funds appropriated in this subsection, $3,075,000 shall be used for continuation of the department's initiative to provide for adequate developmental surveillance and screening during a child's first five years. The funds shall be used first to fully fund the current sites to ensure that the sites are fully operational, with the remaining funds to be used for expansion to additional sites. The full implementation and expansion shall include enhancing the scope of the initiative through collaboration with the child health specialty clinics to promote healthy child development through early identification and response to both biomedical and social determinants of healthy development; by monitoring child health metrics to inform practice, document long-term health impacts and savings, and provide for continuous improvement through training, education, and evaluation; and by providing for practitioner consultation particularly for children with behavioral conditions and needs. The department of public health shall also collaborate with the Iowa Medicaid enterprise and the child health specialty clinics to integrate the activities of the first five initiative into the establishment of patient-centered medical homes, community utilities, accountable care organizations, and other integrated care models developed to improve health quality and population health while reducing health care costs. To the maximum extent possible, funding allocated in this paragraph shall be utilized as matching funds for medical assistance program reimbursement.

Of the funds appropriated in this subsection, $64,000 shall be used to provide funds for a donated dental services program patterned after the projects developed by the lifeline network to provide dental services to indigent individuals who are elderly or with disabilities.

Of the funds appropriated in this subsection, $156,000 shall be used to provide audiological services and hearing aids for children.

Requires funds to be distributed to the grantees who received funding in the previous fiscal year. This Program provides support for families through home visits that begin during pregnancy or at the birth of a child, and can continue through age four.

Specifies legislative intent for Iowa Code section 135.106 (HOPES-HFI) and Iowa Code section 256I.9 (Early Childhood Iowa). Priority for Home Visitation Program funding is to be given to programs using evidence-based or promising models for home visitation.

Allocates $3,075,000 for the Iowa 1st Five Healthy Mental Development Initiative programs.

Allocates $64,000 for a Donated Dental Services Program for indigent elderly and disabled individuals.

Allocates $156,000 for the Audiological Services for Kids Program to provide audiological services and hearing aids to children.

DETAIL: This is a decrease of $101 compared to the estimated net FY 2019 allocation due to a general reduction. This is a public-private mental development initiative that partners primary care and public health services in Iowa to enhance high-quality well-child care. The 1st Five Model supports health providers in the earlier detection of socioemotional delays, developmental delays, and family risk-related factors in children from birth to age five. The Initiative then coordinates referrals, interventions, and follow-up.
f. Of the funds appropriated in this subsection, $23,000 is transferred to the University of Iowa College of Dentistry to provide primary dental services to children. State funds shall be matched on a dollar-for-dollar basis. The University of Iowa College of Dentistry shall coordinate efforts with the Department of Public Health, Oral and Health Delivery System Bureau, to provide dental care to underserved populations throughout the state.

g. Of the funds appropriated in this subsection, $50,000 shall be used to address youth suicide prevention.

h. Of the funds appropriated in this subsection, $40,000 shall be used to support the Iowa effort to address the survey of children who experience adverse childhood experiences known as ACEs.

i. Of the funds appropriated in this subsection, up to $494,000 shall be used for childhood obesity prevention.

3. CHRONIC CONDITIONS

For serving individuals identified as having chronic conditions or special health care needs, and for not more than the following full-time equivalent positions: $ 4,223,519

DETAIL: This is a decrease of $482 compared to the estimated net FY 2019 allocation due to a general reduction.

Transfers $23,000 to the University of Iowa College of Dentistry to provide primary dental services to children. Requires a one-to-one dollar match by the University. The College is directed to coordinate efforts with the DPH Bureau of Oral and Health Delivery System to provide dental care to underserved populations throughout Iowa.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Allocates $50,000 for a Youth Suicide Prevention Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation. Funds are used to provide the Your Life Iowa resource, which offers support and services for suicide prevention and bullying prevention. These services include a website, online chat, and toll-free hotline, all available 24 hours per day every day, and texting services from 2:00 p.m. to 10:00 p.m. daily.

Allocates $40,000 to support the Iowa effort to address the survey of children who experience adverse childhood experiences (ACEs).

DETAIL: This is a decrease of $511 compared to the estimated net FY 2019 allocation due to a general reduction. The funding supports the Adverse Childhood Experiences Study being conducted by the Central Iowa ACEs Steering Committee. The original Adverse Childhood Experiences Study revealed that childhood trauma is common and can have a large impact on future behaviors and health outcomes. Funding is used to include the ACEs-related surveillance questions in the Behavioral Risk Factor Surveillance System to further track and study this topic.

Allocates no more than $494,000 to be used on childhood obesity prevention.

DETAIL: This is a decrease of $993 compared to the estimated net FY 2019 allocation due to a general reduction.

General Fund appropriation to Chronic Conditions programs.

DETAIL: This is a decrease of $304,590 and no change in FTE positions compared to estimated net FY 2019. Changes include:
Of the funds appropriated in this subsection, $153,000 shall be used for grants to individual patients who have an inherited metabolic disorder to assist with the costs of medically necessary foods and formula.

Allocates $153,000 for grants to individual patients with inherited metabolic disorders to assist with necessary costs for special foods.

DETAIL: This is a decrease of $755 compared to the estimated net FY 2019 allocation due to a general reduction. The grants assist with the costs of necessary special foods and supplements for individual patients with phenylketonuria (PKU) or other inherited metabolic disorders. Funds are provided to individuals only after they have shown that all benefits from third-party payors and other government assistance programs have been exhausted.

Of the funds appropriated in this subsection, $1,055,000 shall be used for the brain injury services program pursuant to section 135.22B, including for resource facilitator services in accordance with section 135.22B, subsection 9, and to enhance brain injury training and recruitment of service providers on a statewide basis. Of the amount allocated in this paragraph, $95,000 shall be used to fund one full-time equivalent position to serve as the state brain injury services program manager.

Allocates $1,055,000 for continuation of the two contracts in the DPH Brain Injury Services Program for facilitator services, training services, and provider recruitment.

DETAIL: This is a decrease of $291 compared to the estimated net FY 2019 allocation due to a general reduction. The Brain Injury Services Program, established in Iowa Code section 135.22B, works to improve the lives of Iowans living with brain injuries and the lives of their families by linking people with services, promoting safety to prevent brain injuries, and training providers to best work with individuals who have sustained a brain injury. Most of this work is achieved through a contract with the Brain Injury Alliance of Iowa.

Of the funds appropriated in this subsection, $144,000 shall be used to provide education, client-centered programs, and client and family support for people living with epilepsy and their families. If the department does not administer this paragraph “c” internally, the amount allocated in this paragraph shall be matched dollar-for-dollar by the contractor selected through the request for proposals process.

Allocates $144,000 for epilepsy education and support. If the Department uses a contractor for this initiative, the allocation requires a dollar-for-dollar match of the funds.

DETAIL: This is a decrease of $97 compared to the estimated net FY 2019 allocation due to a general reduction. The dollar-for-dollar match for all funds is a change from FY 2019, which only required a dollar-for-dollar match for funds above $100,000. Funding provides for education, client-centered programs, and client and family support for people and families of people living with epilepsy.

Of the funds appropriated in this subsection, $809,000 shall be used for child health specialty clinics.

Allocates $809,000 for the Child Health Specialty Clinics (CHSC).

DETAIL: This is a decrease of $550 compared to the estimated net FY 2019 allocation due to a general reduction. The CHSC Program is operated by the University of Iowa (UI) Department of Pediatrics, and facilitates the development of family-centered, community-based, coordinated systems of care for children and youth with special health
e. Of the funds appropriated in this subsection, $384,000 shall be used by the regional autism assistance program established pursuant to section 256.35, and administered by the child health specialty clinic located at the University of Iowa hospitals and clinics. The funds shall be used to enhance interagency collaboration and coordination of educational, medical, and other human services for persons with autism, their families, and providers of services, including delivering regionalized services of care coordination, family navigation, and integration of services through the statewide system of requirements as specified in chapter 225D. The University of Iowa shall not receive funds allocated under this paragraph for indirect costs associated with the regional autism assistance program.

Allocates $384,000 to be used by the Regional Autism Assistance Program (RAP) to create autism support programs administered by the CHSC located at the University of Iowa Hospitals and Clinics (UIHC).

DETAIL: This is a decrease of $552 compared to the estimated net FY 2019 allocation due to a general reduction. The UI is prohibited from receiving any funds for indirect costs associated with the allocation. The RAP teams provide regional screenings for toddlers and youth and coordinate referrals for assessment and diagnostic services. In addition, the RAP coordinates in-service training and provides technical assistance, consultation, information, and referral.

doctor's care needs. The CHSC serves children and youth, from birth through 21 years of age, who live in Iowa and have a chronic condition (physical, developmental, behavioral, or emotional) or are at increased risk for a chronic condition and also have a need for special services.

Allocates $577,000 for the Iowa Comprehensive Cancer Control (ICCC) Program. Of the total amount, $150,000 is required to be used to support various efforts in studying, tracking, and researching melanoma.

DETAIL: This is a decrease of $375 for the ICCC compared to the estimated net FY 2019 allocation due to a general reduction.

Allocates $97,000 for cervical and colon cancer screening and $177,000 for enhanced capacity of the Cervical Cancer Screening Program for a total of $274,000.

DETAIL: This is a decrease of $532 for cervical and colon cancer screening and $720 for enhanced capacity of the Cervical Cancer Screening Program compared to the estimated net FY 2019 allocation due to a general reduction.

Allocates $506,000 for the Center for Congenital and Inherited Disorders (CCID) Central Registry.

DETAIL: This is a decrease of $355 compared to the estimated net FY 2019 allocation due to a general reduction. The mission of the CCID is to initiate, conduct, and supervise genetic investigations and research to provide for the protection and promotion of the health of Iowans.
For strengthening the health care delivery system at the local level, and for not more than the following full-time equivalent positions:

- $5,516,677
- FTEs 13.00

a. Of the funds appropriated in this subsection, $95,000 is allocated for continuation of the child vision screening program implemented through the University of Iowa hospitals and clinics in collaboration with Early Childhood Iowa areas. The program shall submit a report to the department regarding the use of funds allocated under this paragraph “a”. The report shall include the objectives and results for the program year including the target population and how the funds allocated assisted the program in meeting the objectives; the number, age, and location within the state of individuals served; the type of services provided to the individuals served; the distribution of funds based on service provided; and the continuing needs of the program.

b. Of the funds appropriated in this subsection, $48,000 shall be used for a program to rotate intern psychologists in placements in urban and rural mental health professional shortage areas. For the purposes of this paragraph “b”, “mental health professional shortage areas” means geographic areas in this state that have been designated by the United States Department of Health and Human Services as having a shortage of mental health professionals.

c. Of the funds appropriated in this subsection, the following amounts are allocated to be used as follows to support the goals of increased access, health system integration, and engagement:

1. Not less than $542,000 is allocated for the pharmaceutical infrastructure for safety net providers as described in 2007 Iowa Acts, chapter 218, section 108, and for the prescription drug donation repository program created in chapter 135M.
2. Not less than $334,000 is allocated for free clinics for necessary infrastructure, statewide coordination, provider recruitment, service delivery, and provision of assistance to General Fund appropriation to Community Capacity programs.

DETAIL: This is an increase of $546,525 and no change in FTE positions compared to estimated net FY 2019. The changes include:

- An increase of $550,000 for Rural Psychiatry Training.
- A decrease of $3,475 due to a general reduction.

Allocates $95,000 for the Iowa KidSight Child Vision Screening Program through the UIHC in collaboration with the Lions Club and Early Childhood Iowa areas. Requires the DPH to submit a report to the individuals identified in the Bill regarding the use of funds allocated to the Iowa KidSight Child Vision Screening Program.

DETAIL: This is a decrease of $575 compared to the estimated net FY 2019 allocation due to a general reduction.

Allocates $48,000 for the Psychology Postdoctoral Internship Rotation Program for intern psychologists in urban and rural mental health professional shortage areas.

DETAIL: This is a decrease of $69 compared to the estimated net FY 2019 allocation due to a general reduction. The Program is not a loan repayment program, but increases access through creating new opportunities for doctoral-level psychologists to complete a required rotation in Iowa as opposed to leaving the State. The Program targets health professional shortage areas and rural areas.

Allocates a total of $1,106,000 to support increased access, health system integration, and engagement. Of that amount, $542,000 is allocated for the pharmaceutical infrastructure for safety net providers and the prescription drug donation repository program, $334,000 for free clinics, $25,000 for rural health clinics, and $205,000 for specialty health care clinics.

DETAIL: This is a decrease of $2,192 compared to the estimated net FY 2019 allocation due to a general reduction. In FY 2019 funding was awarded to the Free Clinics of Iowa, Polk County Medical Society, the Iowa Prescription Drug Association, and the Iowa Association of Rural Clinics.
patients in securing a medical home inclusive of oral health care.

(3) Not less than $25,000 is allocated for rural health clinics for necessary infrastructure and service delivery transformation.

