DIVISION I

DEPARTMENT ON AGING — FY 2019-2020

Section 1. DEPARTMENT ON AGING. There is appropriated from
the general fund of the state to the department on aging for
the fiscal year beginning July 1, 2019, and ending June 30,
2020, the following amount, or so much thereof as is necessary,
to be used for the purposes designated:

For aging programs for the department on aging and area
agencies on aging to provide citizens of Iowa who are 60 years
of age and older with case management for frail elders, Iowa’s
aging and disabilities resource center, and other services
which may include but are not limited to adult day services,
respite care, chore services, information and assistance,
and material aid, for information and options counseling for
persons with disabilities who are 18 years of age or older,
and for salaries, support, administration, maintenance, and
miscellaneous purposes, and for not more than the following
full-time equivalent positions:

$11,191,441  
FTEs 27.00

Funds appropriated in this section may be used to
receive federal funds under federal regulations. To
agency on aging shall match the funds with moneys from other
sources according to rules adopted by the department. Funds
appropriated in this section may be used for elderly services
not specifically enumerated in this section only if approved
by an area agency on aging for provision of the service within
the area.

Of the funds appropriated in this section, $279,000 is
transferred to the economic development authority for the Iowa
commission on volunteer services to be used for the retired and
senior volunteer program.

The department on aging shall establish and enforce
procedures relating to expenditure of state and federal funds
by area agencies on aging that require compliance with both
state and federal laws, rules, and regulations, including but
not limited to all of the following:

1. Requiring that expenditures are incurred only for goods

General Fund appropriation to the Department on Aging (IDA) for
FY 2020.

DETAIL: This is an increase of $148,517 and 9.00 full-time equivalent
(FTE) positions compared to estimated net FY 2019. The changes
include the following:

• An increase of $150,000 to expand the Pre-Medicaid Pilot Project.
• A decrease of $1,483 due to a general reduction.
• An increase of 9.00 FTE positions to match the FY 2019 authorized amount.

Permits the use of funds appropriated in this Section to supplement
federal funds for elderly services if those services are approved by an
Area Agency on Aging (AAA). Requires local AAAs to match the funds
for aging programs and services.

Requires a transfer of $279,000 to the Iowa Commission on Volunteer
Service in the Iowa Economic Development Authority for the Retired
and Senior Volunteer Program (RSVP).

DETAIL: This is a decrease of $946 compared to the estimated net
FY 2019 allocation due to a general reduction. The RSVP engages
adults age 55 years and older in meaningful volunteer opportunities.

Requires the IDA to establish and enforce procedures related to
expenditures of State and federal funds and to comply with both State
and federal law. An AAA is liable for any expenditures that are not in
compliance with the law.
or services received or performed prior to the end of the fiscal period designated for use of the funds.

(2) Prohibiting prepayment for goods or services not received or performed prior to the end of the fiscal period designated for use of the funds.

(3) Prohibiting prepayment for goods or services not defined specifically by good or service, time period, or recipient.

(4) Prohibiting the establishment of accounts from which future goods or services which are not defined specifically by good or service, time period, or recipient, may be purchased.

b. The procedures shall provide that if any funds are expended in a manner that is not in compliance with the procedures and applicable federal and state laws, rules, and regulations, and are subsequently subject to repayment, the area agency on aging expending such funds in contravention of such procedures, laws, rules and regulations, not the state, shall be liable for such repayment.

4. Of the funds appropriated in this section, at least $600,000 shall be used to fund home and community-based services through the area agencies on aging that enable older individuals to avoid more costly utilization of residential or institutional services and remain in their own homes.

5. Of the funds appropriated in this section, $812,000 shall be used for the purposes of chapter 231E and to administer the prevention of elder abuse, neglect, and exploitation program pursuant to section 231.56A, in accordance with the requirements of the federal Older Americans Act of 1965, 42 U.S.C.§3001 et seq., as amended.

6. Of the funds appropriated in this section, $1,000,000 shall be used to fund continuation of the aging and disability resource center lifelong links to provide individuals and caregivers with information and services to plan for and maintain independence.

Allocates at least $600,000 to be used for Home and Community-Based Services (HCBS) provided through AAAs.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Allocates $812,000 for the Office of Public Guardian and for the prevention of elder abuse, neglect, and exploitation.

DETAIL: This is a decrease of $537 compared to the estimated net FY 2019 allocation due to a general reduction.

The Office of Public Guardian works with individuals who are not capable of making their own decisions about legal, financial, or health care matters. Depending on the situation, the Office may act as an individual's guardian, conservator, attorney-in-fact under a health care power of attorney document, agent under a financial power of attorney document, personal representative, or representative payee.

Allocates $1,000,000 to continue the LifeLong Links Resource Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation. LifeLong Links helps to connect older adults, adults with disabilities, veterans, and their caregivers to local service providers who can help these individuals maintain their independence at home or in the community of their choice.
7. Of the funds appropriated in this section, $250,000 shall be used by the department on aging, in collaboration with the department of human services and affected stakeholders, to expand the pilot initiative to provide long-term care options counseling utilizing support planning protocols, to assist non-Medicaid eligible consumers who indicate a preference to return to the community and are deemed appropriate for discharge, to return to their community following a nursing facility stay. The department on aging shall submit a report regarding the outcomes of the pilot initiative to the governor and the general assembly by December 15, 2019.

DIVISION II
OFFICE OF LONG-TERM CARE OMBUDSMAN —— FY 2019-2020

Sec. 2. OFFICE OF LONG-TERM CARE OMBUDSMAN. There is appropriated from the general fund of the state to the office of long-term care ombudsman for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For salaries, support, administration, maintenance, and miscellaneous purposes, and for not more than the following full-time equivalent positions:

- $1,149,821
- FTEs 16.00

DIVISION III
DEPARTMENT OF PUBLIC HEALTH —— FY 2019-2020

Sec. 3. DEPARTMENT OF PUBLIC HEALTH. There is appropriated from the general fund of the state to the department of public health for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. ADDICTIVE DISORDERS

For reducing the prevalence of the use of tobacco, alcohol, and other drugs, and treating individuals affected by addictive behaviors, including gambling, and for not more than the following full-time equivalent positions:

- $25,110,000
- FTEs 11.00

Allocates $250,000 to continue and expand a Pre-Medicaid Pilot Project.

DETAIL: This an increase of $150,000 compared to the estimated net FY 2019 allocation. The Project works to keep individuals in the community and out of long-term care facilities following a nursing facility stay. The goal of the Project is to gather data on potential savings to Medicaid and apply for a Section 1115 Medicaid waiver to draw down federal matching funds to expand the Project statewide. The Department is required to submit a report with the outcomes of the Project to the Governor and General Assembly by December 15, 2019.

General Fund appropriation to the Office of Long-Term Care Ombudsman for FY 2019.