(4) Not less than $205,000 is allocated for the safety net provider patients access to specialty health care initiative as described in 2007 Iowa Acts, chapter 218, section 109.

d. Of the funds appropriated in this subsection, $191,000 is allocated for the purposes of health care and public health workforce initiatives.

e. Of the funds appropriated in this subsection, $96,000 shall be used for a matching dental education loan repayment program.

f. Of the funds appropriated in this subsection, $100,000 shall be used for the purposes of the Iowa donor registry as specified in section 142C.18.

g. Of the funds appropriated in this subsection, $96,000 shall be used for efforts to preserve sight and prevent blindness through education, nationally certified vision screening and training, and community and patient service programs for children and adults. If the department does not administer this paragraph "g" internally, the contractor selected through the request for proposals process shall submit a report to the department regarding the use of funds allocated under this paragraph "g". The report shall include the objectives and results for the program year including the target population and how the funds allocated assisted the program in meeting the objectives; the number, age, and location within the state of individuals served; the type of services provided to the individuals served; the distribution of funds based on services provided; and the continuing needs of the program.

Allocates $191,000 for health care and public health workforce issues.

DETAIL: This is a net increase of $14,812 compared to the estimated net FY 2019 allocation due to combining a related $15,000 allocation and a general reduction of $188. Language is broadened beyond direct care workers.

Allocates $96,000 for the Fulfilling Iowa's Need for Dentists (FIND) Dental Education Loan Repayment Program.

DETAIL: This is a decrease of $138 compared to the estimated net FY 2019 allocation due to a general reduction. The FIND Project award recipients agree to practice in a designated dentist shortage area and devote at least 35.00% of their practice to Medicaid-eligible, elderly, disabled, and other underserved patients over a three-year period.

Allocates $100,000 to the Iowa Donor Registry.

DETAIL: This is no change compared to the estimated FY 2019 allocation.

Allocates $96,000 for a vision screening and training program. Requires a report regarding the objectives and results of the Program.

DETAIL: This is a decrease of $138 compared to the estimated net FY 2019 allocation due to a general reduction. The organization is required to submit a report outlining objectives, target population and locations, services provided, and other details. In FY 2019 funding went to Prevent Blindness Iowa. The Program seeks to increase statewide vision screening programs provided to children by volunteers and nurses, and it must specifically target children in child care centers and schools.
h. Of the funds appropriated in this subsection, $2,000,000 shall be deposited in the medical residency training account created in section 135.175, subsection 5, paragraph “a”, and is appropriated from the account to the department of public health to be used for the purposes of the medical residency training state matching grants program as specified in section 135.176.

i. Of the funds appropriated in this subsection, $250,000 shall be used for the public purpose of providing funding to Des Moines University to continue a provider education project to provide primary care physicians with the training and skills necessary to recognize the signs of mental illness in patients.

j. Of the funds appropriated in this subsection, $400,000 shall be used for rural psychiatric residencies to support the annual creation and training of four psychiatric residents who will provide mental health services in underserved areas of the state.

k. Of the funds appropriated in this subsection, $150,000 shall be used for psychiatric training to increase access to mental health care services by expanding the mental health workforce via training of additional physician assistants and nurse practitioners.

5. ESSENTIAL PUBLIC HEALTH SERVICES

To provide public health services that reduce risks and invest in promoting and protecting good health over the course of a lifetime with a priority given to older Iowans and vulnerable populations:

$ 7,662,464

6. INFECTIOUS DISEASES

For reducing the incidence and prevalence of communicable diseases, and for not more than the following full-time equivalent positions:

General Fund appropriation to Essential Public Health Services.

DETAIL: This is no change compared to estimated net FY 2019. This funding is part of the Local Public Health Services Program, with the purpose of implementing core public health functions, providing essential public health services that promote healthy aging throughout the lifespan of Iowans, and enhancing health-promoting and disease-prevention services with a priority given to older Iowans and vulnerable populations. The grant is considered the funding provider of last resort and is utilized only when no other funding source exists. Funding is distributed to local boards of health through a formula in the Iowa Administrative Code.

Allocates $2,000,000 for the Medical Residency Training Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation. The Program is a matching grants program to provide State funding to sponsors of accredited graduate medical education residency programs in this State to establish, expand, or support medical residency training programs.

Allocates $250,000 to Des Moines University (DMU) to continue a program that trains doctors on identifying and treating patients with mental health needs.

DETAIL: This is no change compared to the estimated FY 2019 allocation. All students in the DMU D.O. Program will go through the training this May.

Allocates $400,000 for rural psychiatric residences to support the creation and training of four psychiatric residents to provide mental health services in underserved areas of the State.

DETAIL: This is a new allocation for FY 2019.

9. MISCELLANEOUS PROVISIONS

The university of Iowa hospitals and clinics under the control of the state board of regents shall not receive indirect costs from the funds appropriated in this section.

The university of Iowa hospitals and clinics billings to the department shall be on at least a quarterly basis.

Sec. 4. USE OF REQUEST FOR PROPOSALS PROCESS —— PROHIBITED USE OF FUNDS FOR LOBBYING.

1. a. If an entity is not specified to receive moneys allocated or appropriated to administer a program or activity in this division of this Act and the department elects not to administer such program or activity internally, a request for proposals process shall be utilized to select an entity to administer such program or activity.

b. Unless otherwise specifically provided, the department shall not retain any portion of the funds allocated or appropriated for programs or activities administered by a specified entity or by an entity selected through a request for proposals process to be used for administrative costs under this division of this Act.

c. The department shall submit a report to the individuals identified in this Act for submission of reports by December 15, 2019, regarding the outcomes of any program or activity administered by a specified entity or an entity selected through a request for proposals process under this division of this Act.

2. Moneys appropriated or allocated under this division of this Act shall not be used, directly or indirectly, for the compensation of a lobbyist. For the purposes of this section, "lobbyist" means the same as defined in section 68B.2; however, "lobbyist" does not include a person employed by a state agency of the executive branch of state government who represents the agency relative to the passage, defeat, approval, or modification of legislation that is being considered by the general assembly.

DETAIL: This is no change in funding or FTE positions compared to estimated net FY 2019.

Prohibits the UIHC from receiving indirect cost reimbursement from General Fund appropriations to the DPH. Requires the UIHC to submit billings to the DPH on a quarterly basis each year.

Specifies that unless noted in the appropriation or allocation, any funds that are to be distributed to a third party in this Division by the DPH are required to be distributed through a request for proposal process.

Specifies that the DPH cannot retain any funds allocated for third party contracts unless authorized.

Requires the DHS to report to the Chairpersons and Ranking Members of the Appropriations Committees, the LSA, and the DOM by December 15, 2019 regarding the outcomes of any program or activity administered by a third party vendor.

Specifies that any funds appropriated or allocated under this Division by the DPH are not to be used for lobbying activities or compensation of a lobbyist.
Sec. 5. DEPARTMENT OF VETERANS AFFAIRS. There is appropriated from the general fund of the state to the department of veterans affairs for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. DEPARTMENT OF VETERANS AFFAIRS ADMINISTRATION
   For salaries, support, maintenance, and miscellaneous purposes, and for not more than the following full-time equivalent positions:
   ........................................................................................................... $ 1,225,500
   ........................................................................................................... FTEs 15.00

2. IOWA VETERANS HOME
   For salaries, support, maintenance, and miscellaneous purposes:
   ........................................................................................................... $ 7,162,976
   a. The Iowa veterans home billings involving the department of human services shall be submitted to the department on at least a monthly basis.
   b. Within available resources and in conformance with associated state and federal program eligibility requirements, the Iowa veterans home may implement measures to provide financial assistance to or on behalf of veterans or their spouses who are participating in the community reentry program.
   c. The Iowa veterans home expenditure report shall be submitted monthly to the legislative services agency.
   d. The Iowa veterans home shall continue to include in the annual discharge report applicant information to provide for the collection of demographic information including but not limited to the number of individuals applying for admission and admittance and the basis for the admission or denial; the age, gender, and race of such individuals; and the level of care for which such individuals applied for admission including residential or nursing level of care.

3. HOME OWNERSHIP ASSISTANCE PROGRAM
   For transfer to the Iowa finance authority for the continuation of the home ownership assistance program for persons who are or were eligible members of the armed forces of the United States, pursuant to section 16.54:

General Fund appropriation to the Department of Veterans Affairs.
DETAIL: This is an increase of $75,000 and 1.50 FTE positions compared to estimated net FY 2019. The increase in funding is for general departmental operations. The increase in FTE positions matches the FY 2019 authorized amount.

General Fund appropriation to the Iowa Veterans Home (IVH).
DETAIL: This is no change compared to estimated net FY 2019.
Requires the IVH to submit monthly claims relating to Medicaid to the DHS.
Permits the IVH to provide financial assistance within State and federal eligibility requirements to support participation in the Community Reentry Program.
Requires the IVH to submit a monthly expenditure report to the Legislative Services Agency (LSA).
Requires the IVH to expand its annual discharge report to include applicant information, demographic information, and the level of care for which individuals applied for admission.

General Fund appropriation to the Home Ownership Assistance Program for military service members and veterans, to be transferred to the Iowa Finance Authority.
DETAIL: This is no change compared to estimated net FY 2019. A
Sec. 6. LIMITATION OF COUNTY COMMISSIONS OF VETERAN AFFAIRS
FUND STANDING APPROPRIATIONS. Notwithstanding the standing appropriation in section 35A.16 for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the amount appropriated from the general fund of the state pursuant to that section for the following designated purposes shall not exceed the following amount:
For the county commissions of veteran affairs fund under section 35A.16:
................................................................................. $ 990,000

DIVISION V
DEPARTMENT OF HUMAN SERVICES —— FY 2019-2020

Sec. 7. TEMPORARY ASSISTANCE FOR NEEDY FAMILIES BLOCK GRANT. There is appropriated from the fund created in section 8.41 to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, from moneys received under the federal temporary assistance for needy families (TANF) block grant pursuant to the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub.L.No.104-193, and successor legislation, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. To be credited to the family investment program account and used for assistance under the family investment program under chapter 239B:
................................................................................. $ 4,524,006

2. To be credited to the family investment program account and used for the job opportunities and basic skills (JOBS) program and implementing family investment agreements in accordance with chapter 239B:
................................................................................. $ 5,412,060

$5,000 grant is available to a service member for down payment and closing costs toward the purchase of a new home in the State of Iowa. The home must be a primary residence, and this is a once-in-a-lifetime grant.

CODE: Requires the FY 2020 General Fund standing appropriation to the County Commissions of Veteran Affairs Fund to be limited to $990,000.

DETAIL: This is a decrease of $10,000 compared to the standing appropriation of $1,000,000 in Iowa Code section 35A.16 and is no change compared to estimated net FY 2019. Funding is used for the administration and maintenance of County Commission of Veteran Affairs Offices. Staff must agree to maintain the current spending levels compared to the previous fiscal year.

Appropriates moneys from the Temporary Assistance for Needy Families (TANF) Federal Block Grant Fund appropriation for FY 2019.

DETAIL: The federal government implemented Federal Welfare Reform on August 22, 1996. Reform eliminated Aid to Families with Dependent Children (AFDC), ending federal entitlement and creating a flexible funding source for states to use in helping needy families achieve self-sufficiency. Iowa’s annual TANF award is $131,524,959; however, federal law reduces the annual award by $434,032 and reserves those funds for research and evaluation projects. In addition, $582,859 is allocated to Native American tribes.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to the FIP Account.

DETAIL: This is an increase of $498,898 compared to estimated net FY 2019. Iowa’s FIP is a cash assistance program to support low-income families with children and to provide services to help them to become self-sufficient.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to the PROMISE JOBS Program.

DETAIL: This is an increase of $220,000 compared to estimated net FY 2019. The PROMISE JOBS Program provides training, education, and employment services to FIP recipients. In addition, the Program pays allowances for specified costs, such as transportation, related to
3. To be used for the family development and self-sufficiency grant program in accordance with section 216A.107:

$ 2,898,980

Notwithstanding section 8.33, moneys appropriated in this subsection that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year. However, unless such moneys are encumbered or obligated on or before September 30, 2020, the moneys shall revert.

4. For field operations:

$ 31,296,232

5. For general administration:

$ 3,744,000

6. For state child care assistance:

$ 47,166,826

a. Of the funds appropriated in this subsection, $26,205,412 is transferred to the child care and development block grant appropriation made by the Eighty-eighth General Assembly, 2019 session, for the federal fiscal year beginning October 1, 2019, and ending September 30, 2020. Of this amount, $200,000 shall be used for provision of educational opportunities to registered child care home providers in order to improve services and programs offered by this category of providers and to increase the number of providers. The department may contract with institutions of higher education participating in Program activities.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to the Family Development and Self-Sufficiency (FaDSS) Program.

DETAIL: This is no change compared to estimated net FY 2019. FaDSS is a home-based supportive service to assist families with significant or multiple barriers to reach self-sufficiency. The Program was created during the 1988 General Assembly to assist families participating in the FIP.

CODE: Allows any unexpended funds allocated for the FaDSS Grant Program for FY 2019 to remain available for expenditure in FY 2020.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to Field Operations.

DETAIL: This is a decrease of $1,169,449 compared to estimated net FY 2019.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to General Administration.

DETAIL: This is no change compared to estimated net FY 2019.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to Child Care Assistance.

DETAIL: This is no change compared to estimated net FY 2019.

Requires the DHS to transfer $26,205,412 to the Child Care and Development Block Grant appropriation and to use $200,000 for training of registered child care home providers. Permits the DHS to contract with colleges and universities or child care resource and referral centers to provide training, and specifies requirements for grant funding and applications. Requires that contractor administrative costs do not exceed 5.00%.
or child care resource and referral centers to provide
the educational opportunities. Allowable administrative
costs under the contracts shall not exceed 5 percent. The
application for a grant shall not exceed two pages in length.

b. Any funds appropriated in this subsection remaining
unallocated shall be used for state child care assistance
payments for families who are employed including but not
limited to individuals enrolled in the family investment
program.

For child and family services:

$32,380,654

For child abuse prevention grants:

$125,000

For pregnancy prevention grants on the condition that
family planning services are funded:

$1,913,203

Pregnancy prevention grants shall be awarded to programs
in existence on or before July 1, 2019, if the programs have
demonstrated positive outcomes. Grants shall be awarded to
pregnancy prevention programs which are developed after July
1, 2019, if the programs are based on existing models that
have demonstrated positive outcomes. Grants shall comply with
the requirements provided in 1997 Iowa Acts, chapter 208,
section 14, subsections 1 and 2, including the requirement that
grant programs must emphasize sexual abstinence. Priority in
the awarding of grants shall be given to programs that serve
areas of the state which demonstrate the highest percentage of
unplanned pregnancies of females of childbearing age within the
geographic area to be served by the grant.

For technology needs and other resources necessary
to meet federal welfare reform reporting, tracking, and case
management requirements:

$1,037,186

Requires the DHS to award pregnancy prevention grants only to
programs that are based on existing models and have demonstrated
positive outcomes. Requires pregnancy prevention grants from the
TANF to include the requirement that sexual abstinence be
emphasized. Specifies that priority in awarding the grants should be
given to programs in areas of Iowa that have the highest percentage of
unplanned adolescent pregnancies within the geographic area served
by the grant.

Appropriates funds from the TANF FY 2020 Block Grant appropriation
for child care assistance for employed individuals enrolled in the FIP.

DETAIL: This is no change compared to estimated net FY 2019.

DETAIL: This is no change compared to estimated net FY 2019.

DETAIL: This is an increase of $23,000 compared to estimated net
FY 2019.

DETAIL: This is a no change compared to estimated net FY 2019.

DETAIL: This is an increase of $23,000 compared to estimated net
FY 2019.
11. a. Notwithstanding any provision to the contrary, including but not limited to requirements in section 8.41 or provisions in 2018 Iowa Acts or 2019 Iowa Acts regarding the receipt and appropriation of federal block grants, federal funds from the temporary assistance for needy families block grant received by the state and not otherwise appropriated in this section and remaining available for the fiscal year beginning July 1, 2019, are appropriated to the department of human services to the extent as may be necessary to be used in the following priority order: the family investment program, for state child care assistance program payments for families who are employed, and for the family investment program share of system costs for eligibility determination and related functions. The federal funds appropriated in this paragraph “a” shall be expended only after all other funds appropriated in subsection 1 for assistance under the family investment program, in subsection 6 for state child care assistance, or in subsection 10 for technology costs related to the family investment program, as applicable, have been expended. For the purposes of this subsection, the funds appropriated in subsection 6, paragraph “a”, for transfer to the child care and development block grant appropriation are considered fully expended when the full amount has been transferred.

b. The department shall, on a quarterly basis, advise the legislative services agency and department of management of the amount of funds appropriated in this subsection that was expended in the prior quarter.

12. Of the amounts appropriated in this section, $12,962,008 for the fiscal year beginning July 1, 2019, is transferred to the appropriation of the federal social services block grant made to the department of human services for that fiscal year.

13. For continuation of the program providing categorical eligibility for the food assistance program as specified for the program in the section of this division of this Act relating to the family investment program account: $14,236

DETAIL: This is an increase of $175,000 compared to estimated net FY 2019.

CODE: Permits the DHS to carry forward unused TANF funds.

DETAIL: Funds carried forward may be used for the FIP, technology costs related to the FIP, and the Child Care Assistance Program.

Requires the DHS to submit quarterly reports to the LSA and the Department of Management (DOM) regarding expenditures in this Section.

Requires $12,962,008 of the federal TANF funds appropriated in this Section be transferred to the federal Social Services Block Grant appropriation.

DETAIL: This is no change compared to estimated net FY 2019.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to the Promoting Healthy Marriage Program.

DETAIL: This is an increase of $1,236 compared to estimated net FY 2019. This language provides for consistent eligibility determination both for households that are categorically eligible for Food Assistance due to eligibility for the Promoting Awareness of the Benefits of a Healthy Marriage Program and for the few households that cannot meet categorical eligibility criteria.
The department may transfer funds allocated in this section to the appropriations made in this division of this Act for the same fiscal year for general administration and field operations for resources necessary to implement and operate the services referred to in this section and those funded in the appropriation made in this division of this Act for the same fiscal year for the family investment program from the general fund of the state.

With the exception of moneys allocated under this section for the family development and self-sufficiency grant program, to the extent moneys allocated in this section are deemed by the department not to be necessary to support the purposes for which they are allocated, such moneys may be used in the same fiscal year for any other purpose for which funds are allocated in this section or in section 8 of this division for the family investment program account. If there are conflicting needs, priority shall first be given to the family investment program account as specified under subsection 1 of this section and used for the purposes of assistance under the family investment program in accordance with chapter 239B, followed by state child care assistance program payments for families who are employed, followed by other priorities as specified by the department.

Sec. 8. FAMILY INVESTMENT PROGRAM ACCOUNT.

1. Moneys credited to the family investment program (FIP) account for the fiscal year beginning July 1, 2019, and ending June 30, 2020, shall be used to provide assistance in accordance with chapter 239B.

2. The department may use a portion of the moneys credited to the FIP account under this section as necessary for salaries, support, maintenance, and miscellaneous purposes.

3. The department may transfer funds allocated in subsection 4, excluding the allocation under subsection 4, paragraph "b", to the appropriations made in this division of this Act for the same fiscal year for general administration and field operations for resources necessary to implement and operate the services referred to in this section and those funded in the appropriations made in section 7 for the temporary assistance for needy families block grant and in section 9 for the family investment program from the general fund of the state in this division of this Act for the same fiscal year.

Permits the DHS to transfer funds to General Administration and Field Operations for costs associated with TANF-funded programs and the FIP.

Permits the DHS to transfer excess funds from the TANF Block Grant appropriation to the FIP Account to be used for assistance through the FIP within the same fiscal year and adds the Child Care Assistance Program to the list of programs to which the DHS can transfer available TANF funds.

Requires funds credited to the FIP Account for FY 2020 to be used as specified in the Iowa Code.

Permits the DHS to use FIP funds for various administrative purposes.

Allows the DHS to transfer funds appropriated in this Section to General Administration and Field Operations to administer the TANF Block Grant, FIP Account, and the FIP General Fund Section. The transfer authority excludes the FaDSS subsection.
4. Moneys appropriated in this division of this Act and credited to the FIP account for the fiscal year beginning July 1, 2019, and ending June 30, 2020, are allocated as follows:

a. To be retained by the department of human services to be used for coordinating with the department of human rights to more effectively serve participants in FIP and other shared clients and to meet federal reporting requirements under the federal temporary assistance for needy families block grant: $20,000

b. To the department of human rights for staffing, administration, and implementation of the family development and self-sufficiency grant program in accordance with section 216A.107:

(1) Of the funds allocated for the family development and self-sufficiency grant program in this paragraph “b”, not more than 5 percent of the funds shall be used for the administration of the grant program.

(2) The department of human rights may continue to implement the family development and self-sufficiency grant program statewide during fiscal year 2019-2020.

(3) The department of human rights may engage in activities to strengthen and improve family outcomes measures and data collection systems under the family development and self-sufficiency grant program.

c. For the diversion subaccount of the FIP account: $815,000

A portion of the moneys allocated for the diversion subaccount may be used for field operations, salaries, data management system development, and implementation costs and support deemed necessary by the director of human services in order to administer the FIP diversion program. To the extent moneys allocated in this paragraph “c” are deemed by the department not to be necessary to support diversion activities, such moneys may be used for other efforts intended to increase engagement by family investment program participants in work, education, or training activities, or for the purposes of assistance under the family investment program in accordance with chapter 239B.
d. For the food assistance employment and training program:

\[ \begin{align*}
\text{Allocates $66,588 of FY 2020 FIP funds to the Food Assistance Employment and Training Program.} \\
\text{DETAIL: This is no change compared to the estimated net FY 2019 allocation.}
\end{align*} \]

(1) The department shall apply the federal supplemental nutrition assistance program (SNAP) employment and training state plan in order to maximize to the fullest extent permitted by federal law the use of the 50 percent federal reimbursement provisions for the claiming of allowable federal reimbursement funds from the United States department of agriculture pursuant to the federal SNAP employment and training program for providing education, employment, and training services for eligible food assistance program participants, including but not limited to related dependent care and transportation expenses.

(2) The department shall continue the categorical federal food assistance program eligibility at 160 percent of the federal poverty level and continue to eliminate the asset test from eligibility requirements, consistent with federal food assistance program requirements. The department shall include as many food assistance households as is allowed by federal law. The eligibility provisions shall conform to all federal requirements including requirements addressing individuals who are incarcerated.

e. For the JOBS program:

\[ \begin{align*}
\text{Permits the DHS to allocate $12,018,258 of the FY 2020 General Fund appropriation for the FIP and TANF funds for the PROMISE JOBS Program.} \\
\text{DETAIL: This is a decrease of $121,563 compared to the estimated net FY 2019 allocation due to lower caseloads.}
\end{align*} \]

5. Of the child support collections assigned under FIP, an amount equal to the federal share of support collections made in this division of this Act. Of the remainder of the assigned child support collections received by the child support recovery unit, a portion shall be credited to the FIP account, a portion may be used to increase recoveries, and a portion may be used to sustain cash flow in the child support payments account. If as a consequence of the appropriations and allocations made in this section the resulting amounts are insufficient to sustain cash assistance payments and meet federal maintenance of effort requirements, the department

\[ \begin{align*}
\text{Requires the federal share of child support collections recovered by the State be credited to the Child Support Recovery Unit. The remainder of support collected is credited to the FIP Account, and the DHS is permitted to use a portion to increase recoveries and to sustain cash flow in the Child Support Payments Account.}
\end{align*} \]
shall seek supplemental funding. If child support collections assigned under FIP are greater than estimated or are otherwise determined not to be required for maintenance of effort, the state share of either amount may be transferred to or retained in the child support payments account.

6. The department may adopt emergency rules for the family investment, JOBS, food assistance, and medical assistance programs if necessary to comply with federal requirements.

Sec. 9. FAMILY INVESTMENT PROGRAM GENERAL FUND. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

To be credited to the family investment program (FIP) account and used for family investment program assistance under chapter 239B:

$39,849,365

1. Of the funds appropriated in this section, $6,606,198 is allocated for the JOBS program.

2. Of the funds appropriated in this section, $3,313,854 is allocated for the family development and self-sufficiency grant program.

3. a. Notwithstanding section 8.39, for the fiscal year:

Permits the DHS to adopt emergency administrative rules for the FIP, the Food Stamp Program, and the Medicaid (Medicaid) Program.

General Fund appropriation to the DHS for the FIP to be credited to the FIP Account. The appropriation for the FIP Account also contains funding for the PROMISE JOBS and FaDSS Programs.

DETAIL: This is a net decrease of $516,350 compared to estimated net FY 2019. The changes include:

- An increase of $2,463,316 to support integration of SNAP and FIP eligibility in the Eligibility Integrated Application Solution (ELIAS) system.
- A decrease of $678 due to a general reduction.
- A decrease of $2,978,988 due to declining caseloads in the FIP and PROMISE JOBS programs.

The appropriation maintains the current FIP payment levels (maximum grants of $361 per month for a family with two persons and $426 for a family with three persons).

General Fund allocation of $6,606,198 for the PROMISE JOBS Program.

DETAIL: This is a decrease of $121,563 compared to the estimated net FY 2019 allocation, due to decreased referrals to the Program.

General Fund allocation of $3,313,854 for the FaDSS Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

CODE: Specifies that the DHS has the authority to transfer TANF
year beginning July 1, 2019, if necessary to meet federal
maintenance of effort requirements or to transfer federal
temporary assistance for needy families block grant funding
to be used for purposes of the federal social services block
grant or to meet cash flow needs resulting from delays in
receiving federal funding or to implement, in accordance with
this division of this Act, activities currently funded with
juvenile court services, county, or community moneys and state
moneys used in combination with such moneys; to comply with
federal requirements; or to maximize the use of federal funds;
the department of human services may transfer funds within or
between any of the appropriations made in this division of this
block grant to the department for the following purposes,
provided that the combined amount of state and federal
temporary assistance for needy families block grant funding
for each appropriation remains the same before and after the
transfer:

(1) For the family investment program.
(2) For state child care assistance.
(3) For child and family services.
(4) For field operations.
(5) For general administration.

b. This subsection shall not be construed to prohibit the
use of existing state transfer authority for other purposes.
The department shall report any transfers made pursuant to this
subsection to the legislative services agency.