DETAIL: This is no change in funding and an increase of 5.00 FTE positions compared to estimated net FY 2019. The increase in FTE positions is to match the FY 2019 authorized amount.

General Fund appropriation to Addictive Disorders programs.

DETAIL: This is an increase of $305,656 and no change in FTE positions compared to estimated net FY 2019. Changes include:

- An increase of $306,000 to expand the Your Life Iowa treatment information service to include information on the Iowa Children's Behavioral Health System.
- A decrease of $344 due to a general reduction.
a. (1) Of the funds appropriated in this subsection, $4,021,000 shall be used for the tobacco use prevention and control initiative, including efforts at the state and local levels, as provided in chapter 142A. The commission on tobacco use prevention and control established pursuant to section 142A.3 shall advise the director of public health in prioritizing funding needs and the allocation of moneys appropriated for the programs and initiatives. Activities of the programs and initiatives shall be in alignment with the United States centers for disease control and prevention best practices for comprehensive tobacco control programs that include the goals of preventing youth initiation of tobacco usage, reducing exposure to secondhand smoke, and promotion of tobacco cessation. To maximize resources, the department shall determine if third-party sources are available to instead provide nicotine replacement products to an applicant prior to provision of such products to an applicant under the initiative. The department shall track and report to the individuals specified in this Act, any reduction in the provision of nicotine replacement products realized by the initiative through implementation of the prerequisite screening.

(2) (a) The department shall collaborate with the alcoholic beverages division of the department of commerce for enforcement of tobacco laws, regulations, and ordinances and to engage in tobacco control activities approved by the division of tobacco use prevention and control of the department of public health as specified in the memorandum of understanding entered into between the divisions.

b. (1) Of the funds appropriated in this subsection, $21,089,000 shall be used for problem gambling and substance-related disorder prevention, treatment, and recovery services, including a 24-hour helpline, public information resources, professional training, youth prevention, and program evaluation.

Allocates $4,021,000 for tobacco use prevention and control initiatives, including Community Partnerships. Requires activities of the Commission on Tobacco Use Prevention and Control to align with U.S. Centers for Disease Control and Prevention (CDC) best practices. Requires a report on any reduction in providing nicotine replacement products realized by screening for third-party sources of funding for the nicotine replacement products.

DETAIL: This is a decrease of $225 compared to the estimated net FY 2019 allocation due to a general reduction. The Commission on Tobacco Use Prevention and Control works to reduce tobacco use and the toll of tobacco-related diseases and death by preventing youth from starting tobacco use, helping adults and youths quit, and preventing exposure to secondhand tobacco smoke.

Requires the Department of Public Health (DPH) to collaborate with the Alcoholic Beverages Division (ABD) of the Department of Commerce for enforcement of tobacco laws, regulations, and ordinances. Limits tobacco compliance checks by the ABD to one annually per retail outlet and one additional check for any retail outlet found to be in violation during the first check.

Allocates $21,089,000 for problem gambling and substance abuse treatment and prevention.

DETAIL: This is an increase of $305,881 compared to the estimated net FY 2019 allocation.
Of the amount allocated under this paragraph, $306,000 shall be utilized by the department of public health, in collaboration with the department of human services, to support establishment and maintenance of a single statewide 24-hour crisis hotline for the Iowa children's behavioral health system that incorporates warmline services which may be provided through expansion of existing capabilities maintained by the department of public health as required pursuant to 2018 Iowa Acts, chapter 1056, section 16.

c. The requirement of section 123.17, subsection 5, is met by the appropriations and allocations made in this division of this Act for purposes of substance-related disorder treatment and addictive disorders for the fiscal year beginning July 1, 2019.

2. HEALTHY CHILDREN AND FAMILIES
For promoting the optimum health status for children and adolescents from birth through 21 years of age, and families, and for not more than the following full-time equivalent positions:

a. Of the funds appropriated in this subsection, not more than $734,000 shall be used for the healthy opportunities for parents to experience success (HOPES)-healthy families Iowa (HFI) program established pursuant to section 135.106. The funding shall be distributed to renew the grants that were provided to the grantees that operated the program during the fiscal year 2019.

- An increase of $306,000 for the Your Life Iowa information referral service.
- A decrease of $119 due to a general reduction.

Requires the DPH to use $306,000 to expand the Your Life Iowa information referral service to include information on the Iowa Children's Behavioral Health System.

DETAIL: This is a new allocation. Funding will be used for website updates, hotline staffing, and health promotion.

NOTE: The Bill also transfers $32,000 from the Department of Human Services (DHS) General Administration appropriation to the DPH for the Your Life Iowa expansion. This brings the total funding for the expansion to $338,000 for FY 2020.

Specifies that the requirements of Iowa Code section 123.17 are met by the appropriations made in this Bill.

DETAIL: This Iowa Code section requires the Department of Commerce to transfer $2,000,000, plus an amount determined by the General Assembly, from the Beer and Liquor Control Fund to the General Fund for the Comprehensive Substance Abuse Program.

General Fund appropriation to Healthy Children and Families programs.

DETAIL: This is a decrease of $3,568 and no change in FTE positions compared to estimated net FY 2019. The decrease is due to a general reduction.

Limits the General Fund amount used to fund the Healthy Opportunities to Experience Success - Healthy Families Iowa (HOPES-HFI) Program to $734,000.

DETAIL: This is a decrease of $841 compared to the estimated net FY 2019 allocation due to a general reduction. This Program provides...
fiscal year ending June 30, 2018. However, the department shall issue a request for proposals and distribute grants to the grantees selected to operate the program no later than January 1, 2020. The department shall not retain any portion of the allocation under this paragraph for administrative costs.

b. In order to implement the legislative intent stated in sections 135.106 and 256I.9, priority for home visitation program funding shall be given to programs using evidence-based or promising models for home visitation.

c. Of the funds appropriated in this subsection, $3,075,000 shall be used for continuation of the department's initiative to provide for adequate developmental surveillance and screening during a child's first five years. The funds shall be used first to fully fund the current sites to ensure that the sites are fully operational, with the remaining funds to be used for expansion to additional sites. The full implementation and expansion shall include enhancing the scope of the initiative through collaboration with the child health specialty clinics to promote healthy child development through early identification and response to both biomedical and social determinants of healthy development; by monitoring child health metrics to inform practice, document long-term health impacts and savings, and provide for continuous improvement through training, education, and evaluation; and by providing practitioner consultation particularly for children with behavioral conditions and needs. The department of public health shall also collaborate with the Iowa Medicaid enterprise and the child health specialty clinics to integrate the activities of the first five initiative into the establishment of patient-centered medical homes, community utilities, accountable care organizations, and other integrated care models developed to improve health quality and population health while reducing health care costs. To the maximum extent possible, funding allocated in this paragraph shall be utilized as matching funds for medical assistance program reimbursement.

d. Of the funds appropriated in this subsection, $64,000 shall be distributed to a statewide dental carrier to provide funds to continue the donated dental services program patterned after the projects developed by the lifeline network to provide dental services to indigent individuals who are elderly or with support for families through home visits that begin during pregnancy or at the birth of a child, and can continue through age four.