4. Of the funds appropriated in this section, $195,000 shall
be used for the provision of tax preparation assistance to
low-income Iowans in order to expand the usage of the earned
income tax credit. The purpose of the allocation is to supply
this assistance to underserved areas of the state.

5. Of the funds appropriated in this section, $70,000
shall be used for the parenting program as specified in
441 IAC ch.100, relating to parental obligations, in which
the child support recovery unit participates. The funds
allocated in this subsection shall be used to develop a larger
community effort, through public and private partnerships, to
support a broad-based multi-county parenthood initiative that
promotes payment of child support obligations, improved family
relationships, and full-time employment.

6. The department may transfer funds appropriated in this
section, excluding the allocation in subsection 2 for the
funds to the Social Services Block Grant as necessary to meet federal
maintenance-of-effort requirements.
family development and self-sufficiency grant program, to the
appropriations made in this division of this Act for general
administration and field operations as necessary to administer
this section, section 7 for the temporary assistance for needy
families block grant, and section 8 for the family investment
program account.

Sec. 10. CHILD SUPPORT RECOVERY. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For child support recovery, including salaries, support, maintenance, and miscellaneous purposes, and for not more than the following full-time equivalent positions:

1. The department shall expend up to $24,000, including federal financial participation, for the fiscal year beginning July 1, 2019, for a child support public awareness campaign. The department and the office of the attorney general shall cooperate in continuation of the campaign. The public awareness campaign shall emphasize, through a variety of media activities, the importance of maximum involvement of both parents in the lives of their children as well as the importance of payment of child support obligations.

2. Federal access and visitation grant moneys shall be issued directly to private not-for-profit agencies that provide services designed to increase compliance with the child access provisions of court orders, including but not limited to neutral visitation sites and mediation services.

3. The appropriation made to the department for child support recovery may be used throughout the fiscal year in the manner necessary for purposes of cash flow management, and for cash flow management purposes the department may temporarily draw more than the amount appropriated, provided the amount appropriated is not exceeded at the close of the fiscal year.
Sec. 11. HEALTH CARE TRUST FUND — MEDICAL ASSISTANCE — FY 2019-2020. Any funds remaining in the health care trust fund created in section 453A.35A for the fiscal year beginning July 1, 2019, and ending June 30, 2020, are appropriated to the department of human services to supplement the medical assistance program appropriations made in this division of this Act, for medical assistance reimbursement and associated costs, including program administration and costs associated with program implementation.

Sec. 12. MEDICAID FRAUD FUND — MEDICAL ASSISTANCE — FY 2019-2020. Any funds remaining in the Medicaid fraud fund created in section 249A.50 for the fiscal year beginning July 1, 2019, and ending June 30, 2020, are appropriated to the department of human services to supplement the medical assistance appropriations made in this division of this Act, for medical assistance reimbursement and associated costs, including program administration and costs associated with program implementation.

Sec. 13. MEDICAL ASSISTANCE. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For medical assistance program reimbursement and associated costs as specifically provided in the reimbursement methodologies in effect on June 30, 2019, except as otherwise expressly authorized by law, consistent with options under federal law and regulations, and contingent upon receipt of approval from the office of the governor for reimbursement for each abortion performed under the program: $1,431,334,812

1. Iowans support reducing the number of abortions performed in our state. Funds appropriated under this section shall not be used for abortions, unless otherwise authorized.

General Fund appropriation to the DHS for the Medicaid Program.

DETAIL: This is a net decrease of $56,806,563 compared to estimated net FY 2019. The changes include:

- An increase of $62,420,058 to fund the Program $183,520 below the Governor's recommendation.
- An increase of $27,479,942 to rebase nursing facility reimbursement rates.
- An increase of $1,500,000 to increase reimbursement rates for critical access hospitals.
- An increase of $1,200,000 to eliminate the waiting list for the Children's Mental Health HCBS waiver.
- An increase of $1,088,437 to increase reimbursement rates for Assertive Community Treatment (ACT).
- A decrease of $195,000 to account for the Governor's veto of funds allocated for a partnership between the University of Iowa Hospitals and Clinics (UIHC) and a nonprofit entity to refurbish durable medical equipment (DME).
- A decrease of $150,300,000 to adjust for the FY 2019 supplemental appropriation.

Specifies conditions that permit the Medicaid Program to reimburse providers for abortion services.
26 25 under this section.

26 26 2. The provisions of this section relating to abortions shall also apply to the Iowa health and wellness plan created pursuant to chapter 249N.

26 29 3. The department shall utilize not more than $60,000 of the funds appropriated in this section to continue the AIDS/HIV health insurance premium payment program as established in 1992 Iowa Acts, Second Extraordinary Session, chapter 1001, section 409, subsection 6. Of the funds allocated in this subsection, not more than $5,000 may be expended for administrative purposes.

27 1 4. Of the funds appropriated in this Act to the department of public health for addictive disorders, $950,000 for the fiscal year beginning July 1, 2019, is transferred to the department of human services for an integrated substance-related disorder managed care system. The departments of human services and public health shall work together to maintain the level of mental health and substance-related disorder treatment services provided by the managed care contractors. Each department shall take the steps necessary to continue the federal waivers as necessary to maintain the level of services.

27 12 5. a. The department shall aggressively pursue options for providing medical assistance or other assistance to individuals with special needs who become ineligible to continue receiving services under the early and periodic screening, diagnostic, and treatment program under the medical assistance program due to becoming 21 years of age who have been approved for additional assistance through the department’s exception to policy provisions, but who have health care needs in excess of the funding available through the exception to policy provisions.

27 22  b. Of the funds appropriated in this section, $100,000 shall be used for participation in one or more pilot projects operated by a private provider to allow the individual or individuals to receive service in the community in accordance with principles established in Olmstead v.L.C., 527 U.S.581 (1999), for the purpose of providing medical assistance or other assistance to individuals with special needs who become ineligible to continue receiving services under the early and periodic screening, diagnostic, and treatment program under the medical assistance program due to becoming 21 years of age.

Specifies that the policy on abortion also applies to the Iowa Health and Wellness Program.

Requires the DHS to use a maximum of $60,000 of the funds appropriated for Medicaid to continue the AIDS/HIV Health Insurance Premium Payment Program as established during the 1992 General Assembly, Second Extraordinary Session. Requires that administrative costs be limited to $5,000.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Requires that $950,000 of the Addictive Disorders appropriation to the DPH for Substance Abuse Grants be transferred to the Medicaid Program in the DHS for continuation of the Managed Substance Abuse Treatment Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation. The Managed Substance Abuse Treatment Program was funded for the first time in FY 1996.

Requires the DHS to aggressively pursue options for assisting special needs individuals who become ineligible for continued services under the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Program as a result of turning 21 years of age. The individuals are to have been approved for additional assistance through the DHS exception to policy process but have health care needs exceeding available funding. This Section requires the Department to allocate $100,000 to fund one or more pilot projects focused on providing care in the community.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.
27 age who have been approved for additional assistance through
28 the department's exception to policy provisions, but who have
29 health care needs in excess of the funding available through
30 the exception to the policy provisions.

31 Of the funds appropriated in this section, up to
32 $3,050,082 may be transferred to the field operations or
33 general administration appropriations in this division of this
34 Act for operational costs associated with Part D of the federal
35 Medicare Prescription Drug Improvement and Modernization Act

37 Of the funds appropriated in this section, up to $442,100
38 may be transferred to the appropriation in this division
39 of this Act for medical contracts to be used for clinical
40 assessment services and prior authorization of services.

41 A portion of the funds appropriated in this section
42 may be transferred to the appropriations in this division of
43 this Act for general administration, medical contracts, the
44 children's health insurance program, or field operations to be
45 used for the state match cost to comply with the payment error
46 rate measurement (PERM) program for both the medical assistance
47 and children's health insurance programs as developed by the
48 centers for Medicare and Medicaid services of the United States
49 department of health and human services to comply with the
50 federal Improper Payments Information Act of 2002, Pub.L.
51 No.107-300, and to support other reviews and quality control
52 activities to improve the integrity of these programs.

53 The department shall continue to implement the
54 recommendations of the assuring better child health and
55 development initiative II (ABCDII) clinical panel to the
56 Iowa early and periodic screening, diagnostic, and treatment
57 services healthy mental development collaborative board
58 regarding changes to billing procedures, codes, and eligible
59 service providers.

60 Of the funds appropriated in this section, a sufficient
61 amount is allocated to supplement the incomes of residents of
62 nursing facilities, intermediate care facilities for persons
63 with mental illness, and intermediate care facilities for
64

Permits the DHS to transfer up to $3,050,082 to Field Operations or
General Administration for implementation costs of the new Medicare
Part D prescription drug benefit and low-income subsidy application
processes.

DETAIL: This is no change compared to the estimated net FY 2019
allocation.

Permits a maximum of $442,100 of Medicaid funds to be transferred to
clinical assessment services.

DETAIL: This is no change compared to the estimated net FY 2019
allocation.

Permits the DHS to use a portion of the funds appropriated to carry out
the Payment Error Rate Measurement (PERM) Program and other
reviews and quality control activities. This continues the DHS
compliance with the federal Improper Payments Information Act of
2002.

DETAIL: The PERM Program measures improper payments in
Medicaid and the Children's Health Insurance Program (CHIP), and
produces error rates for each program. Error rates are based on
reviews of the fee-for-service (FFS), managed care, and eligibility
components of Medicaid and CHIP in the fiscal year under review. It is
important to note the error rate is not a "fraud rate" but simply a
measurement of payments made that did not meet statutory,
regulatory, or administrative requirements.

Requires the DHS to continue to implement the recommendations of
the Assuring Better Child Health and Development Initiative II (ABCDII)
Clinical Panel for changes to billing procedures, codes, and eligible
service providers.

Requires the DHS to provide residents of nursing facilities, intermediate
care facilities for persons with mental illness, and intermediate care
facilities for persons with an intellectual disability with a personal needs
allowance of $50 per month.
persons with an intellectual disability, with incomes of less than $50 in the amount necessary for the residents to receive a personal needs allowance of $50 per month pursuant to section 249A.30A.

11. a. Hospitals that meet the conditions specified in subparagraphs (1) and (2) shall either certify public expenditures or transfer to the medical assistance program an amount equal to provide the nonfederal share for a disproportionate share hospital payment in an amount up to the hospital-specific limit as approved in the Medicaid state plan. The hospitals that meet the conditions specified shall receive and retain 100 percent of the total disproportionate share hospital payment in an amount up to the hospital-specific limit as approved in the Medicaid state plan.

   (1) The hospital qualifies for disproportionate share and graduate medical education payments.

   (2) The hospital is an Iowa state-owned hospital with more than 500 beds and eight or more distinct residency specialty or subspecialty programs recognized by the American college of graduate medical education.

b. Distribution of the disproportionate share payments shall be made on a monthly basis. The total amount of disproportionate share payments including graduate medical education, enhanced disproportionate share, and Iowa state-owned teaching hospital payments shall not exceed the amount of the state’s allotment under Pub.L.No.102-234. In addition, the total amount of all disproportionate share payments shall not exceed the hospital-specific disproportionate share limits under Pub.L.No.103-66.

12. One hundred percent of the nonfederal share of payments to area education agencies that are medical assistance providers for medical assistance-covered services provided to medical assistance-covered children, shall be made from the appropriation made in this section.

13. A portion of the funds appropriated in this section may be transferred to the appropriation in this division of this Act for medical contracts to be used for administrative activities associated with the money follows the person demonstration project.

14. Of the funds appropriated in this section, $349,011 shall be used for the administration of the health insurance premium payment program, including salaries, support, maintenance, and miscellaneous purposes.

Allocates Medicaid funds to Area Education Agencies.

Specifies that a portion of the Medicaid funding may be transferred to Medical Contracts for administrative activities related to the Money Follows the Person demonstration project.

General Fund allocation of $349,011 to the Health Insurance Premium Payment Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

DETAIL: This is no change compared to the FY 2019 allowance.

Specifies that the UIHC is to either use Certified Public Expenditures or transfer the amount necessary within the disproportionate share hospital (DSH) limit to the Medicaid Program to provide the nonfederal share of the DSH payment. The UIHC will retain 100.00% of the DSH payment.
For the fiscal year beginning July 1, 2019, and ending June 30, 2020, the replacement generation tax revenues required to be deposited in the property tax relief fund pursuant to section 437A.8, subsection 4, paragraph “d”, and section 437A.15, subsection 3, paragraph “f”, shall instead be credited to and supplement the appropriation made in this section and used for the allocations made in this section.

Of the funds appropriated in this section, up to $50,000 may be transferred by the department to the appropriation made in this division of this Act to the department for the same fiscal year for general administration to be used for associated administrative expenses and for not more than one full-time equivalent position, in addition to those authorized for the same fiscal year, to be assigned to implementing the children’s mental health home project.

Permits the DHS to transfer up to $400,000 to be used for administrative support to implement the MHDS Redesign and the Balancing Incentive Payment Program (BIPP).