Although the language continues the contract with the current contractor, the DPH is required to issue a request for proposals (RFP) for the funds allocated and to execute a contract with the contractor selected to administer the program no later than January 1, 2020. The DHS cannot retain any portion of the allocation under this subsection for administrative costs.

Allocates $3,075,000 for the Iowa 1st Five Healthy Mental Development Initiative programs.

DETAIL: This is a decrease of $101 compared to the estimated net FY 2019 allocation due to a general reduction. This is a public-private mental development initiative that partners primary care and public health services in Iowa to enhance high-quality well-child care. The 1st Five Model supports health providers in the earlier detection of socioemotional delays, developmental delays, and family risk-related factors in children from birth to age five. The Initiative then coordinates referrals, interventions, and follow-up.

Allocates $64,000 for a Donated Dental Services Program for indigent elderly and disabled individuals.

DETAIL: This is a decrease of $640 compared to the estimated net FY 2019 allocation due to a general reduction.

- $4,223,519
- FTEs 9.00

a. Of the funds appropriated in this subsection, $153,000 shall be used for grants to individual patients who have an inherited metabolic disorder to assist with the costs of medically necessary foods and formula.

b. Of the funds appropriated in this subsection, $1,055,000 shall be used for the brain injury services program pursuant to section 135.22B, including for contracting with an existing nationally affiliated and statewide organization whose purpose is to educate, serve, and support Iowans with brain injury and their families, for resource facilitator services in accordance with section 135.22B, subsection 9, and for contracting to enhance brain injury training and recruitment of service providers on a statewide basis. Of the amount allocated in this paragraph, $95,000 shall be used to fund one full-time equivalent position to serve as the state brain injury services program manager.

c. Of the funds appropriated in this subsection, $144,000 shall be used for the public purpose of continuing to contract with an existing national-affiliated organization to provide education, client-centered programs, and client and family support for people living with epilepsy and their families. The amount allocated in this paragraph shall be matched dollar-for-dollar by the organization specified.

d. Of the funds appropriated in this subsection, $809,000 shall be used for child health specialty clinics.

General Fund appropriation to Chronic Conditions programs.

DETAIL: This is a decrease of $304,590 and no change in FTE positions compared to estimated net FY 2019. Changes include:

- A decrease of $300,000 to the Office of Medical Cannabidiol.
- A decrease of $4,590 due to a general reduction.

Allocates $153,000 for grants to individual patients with inherited metabolic disorders to assist with necessary costs for special foods.

DETAIL: This is a decrease of $755 compared to the estimated net FY 2019 allocation due to a general reduction. The grants assist with the costs of necessary special foods and supplements for individual patients with phenylketonuria (PKU) or other inherited metabolic disorders. Funds are provided to individuals only after they have shown that all benefits from third-party payors and other government assistance programs have been exhausted.

Allocates $1,055,000 for continuation of the two contracts in the DPH Brain Injury Services Program for facilitator services, training services, and provider recruitment.

DETAIL: This is a decrease of $291 compared to the estimated net FY 2019 allocation due to a general reduction. The Brain Injury Services Program, established in Iowa Code section 135.22B, works to improve the lives of Iowans living with brain injuries and the lives of their families by linking people with services, promoting safety to prevent brain injuries, and training providers to best work with individuals who have sustained a brain injury. Most of this work is achieved through a contract with the Brain Injury Alliance of Iowa.

Allocates $144,000 for epilepsy education and support. The allocation requires a dollar-for-dollar match of the funds.

DETAIL: This is a decrease of $97 compared to the estimated net FY 2019 allocation due to a general reduction. The dollar-for-dollar match for all funds is a change from FY 2019, which only required a dollar-for-dollar match for funds above $100,000. Funding provides for education, client-centered programs, and client and family support for people and families of people living with epilepsy.

Allocates $809,000 for the Child Health Specialty Clinics (CHSC).

DETAIL: This is a decrease of $550 compared to the estimated net
e. Of the funds appropriated in this subsection, $384,000 shall be used by the regional autism assistance program established pursuant to section 256.35, and administered by the child health specialty clinic located at the university of Iowa hospitals and clinics. The funds shall be used to enhance interagency collaboration and coordination of educational, medical, and other human services for persons with autism, their families, and providers of services, including delivering regionalized services of care coordination, family navigation, and integration of services through the statewide system of regional child health specialty clinics and fulfilling other requirements as specified in chapter 225D. The university of Iowa shall not receive funds allocated under this paragraph for indirect costs associated with the regional autism assistance program.

f. Of the funds appropriated in this subsection, $577,000 shall be used for the comprehensive cancer control program to reduce the burden of cancer in Iowa through prevention, early detection, effective treatment, and ensuring quality of life. Of the funds allocated in this paragraph “f”, $150,000 shall be used to support a melanoma research symposium, a melanoma biorepository and registry, basic and translational melanoma research, and clinical trials.

g. Of the funds appropriated in this subsection, $97,000 shall be used for cervical and colon cancer screening, and $177,000 shall be used to enhance the capacity of the cervical cancer screening program to include provision of recommended prevention and early detection measures to a broader range of low-income women.

h. Of the funds appropriated in this subsection, $506,000 shall be used for the center for congenital and inherited disorders.

FY 2019 allocation due to a general reduction. The CHSC Program is operated by the University of Iowa (UI) Department of Pediatrics, and facilitates the development of family-centered, community-based, coordinated systems of care for children and youth with special health care needs. The CHSC serves children and youth, from birth through 21 years of age, who live in Iowa and have a chronic condition (physical, developmental, behavioral, or emotional) or are at increased risk for a chronic condition and also have a need for special services.

Allocates $384,000 to be used by the Regional Autism Assistance Program (RAP) to create autism support programs administered by the CHSC located at the University of Iowa Hospitals and Clinics (UIHC).

DETAIL: This is a decrease of $552 compared to the estimated net FY 2019 allocation due to a general reduction. The UI is prohibited from receiving any funds for indirect costs associated with the allocation. The RAP teams provide regional screenings for toddlers and youth and coordinate referrals for assessment and diagnostic services. In addition, the RAP coordinates in-service training and provides technical assistance, consultation, information, and referral.

Allocates $577,000 for the Iowa Comprehensive Cancer Control (ICCC) Program. Of the total amount, $150,000 is required to be used to support various efforts in studying, tracking, and researching melanoma.

DETAIL: This is a decrease of $375 for the ICCC compared to the estimated net FY 2019 allocation due to a general reduction.