Permits the DHS to transfer up to $3,000,000 to be used for the implementation of standardized assessment tools for persons with mental illness, intellectual disabilities, developmental disabilities, or brain injuries.

Allocates $150,000 to the UIHC to be used for lodging expenses for cancer patients with income below 200.00% of the federal poverty level who travel 30 miles or more to receive treatment.

Requires the replacement generation tax revenues be allocated to the Medicaid appropriation instead of being deposited into the Property Tax Relief Fund.

DETAIL: It is estimated there will be approximately $1,220,387 allocated to Medicaid. This is a decrease of $188,281 compared to the estimated net FY 2019 allocation. Under current law, a company that acquires a new electric power generating plant and has no operating property in Iowa is required to pay the replacement generation tax, which is credited to the Property Tax Relief Fund. The Dwayne Arnold Energy Center (near Cedar Rapids) was purchased by a Florida company with no other facilities in Iowa in 2006.

income guidelines published by the United States department of
health and human services. The department of human services
shall establish the maximum number of overnight stays and the
maximum rate reimbursed for overnight lodging, which may be
based on the state employee rate established by the department
of administrative services. The funds allocated in this
subsection shall not be used as nonfederal share matching
funds.

Of the funds appropriated in this section, up to
$3,383,880 shall be used for administration of the state family
planning services program pursuant to section 217.41B, and
of this amount, the department may use up to $200,000 for
administrative expenses.

Of the funds appropriated in this section, $1,545,530 shall be used and may be transferred to other appropriations in this division of this Act as necessary to administer the provisions in the division of this Act relating to Medicaid program administration.

The department shall continue to implement and administer the provisions of 2018 Iowa Acts, chapter 1056. Of the funds appropriated in this section, up to $39,069 may be transferred to the department of inspections and appeals for inspection costs related to such implementation and administration.

Of the funds appropriated in this section, up to $1,200,000 shall be used to implement reductions in the waiting list for the children’s mental health home and community-based services waiver.

Of the funds appropriated in this section, $1,500,000 shall be used to reinstate cost-based reimbursement and the settlement process under the Medicaid program for critical access hospitals in the state, as designated pursuant to 42 U.S.C.§1395i-4, to provide reimbursement at the rate provided for such hospitals under the federal Medicare program.

Sec. 14. MEDICAL CONTRACTS. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary,
For medical contracts: $17,992,530

1. The department of inspections and appeals shall provide all state matching funds for survey and certification activities performed by the department of inspections and appeals. The department of human services is solely responsible for distributing the federal matching funds for such activities.

2. Of the funds appropriated in this section, $50,000 shall be used for continuation of home and community-based services waiver quality assurance programs, including the review and streamlining of processes and policies related to oversight and quality management to meet state and federal requirements.

3. Of the amount appropriated in this section, up to $200,000 may be transferred to the appropriation for general administration in this division of this Act to be used for additional full-time equivalent positions in the development of key health initiatives such as development and oversight of managed care programs and development of health strategies targeted toward improved quality and reduced costs in the Medicaid program.

4. Of the funds appropriated in this section, $1,000,000 shall be used for planning and development, in cooperation with the department of public health, of a phased-in program to provide a dental home for children.

5. a. Of the funds appropriated in this section, $573,000 shall be credited to the autism support program fund created in section 225D.2 to be used for the autism support program created in chapter 225D, with the exception of the following amount of this allocation which shall be used as follows:

    b. Of the funds allocated in this subsection, $25,000 shall be used for the public purpose of continuation of a grant to a nonprofit provider of child welfare services that has been in operation since at least January 1, 2010.
existence for more than 115 years, is located in a county with a population between 200,000 and 220,000 according to the most recent federal decennial census, is licensed as a psychiatric medical institution for children, and provides school-based programming, to be used for support services for children with autism spectrum disorder and their families.

Sec. 15. STATE SUPPLEMENTARY ASSISTANCE.
1. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For the state supplementary assistance program: .......................................................... $ 7,812,909

2. The department shall increase the personal needs allowance for residents of residential care facilities by the same percentage and at the same time as federal supplemental security income and federal social security benefits are increased due to a recognized increase in the cost of living. The department may adopt emergency rules to implement this subsection.

3. If during the fiscal year beginning July 1, 2019, the department projects that state supplementary assistance expenditures for a calendar year will not meet the federal pass-through requirement specified in Tit.XVI of the federal Social Security Act, section 1618, as codified in 42 U.S.C. §1382g, the department may take actions including but not limited to increasing the personal needs allowance for residential care facility residents and making programmatic adjustments or upward adjustments of the residential care facility or in-home health-related care reimbursement rates prescribed in this division of this Act to ensure that federal requirements are met. The department may adopt emergency rules to implement the provisions of this subsection.

4. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

Sec. 16. CHILDREN'S HEALTH INSURANCE PROGRAM.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

General Fund appropriation to the DHS for State Supplementary Assistance.

DETAIL: This is a decrease of $2,437,964 compared to estimated net FY 2019 due to declining caseloads.

Requires the DHS to increase the personal needs allowance of residential care facility residents at the same rate and time as federal Supplemental Security Income (SSI) and Social Security benefits are increased. Permits the DHS to adopt emergency rules for implementation.

Permits the DHS to adjust rates for State Supplementary Assistance to meet federal maintenance-of-effort requirements. Permits the DHS to adopt emergency rules for implementation.

CODE: Allows any unexpended funds appropriated for the State Supplementary Assistance Program for FY 2020 to remain available for FY 2021.

General Fund appropriation to the DHS for the Children's Health
1. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

   For maintenance of the healthy and well kids in Iowa (hawk-i) program pursuant to chapter 514I, including supplemental dental services, for receipt of federal financial participation under Tit.XXI of the federal Social Security Act, which creates the children’s health insurance program:

   ................................................................. $ 19,361,112

2. Of the funds appropriated in this section, $79,486 is allocated for continuation of the contract for outreach with the department of public health.

3. A portion of the funds appropriated in this section may be transferred to the appropriations made in this division of this Act for field operations or medical contracts to be used for the integration of hawk-i program eligibility, payment, and administrative functions under the purview of the department of human services, including for the Medicaid management information system upgrade.

Sec. 17. CHILD CARE ASSISTANCE. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For child care programs:

................................................................. $ 40,816,931

Insurance Program, also known as the Healthy and Well Kids in Iowa (hawk-i) Program.

DETAIL: This is a net increase of $12,297,055 compared to estimated net FY 2019. The changes include:

- An increase of $11,431,782 due to adjustments to the Federal Medical Assistance Percentage (FMAP) rate.
- An increase of $528,778 to replace carryforward available from FY 2018 to FY 2019.
- An increase of $306,685 to reflect the current Program forecasted need.
- An increase of $171,540 for 2.50% growth in enrollment.
- An increase of $8,620 due to increased administrative costs.
- A decrease of $150,350 due to the elimination of the health insurer fee implemented as part of the Affordable Care Act.

Allocates $79,486 for the continuation of an outreach contract with the DPH.

DETAIL: This is an increase of $36,686 compared to the estimated net FY 2019 allocation due to an adjustment to the FMAP rate.

Allows a portion of the funds in this Section to be transferred to the Field Operations or Medical Contracts appropriations to be used for administrative purposes.

General Fund appropriation to the DHS for Child Care Assistance (CCA).

DETAIL: This is no net change compared to estimated net FY 2019. The changes include:

- An increase of $3,000,000 to annualize the increased provider rates in the FY 2019 appropriation Act.
- An increase of $4,045,763 to reflect the December 2018 CCA Program forecasted need.
- A decrease of $8,054,835 to use additional Child Care Development Fund dollars.
- An increase of $1,009,072 to meet the federal Child Care Development Block Grant quality set-aside requirements.
1. Of the funds appropriated in this section, $34,966,931 shall be used for state child care assistance in accordance with section 237A.13.

2. Nothing in this section shall be construed or is intended as or shall imply a grant of entitlement for services to persons who are eligible for assistance due to an income level consistent with the waiting list requirements of section 237A.13. Any state obligation to provide services pursuant to this section is limited to the extent of the funds appropriated in this section.

3. A list of the registered and licensed child care facilities operating in the area served by a child care resource and referral service shall be made available to the families receiving state child care assistance in that area.

4. Of the funds appropriated in this section, $5,850,000 shall be credited to the early childhood programs grants account in the early childhood Iowa fund created in section 256I.11. The moneys shall be distributed for funding of community-based early childhood programs targeted to children from birth through five years of age developed by early childhood Iowa areas in accordance with approved community plans as provided in section 256I.8.

5. The department may use any of the funds appropriated in this section as a match to obtain federal funds for use in expanding child care assistance and related programs. For the purpose of expenditures of state and federal child care funding, funds shall be considered obligated at the time expenditures are projected or allocated to the department’s service areas. Projections shall be based on current and projected caseload growth, current and projected provider rates, staffing requirements for eligibility determination and management of program requirements including data systems management, staffing requirements for administration of the program, contractual and grant obligations and any transfers to other state agencies, and obligations for decategorization or innovation projects.

6. A portion of the state match for the federal child care and development block grant shall be provided as necessary to meet federal matching funds requirements through the state general fund appropriation made for child development grants and other programs for at-risk children in section 279.51.
7. If a uniform reduction ordered by the governor under section 8.31 or other operation of law, transfer, or federal funding reduction reduces the appropriation made in this section for the fiscal year, the percentage reduction in the amount paid out to or on behalf of the families participating in the state child care assistance program shall be equal to or less than the percentage reduction made for any other purpose payable from the appropriation made in this section and the federal funding relating to it. The percentage reduction to the other allocations made in this section shall be the same as the uniform reduction ordered by the governor or the percentage change of the federal funding reduction, as applicable. If there is an unanticipated increase in federal funding provided for state child care services, the entire amount of the increase, except as necessary to meet federal requirements including quality set asides, shall be used for state child care assistance payments. If the appropriations made for purposes of the state child care assistance program for the fiscal year are determined to be insufficient, it is the intent of the general assembly to appropriate sufficient funding for the fiscal year in order to avoid establishment of waiting list requirements.

8. Notwithstanding section 8.33, moneys advanced for purposes of the programs developed by early childhood Iowa areas, advanced for purposes of wraparound child care, or received from the federal appropriations made for the purposes of this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert to any fund but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

Sec. 18. JUVENILE INSTITUTION. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. For operation of the state training school at Eldora and for salaries, support, maintenance, and miscellaneous purposes, and for not more than the following full-time equivalent positions:

   | $13,920,757 | FTEs 207.00 |

Requires the following related to program operations:

- Any reductions to the CCA appropriation, either State or federal, must be applied in an equal percentage across all operating areas of the CCA Program before a reduction to service payments is made. The reduction for payable services must be equal to or less than the reduction for other items.
- Any unanticipated increase in federal funding must be used only for the CCA Program.
- It is the intent of the General Assembly to provide sufficient funding for the Program in FY 2020 to avoid the establishment of a waiting list.

Permits nonreversion of FY 2020 funds to carry forward for expenditure in FY 2021 for the programs developed by Early Childhood Iowa areas or for wraparound child care, or received from federal appropriations for child care assistance.

General Fund appropriation to the State Training School at Eldora.

DETAIL: This is a net increase of $1,158,314 and 17.70 FTE positions compared to estimated net FY 2019. The changes include:

- An increase of $900,027 to replace one-time funding used in FY 2019.
- An increase of $91,222 and 1.00 FTE position to add a Clinical Supervisor.
- An increase of $72,550 and 1.00 FTE position to add a Registered Nurse.
- An increase of $52,354 and 1.00 FTE position to add a Youth Services Technician.
- An increase of $42,311 due to increased costs of pharmaceuticals, food, transportation, and utilities.
- An increase of 14.7 FTE positions.
b. Of the funds appropriated in this subsection, $91,000 shall be used for distribution to licensed classroom teachers at this and other institutions under the control of the department of human services based upon the average student yearly enrollment at each institution as determined by the department.

c. The additional full-time equivalent positions authorized in paragraph “a” shall include 1.00 youth services technician, 1.00 clinical supervisor, and 1.00 registered nurse full-time equivalent positions.

2. A portion of the moneys appropriated in this section shall be used by the state training school at Eldora for grants for adolescent pregnancy prevention activities at the institution in the fiscal year beginning July 1, 2019.

3. Of the funds appropriated in this subsection, $212,000 shall be used by the state training school at Eldora for a substance use disorder treatment program at the institution for the fiscal year beginning July 1, 2019.

4. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

Sec. 19. CHILD AND FAMILY SERVICES.

1. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For child and family services: ................................................................. $ 89,071,761

2. The department may transfer funds appropriated in this section as necessary to pay the nonfederal costs of services reimbursed under the medical assistance program, state child care assistance program, or the family investment program which are provided to children who would otherwise receive services...
paid under the appropriation in this section. The department may transfer funds appropriated in this section to the appropriations made in this division of this Act for general administration and for field operations for resources necessary to implement and operate the services funded in this section.