Allocates $97,000 for cervical and colon cancer screening and $177,000 for enhanced capacity of the Cervical Cancer Screening Program for a total of $274,000.

DETAIL: This is a decrease of $532 for cervical and colon cancer screening and $720 for enhanced capacity of the Cervical Cancer Screening Program compared to the estimated net FY 2019 allocation due to a general reduction.

Allocates $506,000 for the Center for Congenital and Inherited Disorders (CCID) Central Registry.

DIVISION V
DEPARTMENT OF HUMAN SERVICES —— FY 2019-2020

Sec. 7. TEMPORARY ASSISTANCE FOR NEEDY FAMILIES BLOCK GRANT. There is appropriated from the fund created in section 8.41 to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, from moneys received under the federal temporary assistance for needy families (TANF) block grant pursuant to the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub.L.No.104-193, and successor legislation, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. To be credited to the family investment program account and used for assistance under the family investment program under chapter 239B:

$ 4,524,006

2. To be credited to the family investment program account and used for the job opportunities and basic skills (JOBS) program and implementing family investment agreements in accordance with chapter 239B:

$ 5,412,060

3. To be used for the family development and self-sufficiency grant program in accordance with section 216A.107:

$ 2,898,980

Appropriates moneys from the Temporary Assistance for Needy Families (TANF) Federal Block Grant Fund appropriation for FY 2019.

DETAIL: The federal government implemented Federal Welfare Reform on August 22, 1996. Reform eliminated Aid to Families with Dependent Children (AFDC), ending federal entitlement and creating a flexible funding source for states to use in helping needy families achieve self-sufficiency. Iowa's annual TANF award is $131,524,959; however, federal law reduces the annual award by $434,032 and reserves those funds for research and evaluation projects. In addition, $582,859 is allocated to Native American tribes.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to the FIP Account.

DETAIL: This is an increase of $498,898 compared to estimated net FY 2019. Iowa's FIP is a cash assistance program to support low-income families with children and to provide services to help them to become self-sufficient.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to the PROMISE JOBS Program.

DETAIL: This is an increase of $220,000 compared to estimated net FY 2019. The PROMISE JOBS Program provides training, education, and employment services to FIP recipients. In addition, the Program pays allowances for specified costs, such as transportation, related to participating in Program activities.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to the Family Development and Self-Sufficiency (FaDSS) Program.

DETAIL: This is no change compared to estimated net FY 2019. FaDSS is a home-based supportive service to assist families with significant or multiple barriers to reach self-sufficiency. The Program was created during the 1988 General Assembly to assist families participating in the FIP.
Notwithstanding section 8.33, moneys appropriated in this subsection that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year. However, unless such moneys are encumbered or obligated on or before September 30, 2020, the moneys shall revert.

4. For field operations: .......................................................... $ 31,296,232

5. For general administration: .................................................. $  3,744,000

6. For state child care assistance: .......................................... $ 47,166,826

a. Of the funds appropriated in this subsection, $26,205,412 is transferred to the child care and development block grant appropriation made by the Eighty-eighth General Assembly, 2019 session, for the federal fiscal year beginning October 1, 2019, and ending September 30, 2020. Of this amount, $200,000 shall be used for provision of educational opportunities to registered child care home providers in order to improve services and programs offered by this category of providers and to increase the number of providers. The department may contract with institutions of higher education or child care resource and referral centers to provide the educational opportunities. Allowable administrative costs under the contracts shall not exceed 5 percent. The application for a grant shall not exceed two pages in length.

b. Any funds appropriated in this subsection remaining unallocated shall be used for state child care assistance payments for families who are employed including but not limited to individuals enrolled in the family investment program.

CODE: Allows any unexpended funds allocated for the FaDSS Grant Program for FY 2019 to remain available for expenditure in FY 2020.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to Field Operations.

DETAIL: This is a decrease of $1,169,449 compared to estimated net FY 2019.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to General Administration.

DETAIL: This is no change compared to estimated net FY 2019.

Appropriates funds from the TANF FY 2020 Block Grant appropriation to Child Care Assistance.

DETAIL: This is no change compared to estimated net FY 2019.

Requires the DHS to transfer $26,205,412 to the Child Care and Development Block Grant appropriation and to use $200,000 for training of registered child care home providers. Permits the DHS to contract with colleges and universities or child care resource and referral centers to provide training, and specifies requirements for grant funding and applications. Requires that contractor administrative costs do not exceed 5.00%.

Specifies that the unallocated funds totaling $20,961,414 will be used for child care assistance for employed individuals enrolled in the FIP.
For child and family services:
- Appropriates funds from the TANF FY 2020 Block Grant appropriation to Child and Family Services.
  - DETAIL: This is no change compared to estimated net FY 2019.

For child abuse prevention grants:
- Appropriates funds from the TANF FY 2020 Block Grant appropriation for child abuse prevention grants.
  - DETAIL: This is no change compared to estimated net FY 2019.

For pregnancy prevention grants on the condition that family planning services are funded:
- Appropriates funds from the TANF FY 2020 Block Grant appropriation for pregnancy prevention grants on the condition that family planning services are funded.
  - DETAIL: This is an increase of $23,000 compared to estimated net FY 2019.

Pregnancy prevention grants shall be awarded to programs in existence on or before July 1, 2019, if the programs have demonstrated positive outcomes. Grants shall be awarded to pregnancy prevention programs which are developed after July 1, 2019, if the programs are based on existing models that have demonstrated positive outcomes. Grants shall comply with the requirements provided in 1997 Iowa Acts, chapter 208, section 14, subsections 1 and 2, including the requirement that grant programs must emphasize sexual abstinence. Priority in the awarding of grants shall be given to programs that serve areas of the state which demonstrate the highest percentage of unplanned pregnancies of females of childbearing age within the geographic area to be served by the grant.

For technology needs and other resources necessary to meet federal welfare reform reporting, tracking, and case management requirements:
- Appropriates funds from the TANF FY 2020 Block Grant appropriation for federal welfare reform reporting, tracking, and case management technology and resource needs.
  - DETAIL: This is an increase of $175,000 compared to estimated net FY 2019.

Notwithstanding any provision to the contrary, including but not limited to requirements in section 8.41 or provisions in 2018 Iowa Acts or 2019 Iowa Acts regarding the receipt and appropriation of federal block grants, federal funds from the temporary assistance for needy families block grant received by the state and not otherwise appropriated in this section and remaining available for the fiscal year beginning July 1, 2019, are appropriated to the department of

CODE: Permits the DHS to carry forward unused TANF funds.
  - DETAIL: Funds carried forward may be used for the FIP, technology costs related to the FIP, and the Child Care Assistance Program.
human services to the extent as may be necessary to be used in
the following priority order: the family investment program,
for state child care assistance program payments for families
who are employed, and for the family investment program share
of system costs for eligibility determination and related
functions. The federal funds appropriated in this paragraph
"a" shall be expended only after all other funds appropriated
in subsection 1 for assistance under the family investment
program, in subsection 6 for state child care assistance, or
in subsection 10 for technology costs related to the family
investment program, as applicable, have been expended. For
the purposes of this subsection, the funds appropriated in
subsection 6, paragraph "a", for transfer to the child care
and development block grant appropriation are considered fully
expended when the full amount has been transferred.

The department shall, on a quarterly basis, advise the
legislative services agency and department of management of
the amount of funds appropriated in this subsection that was
expended in the prior quarter.

Of the amounts appropriated in this section,
$12,962,008 for the fiscal year beginning July 1, 2019, is
transferred to the appropriation of the federal social services
block grant made to the department of human services for that
fiscal year.

For continuation of the program providing categorical
eligibility for the food assistance program as specified
for the program in the section of this division of this Act
relating to the family investment program account:

.............................................................. $  14,236

The department may transfer funds allocated in this
section to the appropriations made in this division of this Act
for the same fiscal year for general administration and field
operations for resources necessary to implement and operate the
services referred to in this section and those funded in the
appropriation made in this division of this Act for the same
fiscal year for the family investment program from the general
fund of the state.

With the exception of moneys allocated under this
section for the family development and self-sufficiency grant
program, to the extent moneys allocated in this section are
deemed by the department not to be necessary to support the
purposes for which they are allocated, such moneys may be
used in the same fiscal year for any other purpose for which
funds are allocated in this section or in section 8 of this
division for the family investment program account. If there
are conflicting needs, priority shall first be given to the
family investment program account as specified under subsection
1 of this section and used for the purposes of assistance under
the family investment program in accordance with chapter 239B,
followed by state child care assistance program payments for
families who are employed, followed by other priorities as
specified by the department.

Sec. 8. FAMILY INVESTMENT PROGRAM ACCOUNT.

1. Moneys credited to the family investment program (FIP)
account for the fiscal year beginning July 1, 2019, and
ending June 30, 2020, shall be used to provide assistance in
accordance with chapter 239B.

2. The department may use a portion of the moneys credited
to the FIP account under this section as necessary for
salaries, support, maintenance, and miscellaneous purposes.

3. The department may transfer funds allocated in
subsection 4, excluding the allocation under subsection 4,
paragraph “b”, to the appropriations made in this division of
this Act for the same fiscal year for general administration
and field operations for resources necessary to implement
and operate the services referred to in this section and
those funded in the appropriations made in section 7 for the
temporary assistance for needy families block grant and in
section 9 for the family investment program from the general
fund of the state in this division of this Act for the same
fiscal year.

4. Moneys appropriated in this division of this Act and
credited to the FIP account for the fiscal year beginning July
1, 2019, and ending June 30, 2020, are allocated as follows:

a. To be retained by the department of human services to
be used for coordinating with the department of human rights
to more effectively serve participants in FiP and other shared
clients and to meet federal reporting requirements under the
federal temporary assistance for needy families block grant:

$ 20,000

This is an increase of $15,000 compared to the estimated net FY 2019 allocation to restore funding to the FY 2018 level.

Requires funds credited to the FIP Account for FY 2020 to be used as specified in the Iowa Code.

Permits the DHS to use FIP funds for various administrative purposes.

Allows the DHS to transfer funds appropriated in this Section to General Administration and Field Operations to administer the TANF Block Grant, FIP Account, and the FIP General Fund Section. The transfer authority excludes the FaDSS subsection.

Requires the TANF Block Grant funds appropriated to the FIP Account be allocated as specified.

Allocates $20,000 to the DHS to be used for administrative services.

DETAIL: This is an increase of $15,000 compared to the estimated net FY 2019 allocation to restore funding to the FY 2018 level.
Allocates $6,192,834 of the FY 2020 General Fund appropriation for the FIP and TANF funds to the Department of Human Rights for the FaDSS Grant Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Requires that a maximum of 5.00% of the allocation be spent on administration of the FaDSS Grant Program.

Permits the Department of Human Rights to continue to implement the FaDSS Grant Program in FY 2020.

Permits the Department of Human Rights to collect data and measure outcomes of the FaDSS Grant Program.

Allocates $815,000 of FY 2020 TANF funds for the FIP Diversion Subaccount. Permits a portion of the allocation to be used for field operations, salaries, data management system development, and implementation costs and support needed to administer the FIP Diversion Program.

DETAIL: This is an increase of $65,306 compared to the estimated net FY 2019 allocation to restore the allocation to the FY 2018 level.

Allocates $66,588 of FY 2020 FIP funds to the Food Assistance Employment and Training Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Requires the DHS to amend the federal Supplemental Nutrition Assistance Program (SNAP) Employment and Training State Plan to maximize federal matching funds received.
funds from the United States department of agriculture pursuant to the federal SNAP employment and training program for providing education, employment, and training services for eligible food assistance program participants, including but not limited to related dependent care and transportation expenses.

(2) The department shall continue the categorical federal food assistance program eligibility at 160 percent of the federal poverty level and continue to eliminate the asset test from eligibility requirements, consistent with federal food assistance program requirements. The department shall include as many food assistance households as is allowed by federal law. The eligibility provisions shall conform to all federal requirements including requirements addressing individuals who are incarcerated or otherwise ineligible.

e. For the JOBS program:

$12,018,258

Permits the DHS to allocate $12,018,258 of the FY 2020 General Fund appropriation for the FIP and TANF funds for the PROMISE JOBS Program.

DETAIL: This is a decrease of $121,563 compared to the estimated net FY 2019 allocation due to lower caseloads.

5. Of the child support collections assigned under FIP, an amount equal to the federal share of support collections shall be credited to the child support recovery appropriation made in this division of this Act. Of the remainder of the assigned child support collections received by the child support recovery unit, a portion shall be credited to the FIP account, a portion may be used to increase recoveries, and a portion may be used to sustain cash flow in the child support payments account. If as a consequence of the appropriations made in this section the resulting amounts are insufficient to sustain cash assistance payments and meet federal maintenance of effort requirements, the department shall seek supplemental funding. If child support collections assigned under FIP are greater than estimated or are otherwise determined not to be required for maintenance of effort, the state share of either amount may be transferred to or retained in the child support payments account.

6. The department may adopt emergency rules for the family investment, JOBS, food assistance, and medical assistance programs if necessary to comply with federal requirements.

Permits the DHS to adopt emergency administrative rules for the FIP, the Food Stamp Program, and the Medicaid (Medicaid) Program.