3. a. Of the funds appropriated in this section, up to $34,536,000 is allocated as the statewide expenditure target under section 232.143 for group foster care maintenance and services. If the department projects that such expenditures for the fiscal year will be less than the target amount allocated in this paragraph “a”, the department may reallocate the excess to provide additional funding for family foster care, independent living, family safety, risk, and permanency services, shelter care, or the child welfare emergency services addressed with the allocation for shelter care.

b. If at any time after September 30, 2019, annualization of a service area’s current expenditures indicates a service area is at risk of exceeding its group foster care expenditure target under section 232.143 by more than 5 percent, the department and juvenile court services shall examine all group foster care placements in that service area in order to identify those which might be appropriate for termination. In addition, any aftercare services believed to be needed for the children whose placements may be terminated shall be identified. The department and juvenile court services shall initiate action to set dispositional review hearings for the placements identified. In such a dispositional review hearing, the juvenile court shall determine whether needed aftercare services are available and whether termination of the placement is in the best interest of the child and the community.

4. In accordance with the provisions of section 232.188, the department shall continue the child welfare and juvenile justice funding initiative during fiscal year 2019-2020. Of the funds appropriated in this section, $1,717,000 is allocated specifically for expenditure for fiscal year 2019-2020 through the decategorization services funding pools and governance boards established pursuant to section 232.188.

5. A portion of the funds appropriated in this section may be used for emergency family assistance to provide other resources required for a family participating in a family preservation or reunification project or successor project to stay together or to be reunified.

6. Of the funds appropriated in this section, a sufficient amount may be used for emergency family assistance to provide other resources required for a family participating in a family preservation or reunification project or successor project to stay together or to be reunified.

Allocates up to $34,536,000 for group foster care services and maintenance costs. Permits reallocation of excess funds.

DETAIL: This is a decrease of $648 compared to the estimated net FY 2019 allocation. Expands the permissible services to include family foster care, independent living, and family safety, risk, and permanency services.

Requires a service area’s group foster care expenditure target be reviewed if the service area is at risk of exceeding its group foster care spending target by more than 5.00%, and requires review hearings when appropriate, but not until after September 30, 2019.

Allocates $1,717,000 for decategorization services.

DETAIL: This is a decrease of $753 compared to the estimated net FY 2019 allocation.

Permits funds to be used for emergency family assistance under specified conditions.

Permits funds to be used for shelter care and child welfare emergency services.

- Allocates up to $3,290,000 for court-ordered services provided to children who are under the supervision of juvenile court services. Of this amount, $1,556,000 is allocated to school-based supervision of delinquent children, of which $15,000 may be used for training. A portion of the cost for school-based liaisons is required to be paid by school districts.
- Allocates up to $748,000 to court-ordered services provided to children who are under the supervision of the DHS.

DETAIL: This is a total decrease of $1,272 compared to the estimated FY 2019 allocations due to a general reduction.

CODE: Requires allocations to be distributed among the judicial districts, as determined by the State Court Administrator, and among the DHS districts, as determined by the Division of Child and Family Services Administrator, by June 15, 2019.

CODE: Prohibits a district or juvenile court from ordering any service that is a charge to the State if there are insufficient funds to reimburse
5 order any service which is a charge upon the state pursuant to section 232.141 if there are insufficient court-ordered service funds available in the district court or departmental service area distribution amounts to pay for the service. The chief juvenile court officer and the departmental service area manager shall encourage use of the funds allocated in this subsection such that there are sufficient funds to pay for all court-related services during the entire year. The chief juvenile court officers and departmental service area managers shall attempt to anticipate potential surpluses and shortfalls in the distribution amounts and shall cooperatively request the state court administrator or division administrator to transfer funds between the judicial districts’ or departmental service areas’ distribution amounts as prudent.

e. Notwithstanding any provision of law to the contrary, a district or juvenile court shall not order a county to pay for any service provided to a juvenile pursuant to an order entered under chapter 232 which is a charge upon the state under section 232.141, subsection 4.

f. Of the funds allocated in this subsection, not more than $83,000 may be used by the judicial branch for administration of the requirements under this subsection.

g. Of the funds allocated in this subsection, $17,000 shall be used by the department of human services to support the interstate commission for juveniles in accordance with the Interstate Compact for Juveniles.

9. Of the funds appropriated in this section, $12,253,000 is allocated for juvenile delinquent graduated sanctions services. Any state funds saved as a result of efforts by juvenile court services to earn a federal Title IV-E match for juvenile court services administration may be used for the juvenile delinquent graduated sanctions services.

10. Of the funds appropriated in this section, $1,658,000 is transferred to the department of public health to be used for the service. Requires the Chief Juvenile Court Officer to use the funds in a manner that will cover the entire fiscal year, and permits funds to be transferred between districts.
the child protection center grant program for child protection

The department may continue to bill for state resource center services utilizing a scope of services approach used for private providers of intermediate care facilities for persons with an intellectual disability services, in a manner which does not shift costs between the medical assistance program, counties, or other sources of funding for the state resource centers.

3. The state resource centers may expand the time-limited assessment and respite services during the fiscal year.

4. If the department's administration and the department of management concur with a finding by a state resource center's superintendent that projected revenues can reasonably be expected to be sufficient to pay the salary and support costs of the additional FTE positions and if approved by the...
be expected to pay the salary and support costs for a new employee position, or that such costs for adding a particular number of new positions for the fiscal year would be less than the overtime costs if new positions would not be added, the superintendent may add the new position or positions. If the vacant positions available to a resource center do not include the position classification desired to be filled, the state resource center’s superintendent may reclassify any vacant position as necessary to fill the desired position. The superintendents of the state resource centers may, by mutual agreement, pool vacant positions and position classifications during the course of the fiscal year in order to assist one another in filling necessary positions.

5. If existing capacity limitations are reached in operating units, a waiting list is in effect for a service or a special need for which a payment source or other funding is available for the service or to address the special need, and facilities for the service or to address the special need can be provided within the available payment source or other funding, the superintendent of a state resource center may authorize opening not more than two units or other facilities and begin implementing the service or addressing the special need during fiscal year 2019-2020.

6. Notwithstanding section 8.33, and notwithstanding the amount limitation specified in section 222.92, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

Sec. 26. SEXUALLY VIOLENT PREDATORS.

1. a. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

Sec. 32. MEDICAL ASSISTANCE, STATE SUPPLEMENTARY
ASSISTANCE, AND SOCIAL SERVICE PROVIDERS REIMBURSED UNDER THE
DEPARTMENT OF HUMAN SERVICES.

1. a. (1) (a) For the fiscal year beginning July 1, 2019, the department shall rebase case-mix nursing facility rates effective July 1, 2019, to the extent possible within the state funding, including the $27,479,942, appropriated for this purpose.

(b) For the fiscal year beginning July 1, 2019, non-case-mix and special population nursing facilities shall be reimbursed in accordance with the methodology in effect on June 30 of the prior fiscal year.

(c) For managed care claims, the department of human services shall adjust the payment rate floor for nursing facilities, annually, to maintain a rate floor that is no lower than the Medicaid fee-for-service case-mix adjusted rate calculated in accordance with subparagraph division (a) and 441 IAC 81.6. The department shall then calculate adjusted reimbursement rates, including but not limited to add-on-payments, annually, and shall notify Medicaid managed care organizations of the adjusted reimbursement rates within 30 days of determining the adjusted reimbursement rates. Any adjustment of reimbursement rates under this subparagraph division shall be budget neutral to the state budget.

(d) For the fiscal year beginning July 1, 2019, Medicaid managed care long-term services and supports capitation rates shall be adjusted to reflect the rebasing pursuant to subparagraph division (a) for the patient populations residing in Medicaid-certified nursing facilities.

2. (2) Medicaid managed care organizations shall adjust facility-specific rates based upon payment rate listings issued by the department. The rate adjustments shall be applied prospectively from the effective date of the rate letter issued by the department.

b. (1) For the fiscal year beginning July 1, 2019, the department shall establish the pharmacy dispensing fee reimbursement at $10.07 per prescription, until a cost of dispensing survey is completed. The actual dispensing fee shall be determined by a cost of dispensing survey performed by the department and required to be completed by all medical assistance program participating pharmacies every two years, adjusted as necessary to maintain expenditures within the amount appropriated to the department for this purpose for the fiscal year.

Requires the DHS to rebase case-mix nursing facility rates effective July 1, 2019. Non-case-mix and special population nursing facilities reimbursement methodology is to remain the same as the methodology in effect on June 30, 2019. The MCOs are required to adjust facility-specific rates based upon payment rate listings issued by the DHS and the rates are to be applied prospectively from the date the DHS issues the letter.

FISCAL IMPACT: The General Assembly increased the Medicaid Program appropriation by $27,479,942 to be included in the case-mix nursing facility rebase.

Requires a pharmacy dispensing fee reimbursement rate of $10.07 per prescription.

DETAIL: This is an increase of $0.05 compared to the FY 2019 fee.
(2) The department shall utilize an average acquisition cost reimbursement methodology for all drugs covered under the medical assistance program in accordance with 2012 Iowa Acts, chapter 1133, section 33.

c. (1) For the fiscal year beginning July 1, 2019, reimbursement rates for outpatient hospital services shall remain at the rates in effect on June 30, 2019, subject to Medicaid program upper payment limit rules, and adjusted as necessary to maintain expenditures within the amount appropriated to the department for this purpose for the fiscal year.

(2) For the fiscal year beginning July 1, 2019, reimbursement rates for inpatient hospital services shall remain at the rates in effect on June 30, 2019, subject to Medicaid program upper payment limit rules, and adjusted as necessary to maintain expenditures within the amount appropriated to the department for this purpose for the fiscal year.

(3) For the fiscal year beginning July 1, 2019, critical access hospitals in the state, as designated pursuant to 42 U.S.C. §1395i-4, shall receive cost-based reimbursement utilizing a settlement process to provide reimbursement at the rate provided such hospitals under the federal Medicare program.

(4) For the fiscal year beginning July 1, 2019, the graduate medical education and disproportionate share hospital fund shall remain at the amount in effect on June 30, 2019, except that the portion of the fund attributable to graduate medical education shall be reduced in an amount that reflects the elimination of graduate medical education payments made to out-of-state hospitals.

(5) In order to ensure the efficient use of limited state funds in procuring health care services for low-income Iowans, funds appropriated in this Act for hospital services shall not be used for activities which would be excluded from a determination of reasonable costs under the federal Medicare program pursuant to 42 U.S.C. §1395x(v)(1)(N).

d. For the fiscal year beginning July 1, 2019, reimbursement rates for hospices and acute psychiatric hospitals shall be

Requires the DHS to continue an Average Acquisition Cost (AAC) reimbursement methodology for all drugs covered under the Medicaid Program. The methodology is to utilize a survey of pharmacy invoices to determine the AAC. The Department is to provide a process for pharmacies to address AAC prices that are not reflective of the actual drug cost.

Requires the FY 2020 rate of reimbursement for outpatient hospital services remain at the rates in effect June 30, 2019, subject to the Medicaid upper payment limit (UPL) rules.

Requires the FY 2020 rate of reimbursement for inpatient hospital services remain at the rates in effect June 30, 2019, subject to the Medicaid UPL rules.

Requires critical access hospitals receive cost based reimbursement using a cost settlement process.

FISCAL IMPACT: This is estimated to increase General Fund Medicaid expenditures by $1,500,000 for the cost settlement process.

Requires the rate of reimbursement for the Graduate Medical Education and Disproportionate Share Hospital Fund remain at the rate in effect June 30, 2019, except for the portion that eliminates graduate medical education payments made to out-of-state hospitals.

Requires funds appropriated to hospital activities be used for activities pursuant to the federal Medicare Program.

Requires hospice services and acute psychiatric hospitals be reimbursed at the rate established under the federal Medicare Program.
increased in accordance with increases under the federal Medicare program or as supported by their Medicare audited costs.

e. For the fiscal year beginning July 1, 2019, independent laboratories and rehabilitation agencies shall be reimbursed using the same methodology in effect on June 30, 2019.

f. (1) For the fiscal year beginning July 1, 2019, reimbursement rates for home health agencies shall be rebased, to the extent possible, within the state funding appropriated for this purpose, and shall continue to be based on the Medicare low utilization payment adjustment (LUPA) methodology with state geographic wage adjustments to reflect the most recent Medicare LUPA rates to the extent possible within the state funding appropriated for this purpose.

(2) For the fiscal year beginning July 1, 2019, rates for private duty nursing and personal care services under the Early Periodic Screening, Diagnostic, and Treatment (EPSDT) Program shall be calculated based on the methodology in effect on June 30, 2019.

g. For the fiscal year beginning July 1, 2019, federally qualified health centers and rural health clinics shall receive cost-based reimbursement for 100 percent of the reasonable costs for the provision of services to recipients of medical assistance.

h. For the fiscal year beginning July 1, 2019, the reimbursement rates for dental services shall remain at the rates in effect on June 30, 2019.

i. (1) For the fiscal year beginning July 1, 2019, reimbursement rates for non-state-owned psychiatric medical institutions for children shall be based on the reimbursement methodology in effect on June 30, 2019.