Sec. 9. FAMILY INVESTMENT PROGRAM GENERAL FUND. There is appropriated from the general fund of the state to the Requires the DHS to continue Food Assistance Program eligibility to persons with income up to 160.00% of the Federal Poverty Level (FPL). The DHS is to conform to all federal requirements, including requirements addressing individuals who are incarcerated.
department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

To be credited to the family investment program (FIP) account and used for family investment program assistance under chapter 239B:

$40,365,037

1. Of the funds appropriated in this section, $6,606,198 is allocated for the JOBS program.

2. Of the funds appropriated in this section, $3,313,854 is allocated for the family development and self-sufficiency grant program.

3. a. Notwithstanding section 8.39, for the fiscal year beginning July 1, 2019, if necessary to meet federal maintenance of effort requirements or to transfer federal temporary assistance for needy families block grant funding to be used for purposes of the federal social services block grant or to meet cash flow needs resulting from delays in receiving federal funding or to implement, in accordance with this division of this Act, activities currently funded with juvenile court services, county, or community moneys and state moneys used in combination with such moneys; to comply with

General Fund appropriation to the DHS for the FIP to be credited to the FIP Account. The appropriation for the FIP Account also contains funding for the PROMISE JOBS and FaDSS Programs.

DETAIL: This is a net decrease of $678 compared to estimated net FY 2019. The changes include:

- An increase of $2,463,316 to support integration of SNAP and FIP eligibility in the Eligibility Integrated Application Solution (ELIAS) system.
- An increase of $515,672 to replace child support collections revenue.
- A decrease of $678 due to a general reduction.
- A decrease of $2,978,988 due to declining caseloads in the FIP and PROMISE JOBS programs.

The appropriation maintains the current FIP payment levels (maximum grants of $361 per month for a family with two persons and $426 for a family with three persons).

General Fund allocation of $6,606,198 for the PROMISE JOBS Program.

DETAIL: This is a decrease of $121,563 compared to the estimated net FY 2019 allocation, due to decreased referrals to the Program.

General Fund allocation of $3,313,854 for the FaDSS Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

CODE: Specifies that the DHS has the authority to transfer TANF funds to the Social Services Block Grant as necessary to meet federal maintenance-of-effort requirements.
federal requirements; or to maximize the use of federal funds; the department of human services may transfer funds within or between any of the appropriations made in this division of this Act and appropriations in law for the federal social services block grant to the department for the following purposes, provided that the combined amount of state and federal temporary assistance for needy families block grant funding for each appropriation remains the same before and after the transfer:

(1) For the family investment program.
(2) For state child care assistance.
(3) For child and family services.
(4) For field operations.
(5) For general administration.

b. This subsection shall not be construed to prohibit the use of existing state transfer authority for other purposes. The department shall report any transfers made pursuant to this subsection to the legislative services agency.

4. Of the funds appropriated in this section, $195,000 shall be used for continuation of a grant to an Iowa-based nonprofit organization with a history of providing tax preparation assistance to low-income Iowans in order to expand the usage of the earned income tax credit. The purpose of the grant is to supply this assistance to underserved areas of the state. However, the department shall issue a request for proposals and execute a contract with the contractor selected to administer the program no later than January 1, 2020. The department shall not retain any portion of the allocation under this subsection for administrative costs.

5. Of the funds appropriated in this section, $70,000 shall be used for the continuation of the parenting program, as specified in 441 IAC ch.100, relating to parental obligations, in which the child support recovery unit participates, to support the efforts of a nonprofit organization committed to strengthening the community through youth development, healthy living, and social responsibility headquartered in a county with a population over 350,000 according to the latest certified federal census. The funds allocated in this subsection shall be used by the recipient organization to develop a larger community effort, through public and private partnerships, to support a broad-based multi-county fatherhood initiative that promotes payment of child support obligations, improved family relationships, and full-time employment. However, the department shall issue a request for proposals and execute a contract with the contractor selected.
to administer the program no later than January 1, 2020. The department shall not retain any portion of the allocation under this subsection for administrative costs.

6. The department may transfer funds appropriated in this section, excluding the allocation in subsection 2 for the family development and self-sufficiency grant program, to the appropriations made in this division of this Act for general administration and field operations as necessary to administer this section, section 7 for the temporary assistance for needy families block grant, and section 8 for the family investment program account.

Sec. 10. CHILD SUPPORT RECOVERY. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

support recovery may be used throughout the fiscal year in the manner necessary for purposes of cash flow management, and for cash flow management purposes the department may temporarily draw more than the amount appropriated, provided the amount appropriated is not exceeded at the close of the fiscal year.

Sec. 11. HEALTH CARE TRUST FUND — MEDICAL ASSISTANCE — FY 2019-2020. Any funds remaining in the health care trust fund created in section 453A.35A for the fiscal year beginning July 1, 2019, and ending June 30, 2020, are appropriated to the department of human services to supplement the medical assistance program appropriations made in this division of this Act, including program administration and costs associated with program implementation.

Sec. 12. MEDICAID FRAUD FUND — MEDICAL ASSISTANCE — FY 2019-2020. Any funds remaining in the Medicaid fraud fund created in section 249A.50 for the fiscal year beginning July 1, 2019, and ending June 30, 2020, are appropriated to the department of human services to supplement the medical assistance appropriations made in this division of this Act, including program administration and costs associated with program implementation.

Sec. 13. MEDICAL ASSISTANCE. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

- For medical assistance program reimbursement and associated costs as specifically provided in the reimbursement methodologies in effect on June 30, 2019, except as otherwise expressly authorized by law, consistent with options under federal law and regulations, and contingent upon receipt of approval from the office of the governor of reimbursement for each abortion performed under the program: $1,431,334,812

as necessary and draw more than appropriated if needed to solve any cash flow problems, provided the amount appropriated is not exceeded at the end of the fiscal year.

Appropriates the balance of the Health Care Trust Fund (HCTF) to the Medicaid Program for FY 2020.

DETAIL: It is estimated that there will be $208,460,000 available for Medicaid in FY 2020. This is a decrease of $1,270,000 compared to the FY 2019 estimate. The Fund consists of the revenues generated from the tax on cigarettes and tobacco products. Both the FY 2019 and FY 2020 estimates were revised based on the March 15, 2019, Revenue Estimating Conference estimate.

Appropriates the balance of the Medicaid Fraud Fund (MFF) to the Medicaid Program for FY 2020.

DETAIL: It is estimated that there will be $75,000 available. This is a decrease of $425,000 compared to the FY 2019 estimate due to decreased revenues. The Fund consists of the revenues generated from penalties received as a result of prosecutions involving the Department of Inspections and Appeals (DIA) and audits to ensure compliance with the Medicaid Program.

General Fund appropriation to the DHS for the Medicaid Program.