(2) As a condition of participation in the medical assistance program, enrolled providers shall accept the medical assistance reimbursement rate for any covered goods or services provided to recipients of medical assistance who are children under the custody of a psychiatric medical institution for children.

j. For the fiscal year beginning July 1, 2019, unless otherwise specified in this Act, all noninstitutional medical assistance provider reimbursement rates shall remain at the rates in effect on June 30, 2019.
rates in effect on June 30, 2019, except for area education agencies, local education agencies, infant and toddler services providers, home and community-based services providers including consumer-directed attendant care providers under a section 1915(c) or 1915(i) waiver, targeted case management providers, and those providers whose rates are required to be determined pursuant to section 249A.20, or to meet federal mental health parity requirements.

k. Notwithstanding any provision to the contrary, for the fiscal year beginning July 1, 2019, the reimbursement rate for anesthesiologists shall remain at the rates in effect on June 30, 2019, and updated on January 1, 2020, to align with the most current Iowa Medicare anesthesia rate.

l. Notwithstanding section 249A.20, for the fiscal year beginning July 1, 2019, the average reimbursement rate for health care providers eligible for use of the federal Medicare resource-based relative value scale reimbursement methodology under section 249A.20 shall remain at the rate in effect on June 30, 2019; however, this rate shall not exceed the maximum level authorized by the federal government.

m. For the fiscal year beginning July 1, 2019, the reimbursement rate for residential care facilities shall not be less than the minimum payment level as established by the federal government to meet the federally mandated maintenance of effort requirement. The flat reimbursement rate for facilities electing not to file annual cost reports shall not be less than the minimum payment level as established by the federal government to meet the federally mandated maintenance of effort requirement.

n. For the fiscal year beginning July 1, 2019, the reimbursement rates for inpatient mental health services provided at hospitals shall remain at the rates in effect on June 30, 2019, subject to Medicaid program upper payment limit rules; and psychiatrists shall be reimbursed at the medical assistance program fee-for-service rate in effect on June 30, 2019.

o. For the fiscal year beginning July 1, 2019, community mental health centers may choose to be reimbursed for the services provided to recipients of medical assistance through either of the following options:

1. For 100 percent of the reasonable costs of the services.
2. In accordance with the alternative reimbursement rate methodology approved by the department of human services in

Requires the FY 2020 reimbursement rates for anesthesiologists remain at the rates in effect on June 30, 2019 and updated on January 1, 2020, to align with the most current Iowa Medicare anesthesia rate.

Requires the FY 2020 rates for health care providers eligible for use of the federal Medicare resource-based relative value scale reimbursement methodology remain at the rates in effect on June 30, 2019, and not exceed the maximum level authorized by the federal government.

 Requires the FY 2020 reimbursement rates for residential care facilities be no less than the minimum payment level required to meet the federal requirement.

Requires the FY 2020 reimbursement rates for inpatient psychiatric hospital services remain at the rates in effect on June 30, 2019, subject to Medicaid UPL rules and psychiatrist reimbursement rates remain at the rate in effect on June 30, 2019.

Allows Community Mental Health Centers (CMHCs) to choose between two different methodologies for reimbursement. The first option allows the CMHCs to be reimbursed at 100.00% of reasonable cost of service and uses a cost settlement methodology. The second option is based on rates in effect on June 30, 2019.

Sec. 33. USE OF REQUEST FOR PROPOSALS PROCESS —— PROHIBITED USE OF FUNDS FOR LOBBYING.

1. a. If an entity is not specified to receive moneys allocated or appropriated to administer a program or activity in this division of this Act and the department elects not to administer such program or activity internally, a request for proposals process shall be utilized to select an entity to administer such program or activity.

b. Unless otherwise specifically provided, the department shall not retain any portion of the funds allocated or appropriated for programs or activities administered by a specified entity or by an entity selected through a request for proposals process to be used for administrative costs under this division of this Act.

Sec. 34. USE OF FUNDS FOR LOBBYING.

1. a. If an entity is not specified to receive moneys allocated or appropriated to administer a program or activity in this division of this Act and the department elects not to administer such program or activity internally, a request for proposals process shall be utilized to select an entity to administer such program or activity.

b. Unless otherwise specifically provided, the department shall not retain any portion of the funds allocated or appropriated for programs or activities administered by a specified entity or by an entity selected through a request for proposals process to be used for administrative costs under this division of this Act.

Requires the FY 2020 statewide average reimbursement rates paid to shelter care providers remain at the rates in effect on June 30, 2019.

Requires the DHS to calculate reimbursement rates for intermediate care facilities for persons with intellectual disabilities (ICF/IDs) at the 80th percentile for FY 2020. The rate calculation methodology is required to use the inflation factor applicable for FY 2020.

Requires child care provider reimbursement rates remain at the rates in effect on June 30, 2019.

Allows the DHS to adopt emergency rules to implement reimbursement rates.

Specifies that unless noted in the appropriation or allocation, any funds that are to be distributed to a third party in this Division by the DHS are required to be distributed through a request for proposal process.

Specifies that the DHS cannot retain any funds allocated for third party contracts unless authorized.
61 11 c. The department shall submit a report to the individuals
61 12 identified in this Act for submission of reports by December
61 13 15, 2019, regarding the outcomes of any program or activity
61 14 administered by a specified entity or an entity selected
61 15 through a request for proposals process under this division of
61 16 this Act.

61 17 2. Moneys appropriated or allocated under this division of
61 18 this Act shall not be used, directly or indirectly, for the
61 19 compensation of a lobbyist. For the purposes of this section,
61 20 "lobbyist" means the same as defined in section 68B.2; however,
61 21 "lobbyist" does not include a person employed by a state agency
61 22 of the executive branch of state government who represents
61 23 the agency relative to the passage, defeat, approval, or
61 24 modification of legislation that is being considered by the
61 25 general assembly.

61 26 Sec. 34. EMERGENCY RULES.
61 27 1. If specifically authorized by a provision of this
61 28 division of this Act, the department of human services or
61 29 the mental health and disability services commission may
61 30 adopt administrative rules under section 17A.4, subsection
61 31 3, and section 17A.5, subsection 2, paragraph "b", to
61 32 implement the provisions of this division of this Act and
61 33 the rules shall become effective immediately upon filing or
61 34 on a later effective date specified in the rules, unless the
61 35 effective date of the rules is delayed or the applicability
61 36 1 of the rules is suspended by the administrative rules review
61 37 committee. Any rules adopted in accordance with this section
61 38 3 shall not take effect before the rules are reviewed by the
61 39 administrative rules review committee. The delay authority
61 40 provided to the administrative rules review committee under
61 41 section 17A.4, subsection 7, and section 17A.8, subsection 9,
61 42 shall be applicable to a delay imposed under this section,
61 43 notwithstanding a provision in those sections making them
61 44 inapplicable to section 17A.5, subsection 2, paragraph "b".
61 45 Any rules adopted in accordance with the provisions of this
61 46 section shall also be published as a notice of intended action
61 47 as provided in section 17A.4.

61 48 2. If during a fiscal year, the department of human
61 49 services is adopting rules in accordance with this section
61 50 or as otherwise directed or authorized by state law, and the
61 51 rules will result in an expenditure increase beyond the amount
61 52 anticipated in the budget process or if the expenditure was
61 53 not addressed in the budget process for the fiscal year, the
61 54 department shall notify the persons designated by this division
61 55 of this Act for submission of reports, the chairpersons and

Requires the DHS to report to the Chairpersons and Ranking Members of the Appropriations Committees, the LSA, and the DOM by December 15, 2019 regarding the outcomes of any program or activity administered by a third party vendor.

Requires the DHS to adopt emergency rules to implement the Section dealing with reimbursement rates.

Specifies that any funds appropriated or allocated under this Division by the DHS are not to be used for lobbying activities or compensation of a lobbyist.

Requires the DHS to report to the Chairpersons and Ranking Members of the Appropriations Committees, the LSA, and the DOM at least 30 days prior to submitting rules that have a fiscal impact that was not addressed in the budget process.
ranking members of the committees on appropriations, and
the department of management concerning the rules and the
expenditure increase. The notification shall be provided at
least 30 calendar days prior to the date notice of the rules
is submitted to the administrative rules coordinator and the
administrative code editor.

Sec. 35. REPORTS. Any reports or other information
required to be compiled and submitted under this Act during the
fiscal year beginning July 1, 2019, shall be submitted to the
chairpersons and ranking members of the joint appropriations
subcommittee on health and human services, the legislative
services agency, and the legislative caucus staffs on or
before the dates specified for submission of the reports or
information.

Sec. 36. EFFECTIVE UPON ENACTMENT. The following
provisions of this division of this Act, being deemed of
immediate importance, take effect upon enactment:
1. The provision relating to section 232.141 and directing
the state court administrator and the division administrator of
the department of human services division of child and family
services to make the determination, by June 15, 2019, of the
distribution of funds allocated for the payment of the expenses
of court-ordered services provided to juveniles which are a
charge upon the state.

b. In addition, the work group membership shall include four members of the general assembly. The legislative members shall serve as ex officio, nonvoting members of the work group, with one member to be appointed by each of the following:

Directs the Division of Criminal and Juvenile Justice Planning (CJJP) of the Department of Human Rights to convene a work group to review and develop a plan to transfer graduated sanctions and court-ordered services funding, and oversight of group foster care placements, from DHS to the Office of the State Court Administrator.

Specifies the membership of the work group and that any expenses incurred by a member of the work group shall be the responsibility of the individual member or the respective entity represented by the member.
majority leader of the senate, the minority leader of the senate, the speaker of the house of representatives, and the minority leader of the house of representatives. c. In addition to the members specified, the division of criminal and juvenile justice planning may include other stakeholders with interest or expertise on the work group. d. Any expenses incurred by a member of the work group shall be the responsibility of the individual member or the respective entity represented by the member.

4. The work group shall do all of the following:
   a. Develop an action plan to transfer the administration of juvenile court graduated sanction services, court-ordered services, and associated funding from the department to the office of the state court administrator by July 1, 2020.
   b. Develop an action plan to transfer the oversight of group foster care services for eligible children from the department to the office of the state court administrator or other appropriate state entity with the necessary expertise to provide such services by July 1, 2020.
   c. Evaluate current resources to determine the most efficient means of suitably equipping the office of the state court administrator with the policies and legal authority; staffing; contracting, procurement, data, and quality assurance capabilities; and other resources necessary to manage such funds and associated services effectively. The evaluation shall require collaboration with the department to manage transition activities.
   d. Recommend statutory and administrative policies and court rules to promote collaborative case planning and quality assurance between the department and juvenile court services for youth who may be involved in both the child welfare and juvenile justice systems or who may utilize the same providers or services.
   e. Determine the impact and role of the federal Family First Prevention Services Act relative to the various funding streams and services under the purview of the work group, and recommend statutory and administrative policies and rules to coordinate the duties of the work group with implementation and administration of the federal Act.
   f. Determine the role of the decategorization of child welfare and juvenile justice funding initiative pursuant to section 232.188 relative to the other funding streams and services under the purview of the work group, and make recommendations regarding the future of the initiative including the potential transfer of administration of the initiative from the department to the office of the state court administrator.

Requires the work group to do the following:

- Create a plan to transfer the administration of funding for graduated sanctions and court-ordered services from DHS to the Office of the State Court Administrator by FY 2021.
- Create a plan to transfer oversight of group foster care services from DHS to the Office of the State Court Administrator, or another appropriate State entity, by FY 2021.
- Create a plan for the process of the transfers.
- Recommend the necessary Iowa Code, Administrative Rules, or Court Rules changes to promote collaborative case planning and quality assurance for the youth in the system.
- Consult with other state juvenile court systems and experts to review administration of similar programs.
g. Consult with other state juvenile court systems and subject matter experts to review administration of similar programs, to glean information on lessons learned and best practices, and to determine the types of community and residential services that have demonstrated effectiveness for eligible children.

5. The division of criminal and juvenile justice planning of the department of human rights shall submit a report of the findings and recommendations of the work group to the governor and the general assembly by December 15, 2019.

DIVISION VIII
PLAN FOR TRANSFER OF DEPARTMENT OF PUBLIC HEALTH, DIVISION OF BEHAVIORAL HEALTH, BUREAU OF SUBSTANCE ABUSE TO DEPARTMENT OF HUMAN SERVICES

Sec. 42. PLAN FOR TRANSFER OF DEPARTMENT OF PUBLIC HEALTH, DIVISION OF BEHAVIORAL HEALTH, BUREAU OF SUBSTANCE ABUSE TO DEPARTMENT OF HUMAN SERVICES. The department of public health and the department of human services shall collaborate to develop a plan to transfer the duties; full-time positions and associated expenses; federal, state, and other funds; and all other associated operations of the department of public health, division of behavioral health, bureau of substance abuse, including the authority to be the single state substance use authority, to the department of human services. The plan shall be submitted to the governor and the general assembly by December 15, 2019.

MEDICAID MANAGED CARE CONTRACTS

Sec. 43. MEDICAID MANAGED CARE CONTRACTS —— NOTIFICATION TO GENERAL ASSEMBLY. The department of human services shall notify the chairpersons and ranking members of the joint appropriations subcommittee on health and human services, the legislative services agency, and the legislative caucus staffs as follows:

1. Within thirty days of the execution of a Medicaid managed care contract or amendment to a Medicaid managed care contract.

2. Within thirty days of the determination by the department during each measurement year whether to return the incentive payment withhold amount to the Medicaid managed care organization based upon performance and the criteria used in making the determination.

Requires the CJJP to submit a report on the work group's findings to the Governor and the General Assembly by December 15, 2019.

Requires the DPH and the DHS to develop a plan to transfer the Bureau of Substance Abuse to the DHS. The plan is to be submitted to the Governor and the General Assembly by December 15, 2019.

Requires the DHS to notify the Chairpersons and Ranking Members of the Health and Human Services Appropriations Subcommittee, the LSA, and caucus staff within 30 days of execution or amendment of a MCO contract, and within 30 days of determining the incentive payment withhold amount.
DIVISION X
IOWA DEPARTMENT ON AGING — MEDICAID CLAIMING

Sec. 44. IOWA DEPARTMENT ON AGING — MEDICAID CLAIMING. The department on aging and the department of human services shall continue to collaborate to develop a cost allocation plan requesting Medicaid administrative funding to provide for the claiming of federal financial participation for aging and disability resource center activities that are performed to assist with administration of the Medicaid program. By January 1, 2021, the department of human services shall submit to the centers for Medicare and Medicaid services of the United States department of health and human services any Medicaid state plan amendment as necessary and shall enter into any interagency agreement with the department on aging to implement this section.

DIVISION XI
DECATEGORIZATION FY 2017 CARRYOVER FUNDING

Sec. 45. DECATEGORIZATION CARRYOVER FUNDING FY 2017 —— TRANSFER TO MEDICAID PROGRAM. Notwithstanding section 232.188, subsection 5, paragraph “b”, any state-appropriated moneys in the funding pool that remained unencumbered or unobligated at the close of the fiscal year beginning July 1, 2016, and were deemed carryover funding to remain available for the two succeeding fiscal years that still remain unencumbered or unobligated at the close of the fiscal year beginning July 1, 2018, shall not revert but shall be transferred to the medical assistance program for the fiscal year beginning July 1, 2019.

Sec. 46. EFFECTIVE DATE. This division of this Act, being deemed of immediate importance, takes effect upon enactment.

Sec. 47. RETROACTIVE APPLICABILITY. This division of this Act applies retroactively to July 1, 2018.

DIVISION XII
PRIOR APPROPRIATIONS AND OTHER PROVISIONS

Sec. 48. 2017 Iowa Acts, chapter 174, section 45, as amended by 2018 Iowa Acts, chapter 1165, section 10, is amended to read:

3 are employed, followed by other priorities as specified by the
4 department.

FAMILY INVESTMENT PROGRAM ADJUSTMENTS
Sec. 49. 2017 Iowa Acts, chapter 174, section 46, subsection
4, as amended by 2018 Iowa Acts, chapter 1165, section 11, is
amended to read as follows:

4. Moneys appropriated in this division of this Act and
credited to the FIP account for the fiscal year beginning July
1, 2018, and ending June 30, 2019, are allocated as follows:

a. To be retained by the department of human services to
be used for coordinating with the department of human rights
to more effectively serve participants in FIP and other shared
clients and to meet federal reporting requirements under the
federal temporary assistance for needy families block grant:

...................................................................... $ 5,000

b. To the department of human rights for staffing,
administration, and implementation of the family development
and self-sufficiency grant program in accordance with section
216A.107:

...................................................................... $ 6,192,834

(1) Of the funds allocated for the family development
and self-sufficiency grant program in this paragraph “b”,
not more than 5 percent of the funds shall be used for the
administration of the grant program.

(2) The department of human rights may continue to implement
the family development and self-sufficiency grant program

(3) The department of human rights may engage in activities
to strengthen and improve family outcomes measures and
data collection systems under the family development and
self-sufficiency grant program.

c. For the diversion subaccount of the FIP account:

...................................................................... $ 749,694

A portion of the moneys allocated for the subaccount may
be used for field operations, salaries, data management
system development, and implementation costs and support
deemed necessary by the director of human services in order to
administer the FIP diversion program. To the extent moneys
allocated in this paragraph “c” are deemed by the department
not to be necessary to support diversion activities, such

Increases the FY 2019 FIP Account appropriation for the FaDSS
Program by $15,000.

DETAIL: The increase is to restore the DHS administrative costs to the

Subaccount by $65,306.

DETAIL: The increase is to restore the Diversion Subaccount to the
FY 2018 funding level.
moneys may be used for other efforts intended to increase engagement by family investment program participants in work, education, or training activities, or for the purposes of assistance under the family investment program in accordance with chapter 239B.

d. For the food assistance employment and training program:

(1) The department shall apply the federal supplemental nutrition assistance program (SNAP) employment and training state plan in order to maximize to the fullest extent permitted by federal law the use of the 50 percent federal reimbursement provisions for the claiming of allowable federal reimbursement funds from the United States department of agriculture pursuant to the federal SNAP employment and training program for providing education, employment, and training services for eligible food assistance program participants, including but not limited to related dependent care and transportation expenses.

(2) The department shall continue the categorical federal food assistance program eligibility at 160 percent of the federal poverty level and continue to eliminate the asset test from eligibility requirements, consistent with federal food assistance program requirements. The department shall include as many food assistance households as is allowed by federal law. The eligibility provisions shall conform to all federal requirements including requirements addressing individuals who are incarcerated or otherwise ineligible.

e. For the JOBS program:

$12,139,821

Decreases the FY 2019 FIP Account appropriation for the PROMISE JOBS Program by $220,000.

DETAIL: The decrease is due to funds not being expended during FY 2019 due to fewer referrals to the Program.

MEDICAL ASSISTANCE PROGRAM ADJUSTMENT

Sec. 50. 2017 Iowa Acts, chapter 174, section 51, unnumbered paragraph 2, as amended by 2018 Iowa Acts, chapter 1165, section 18, is amended to read as follows:

For medical assistance program reimbursement and associated costs as specifically provided in the reimbursement methodologies in effect on June 30, 2018, except as otherwise expressly authorized by law, consistent with options under federal law and regulations, and contingent upon receipt of approval from the office of the governor of reimbursement for each abortion performed under the program:

$1,337,841,375

General Fund supplemental appropriation of $150,300,000 for the Medicaid Program in FY 2019.
GROUP FOSTER CARE REALLOCATION

Sec. 51. 2017 Iowa Acts, chapter 174, section 57, subsection 3, paragraph a, as amended by 2018 Iowa Acts, chapter 1165, section 28, is amended to read as follows:

3. a. Of the funds appropriated in this section, up to $34,536,648 is allocated as the statewide expenditure target under section 232.143 for group foster care maintenance and services. If the department projects that such expenditures for the fiscal year will be less than the target amount allocated in this paragraph “a”, the department may reallocate the excess to provide additional funding for family foster care, independent living, family safety, risk and permanency services, or the child welfare emergency services addressed with the allocation for shelter care.

SHELTER CARE ALLOCATION

Sec. 52. 2017 Iowa Acts, chapter 174, section 57, subsection 6, as amended by 2018 Iowa Acts, chapter 1165, section 28, is amended to read as follows:

6. Notwithstanding section 234.35 or any other provision of law to the contrary, state funding of the funds appropriated in this section, a sufficient amount is allocated for shelter care and the child welfare emergency services contracting implemented to provide for or prevent the need for shelter care shall be limited to $8,096,158.

OTHER FUNDING FOR CHILD WELFARE SERVICES

Sec. 53. 2017 Iowa Acts, chapter 174, section 57, subsection 6, as amended by 2018 Iowa Acts, chapter 1165, section 28, is amended by adding the following new subsection:

NEW SUBSECTION 24. If a separate funding source is identified that reduces the need for state funds within an allocation under this section, the allocated state funds may be redistributed to other allocations under this section for the same fiscal year.

CODE: Amends the FY 2019 allocation from the General Fund appropriation for Child and Family Services, allocation for Group Foster Care, to expand the list of other permissible services to include family foster care, independent living, and family safety, risk, and permanency services.

DETAIL: This will allow for spending on more core services if group care expenditures come in under the target. This language is included in the FY 2020 allocations.

CODE: Amends the allocation from the FY 2019 General Fund appropriation for Child and Family Services, allocation for shelter care and child welfare emergency services, by removing the financial limitation.

DETAIL: The prior allocation for group foster care permitted extra funds to be spent on these services. This language is included in the FY 2020 allocations.

CODE: Amends the FY 2019 General Fund appropriation for Child and Family Services to specify that if other funding is available, the allocations of State funds in this Section may be substituted with the other funding source.

DETAIL: Child and Family Services other funding sources include Title IV-B and IV-E of the Social Security Act, TANF, and the Social Services Block Grant. This language is included in the FY 2020 allocations.

Specifies that the Division amending FY 2019 appropriations is effective upon enactment.

Specifies that the Division amending FY 2019 appropriations is retroactive to July 1, 2018.
DIVISION XIII

HOSPITAL HEALTH CARE ACCESS ASSESSMENT PROGRAM FUTURE REPEAL

Sec. 56. Section 249M.5, Code 2019, is amended to read as follows:

249M.5  FUTURE REPEAL.

This chapter is repealed July 1, 2021.

Sec. 57. EFFECTIVE DATE. This division of this Act, being deemed of immediate importance, takes effect upon enactment.

DIVISION XIV

MENTAL HEALTH AND DISABILITY SERVICES —— TRANSFER OF FUNDS

Sec. 58. MENTAL HEALTH AND DISABILITY SERVICES —— TRANSFER OF FUNDS. Notwithstanding section 331.432, a county with a population of over 300,000 based on the most recent federal decennial census, may transfer funds from any other fund of the county to the mental health and disability regional services fund for the purposes of providing mental health and disability services for the fiscal year beginning July 1, 2019, and ending June 30, 2020. The county shall submit a report to the governor and the general assembly by September 1, 2020, including the source of any funds transferred, the amount of the funds transferred, and the mental health and disability services provided with the transferred funds.

DIVISION XV

OPERATION OF BOARD OF MEDICINE, BOARD OF NURSING, BOARD OF PHARMACY, AND THE DENTAL BOARD

Sec. 59. Section 135.11A, subsection 1, Code 2019, is amended to read as follows:

1. There shall be a professional licensure division within the department of public health. Each board under chapter 147 or under the administrative authority of the department, except the board of nursing, board of medicine, dental board, and board of pharmacy, shall receive administrative and clerical support from the division and may not employ its own support staff for administrative and clerical duties. The executive director of the board of nursing, board of medicine, dental board, and board of pharmacy shall be appointed pursuant to section 135.11B.

Sec. 60. NEW SECTION  135.11B APPOINTMENT OF CERTAIN EXECUTIVE DIRECTORS.

1. The director shall appoint and supervise a full-time executive director for each of the following boards:

CODE: Extends the repeal of the Hospital Health Care Access Assessment Program until the end of FY 2021.

CODE: Specifies that the Division relating to the repeal of the Hospital Health Care Access Provider Assessment is effective upon enactment.

CODE: Allows Polk County to transfer funds from any other fund of the county to the County Mental Health and Disability Services Fund in FY 2020. Polk County is required to submit a report to the Governor and the General Assembly September 1, 2020, detailing the transfer of funds.

CODE: Technical conforming change.

CODE: Modifies the appointment of the executive directors for the Board of Medicine, Board of Nursing, Dental Board, and Board of Pharmacy by establishing the DPH Director will appoint and supervise these positions.
a. The board of medicine.

b. The board of nursing.

c. The dental board.

d. The board of pharmacy.

2. Each board listed in subsection 1 shall advise the director in evaluating potential candidates for the position of executive director, consult with the director in the hiring of the executive director, and review and advise the director on the performance of the executive director in the discharge of the executive director's duties.

3. Each board listed in subsection 1 shall retain sole discretion and authority to execute the core functions of the board including but not limited to policymaking, advocating for and against legislation, rulemaking, licensing, licensee investigations, licensee disciplinary proceedings, and oversight of professional health programs. The director's supervision of the executive director shall not interfere with the board's discretion and authority in executing the core functions of the board.

Sec. 61. Section 147.80, subsection 3, Code 2019, is amended to read as follows:

3. The board of medicine, the board of pharmacy, the dental board, and the board of nursing shall retain individual executive officers pursuant to section 135.11B, but shall make every effort to share administrative, clerical, and investigative staff to the greatest extent possible.

Sec. 62. Section 152.2, Code 2019, is amended to read as follows:

152.2 EXECUTIVE DIRECTOR.

The board shall appoint a full-time executive director, who shall be appointed pursuant to section 135B.11. The executive director shall be a registered nurse and shall not be a member of the board. The governor, with the approval of the executive council pursuant to section 8A.413, subsection 3, under the pay plan for exempt positions in the executive branch of government, shall set the salary of the executive director.

Sec. 63. Section 153.33, subsection 2, Code 2019, is amended to read as follows:

2. All employees needed to administer this chapter except the executive director shall be appointed pursuant to the merit system. The executive director shall serve at the pleasure of the board, be appointed pursuant to section 135.11B and shall...
be exempt from the merit system provisions of chapter 8A,
subchapter IV.