DETAIL: This is a net decrease of $56,806,563 compared to estimated net FY 2019. The changes include:

- An increase of $62,420,058 to fund the Program $183,520 below the Governor's recommendation.
- An increase of $27,479,942 to rebase nursing facility reimbursement rates.
- An increase of $1,500,000 to increase reimbursement rates for critical access hospitals.
- An increase of $1,200,000 to eliminate the waiting list for the Children's Mental Health HCBS waiver.
- An increase of $1,088,437 to increase reimbursement rates for Assertive Community Treatment (ACT).
- A decrease of $195,000 to account for the Governor's veto of funds allocated for a partnership between the University of Iowa Hospitals and Clinics (UIHC) and a nonprofit entity to refurbish durable medical equipment (DME).
- A decrease of $150,300,000 to adjust for the FY 2019 supplemental appropriation.
1. Iowans support reducing the number of abortions performed in our state. Funds appropriated under this section shall not be used for abortions, unless otherwise authorized under this section.

2. The provisions of this section relating to abortions shall also apply to the Iowa health and wellness plan created pursuant to chapter 249N.

3. The department shall utilize not more than $60,000 of the funds appropriated in this section to continue the AIDS/HIV health insurance premium payment program as established in 1992 Iowa Acts, Second Extraordinary Session, chapter 1001, section 409, subsection 6. Of the funds allocated in this subsection, not more than $5,000 may be expended for administrative purposes.

4. Of the funds appropriated in this Act to the department of public health for addictive disorders, $950,000 for the fiscal year beginning July 1, 2019, is transferred to the department of human services for an integrated substance-related disorder managed care system. The departments of human services and public health shall work together to maintain the level of mental health and substance-related disorder treatment services provided by the managed care contractors. Each department shall take the steps necessary to continue the federal waivers as necessary to maintain the level of services.

5. a. The department shall aggressively pursue options for providing medical assistance or other assistance to individuals with special needs who become ineligible to continue receiving services under the Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) Program due to becoming 21 years of age who have been approved for additional assistance through the department’s exception to policy provisions, but who have health care needs in excess of the funding available through the exception to policy provisions.

b. Of the funds appropriated in this section, $100,000 shall be used for participation in one or more pilot projects operated by a private provider to allow the individual or individuals to receive service in the community in accordance with principles established in Olmstead v. L.C., 527 U.S. 581 (1999), for the purpose of providing medical assistance or

Specifies conditions that permit the Medicaid Program to reimburse providers for abortion services.

Specifies that the policy on abortion also applies to the Iowa Health and Wellness Program.

Requires the DHS to use a maximum of $60,000 of the funds appropriated for Medicaid to continue the AIDS/HIV Health Insurance Premium Payment Program as established during the 1992 General Assembly, Second Extraordinary Session. Requires that administrative costs be limited to $5,000.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Requires that $950,000 of the Addictive Disorders appropriation to the DPH for Substance Abuse Grants be transferred to the Medicaid Program in the DHS for continuation of the Managed Substance Abuse Treatment Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation. The Managed Substance Abuse Treatment Program was funded for the first time in FY 1996.

Requires the DHS to aggressively pursue options for assisting special needs individuals who become ineligible for continued services under the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Program as a result of turning 21 years of age. The individuals are to have been approved for additional assistance through the DHS exception to policy process but have health care needs exceeding available funding. This Section requires the Department to allocate $100,000 to fund one or more pilot projects focused on providing care in the community.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.
other assistance to individuals with special needs who become ineligible to continue receiving services under the early and periodic screening, diagnostic, and treatment program under the medical assistance program due to becoming 21 years of age who have been approved for additional assistance through the department’s exception to policy provisions, but who have health care needs in excess of the funding available through the exception to the policy provisions.

6. Of the funds appropriated in this section, up to $3,050,082 may be transferred to the field operations or general administration appropriations in this division of this Act for operational costs associated with Part D of the federal Medicare Prescription Drug Improvement and Modernization Act of 2003, Pub.L.No.108-173.

7. Of the funds appropriated in this section, up to $442,100 may be transferred to the appropriation in this division of this Act for medical contracts to be used for clinical assessment services and prior authorization of services.

8. A portion of the funds appropriated in this section may be transferred to the appropriations in this division of this Act for general administration, medical contracts, the children’s health insurance program, or field operations to be used for the state match cost to comply with the payment error rate measurement (PERM) program for both the medical assistance and children’s health insurance programs as developed by the centers for Medicare and Medicaid services of the United States department of health and human services to comply with the federal Improper Payments Information Act of 2002, Pub.L. No.107-300, and to support other reviews and quality control activities to improve the integrity of these programs.

9. The department shall continue to implement the recommendations of the assuring better child health and development initiative II (ABCDII) clinical panel to the Iowa early and periodic screening, diagnostic, and treatment services healthy mental development collaborative board regarding changes to billing procedures, codes, and eligible service providers.
10. Of the funds appropriated in this section, a sufficient amount is allocated to supplement the incomes of residents of nursing facilities, intermediate care facilities for persons with mental illness, and intermediate care facilities for persons with an intellectual disability, with incomes of less than $50 in the amount necessary for the residents to receive a personal needs allowance of $50 per month pursuant to section 249A.30A.

11. a. Hospitals that meet the conditions specified in subparagraphs (1) and (2) shall either certify public expenditures or transfer to the medical assistance program an amount equal to provide the nonfederal share for a disproportionate share hospital payment in an amount up to the hospital-specific limit as approved in the Medicaid state plan. The hospitals that meet the conditions specified shall receive and retain 100 percent of the total disproportionate share hospital payment in an amount up to the hospital-specific limit as approved in the Medicaid state plan.

   (1) The hospital qualifies for disproportionate share and graduate medical education payments.

   (2) The hospital is an Iowa state-owned hospital with more than 500 beds and eight or more distinct residency specialty or subspecialty programs recognized by the American college of graduate medical education.

b. Distribution of the disproportionate share payments shall be made on a monthly basis. The total amount of disproportionate share payments including graduate medical education, enhanced disproportionate share, and Iowa state-owned teaching hospital payments shall not exceed the amount of the state’s allotment under Pub.L.No.102-234. In addition, the total amount of all disproportionate share payments shall not exceed the hospital-specific disproportionate share limits under Pub.L.No.103-66.

12. One hundred percent of the nonfederal share of payments to area education agencies that are medical assistance providers for medical assistance-covered services provided to medical assistance-covered children, shall be made from the appropriation made in this section.

13. A portion of the funds appropriated in this section may be transferred to the appropriation in this division of this Act for medical contracts to be used for administrative activities associated with the money follows the person demonstration project.

14. Of the funds appropriated in this section, $349,011 Requires the DHS to provide residents of nursing facilities, intermediate care facilities for persons with mental illness, and intermediate care facilities for persons with an intellectual disability with a personal needs allowance of $50 per month.

DETAIL: This is no change compared to the FY 2019 allowance.

Specifies that the UIHC is to either use Certified Public Expenditures or transfer the amount necessary within the disproportionate share hospital (DSH) limit to the Medicaid Program to provide the nonfederal share of the DSH payment. The UIHC will retain 100.00% of the DSH payment.

Allocates Medicaid funds to Area Education Agencies.

Specifies that a portion of the Medicaid funding may be transferred to Medical Contracts for administrative activities related to the Money Follows the Person demonstration project.

General Fund allocation of $349,011 to the Health Insurance Premium
shall be used for the administration of the health insurance
premium payment program, including salaries, support, maintenance, and miscellaneous purposes.

15. a. The department may increase the amounts allocated for salaries, support, maintenance, and miscellaneous purposes associated with the medical assistance program, as necessary, to sustain cost management efforts. The department shall report any such increase to the legislative services agency and the department of management.

b. If the savings to the medical assistance program from ongoing cost management efforts exceed the associated cost for the fiscal year beginning July 1, 2019, the department may transfer any savings generated for the fiscal year due to medical assistance program cost management efforts to the appropriation made in this division of this Act for medical contracts or general administration to defray the costs associated with implementing the efforts.

16. For the fiscal year beginning July 1, 2019, and ending June 30, 2020, the replacement generation tax revenues required to be deposited in the property tax relief fund pursuant to section 437A.8, subsection 4, paragraph "d", and section 437A.15, subsection 3, paragraph "f", shall instead be credited to and supplement the appropriation made in this section and used for the allocations made in this section.

17. a. Of the funds appropriated in this section, up to $50,000 may be transferred by the department to the appropriation made in this division of this Act to the department for the same fiscal year for general administration to be used for associated administrative expenses and for not more than one full-time equivalent position, in addition to those authorized for the same fiscal year, to be assigned to implementing the children’s mental health home project.

b. Of the funds appropriated in this section, up to $400,000 may be transferred by the department to the appropriation made to the department in this division of this Act for the same fiscal year for Medicaid program-related general administration

Payment Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Specifies the DHS may increase the amounts allocated for salaries, support, maintenance, and miscellaneous purpose associated with the Medicaid Program. The DHS is required to report any increase to the LSA and the DOM.

Specifies if savings to the Medicaid Program for cost management efforts exceed costs, the DHS may transfer any savings to the Medical Contracts or General Administration appropriations to defray the costs associated with implementation of cost management efforts.

Requires the replacement generation tax revenues be allocated to the Medicaid appropriation instead of being deposited into the Property Tax Relief Fund.

DETAIL: It is estimated there will be approximately $1,220,387 allocated to Medicaid. This is a decrease of $188,281 compared to the estimated net FY 2019 allocation. Under current law, a company that acquires a new electric power generating plant and has no operating property in Iowa is required to pay the replacement generation tax, which is credited to the Property Tax Relief Fund. The Dwayne Arnold Energy Center (near Cedar Rapids) was purchased by a Florida company with no other facilities in Iowa in 2006.

Allows the DHS to transfer up to $50,000 to be used for administrative expenses related to the implementation of children’s mental health homes.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Permits the DHS to transfer up to $400,000 to be used for administrative support to implement the MHDS Redesign and the Balancing Incentive Payment Program (BIPP).
planning and implementation activities. The funds may be used for contracts or for personnel in addition to the amounts appropriated for and the positions authorized for general administration for the fiscal year.

c. Of the funds appropriated in this section, up to $3,000,000 may be transferred by the department to the appropriations made in this division of this Act for the same fiscal year for general administration or medical contracts to be used to support the development and implementation of standardized assessment tools for persons with mental illness, an intellectual disability, a developmental disability, or a brain injury.

18. Of the funds appropriated in this section, $150,000 shall be used for lodging expenses associated with care provided at the university of Iowa hospitals and clinics for patients with cancer whose travel distance is 30 miles or more and whose income is at or below 200 percent of the federal poverty level as defined by the most recently revised poverty income guidelines published by the United States department of health and human services. The department of human services shall establish the maximum number of overnight stays and the maximum rate reimbursed for overnight lodging, which may be based on the state employee rate established by the department of administrative services. The funds allocated in this subsection shall not be used as nonfederal share matching funds.

19. Of the funds appropriated in this section, up to $3,383,880 shall be used for administration of the state family planning services program pursuant to section 217.41B, and of this amount, the department may use up to $200,000 for administrative expenses.

20. Of the funds appropriated in this section, $1,545,530 shall be used and may be transferred to other appropriations in this division of this Act as necessary to administer the provisions in the division of this Act relating to Medicaid program administration.

21. The department shall continue to implement and administer the provisions of 2018 Iowa Acts, chapter 1056. Of the funds appropriated in this section, up to $39,069 may be transferred to the department of inspections and appeals for inspection costs related to such implementation and administration.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Permits the DHS to transfer up to $3,000,000 to be used for the implementation of standardized assessment tools for persons with mental illness, intellectual disabilities, developmental disabilities, or brain injuries.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Requires the DHS to continue to implement and administer the requirements of HF 2456 (Mental Health Complex Needs Workgroup Report Act) and transfer up to $39,069 for costs related to inspections for subacute facilities.
 Allocates $1,200,000 to eliminate the Children’s Mental HCBS waiver waiting list.

DETAIL: This is a new allocation for FY 2020. There were 1,051 children on the waiting list as of March 1, 2019.

Allocates an amount sufficient to reinstate cost-based reimbursement and the cost settlement process for critical access hospitals under both fee-for-service and managed care.

DETAIL: This is a new allocation for FY 2020. It is estimated that it will cost $1,500,000 to reinstate the cost settlement process. The DHS eliminated the cost settlement process when the Medicaid Program was transitioned to managed care.

Requires the DHS to audit all prescription drug benefit claims managed by a pharmacy benefits manager under the Medicaid Program. The DHS is required to report the findings and recommendations of the audit to the Governor and General Assembly by December 15, 2019.

General Fund appropriation to Medical Contracts.

DETAIL: This is an increase of $1,389,332 compared to estimated net FY 2019. The changes include:

- An increase of $1,212,073 due to a decrease in funding available from the Pharmaceutical Settlement Account.
- An increase of $177,259 for reprocurement costs for the Medicaid Management Information System (MMIS).

Requires the DIA to provide the State matching funds for survey and certification activities.
responsible for distributing the federal matching funds for such activities.

2. Of the funds appropriated in this section, $50,000 shall be used for continuation of home and community-based services waiver quality assurance programs, including the review and streamlining of processes and policies related to oversight and quality management to meet state and federal requirements.

3. Of the amount appropriated in this section, up to $200,000 may be transferred to the appropriation for general administration in this division of this Act to be used for additional full-time equivalent positions in the development of key health initiatives such as development and oversight of managed care programs and development of health strategies targeted toward improved quality and reduced costs in the Medicaid program.

4. Of the funds appropriated in this section, $1,000,000 shall be used for planning and development, in cooperation with the department of public health, of a phased-in program to provide a dental home for children.

5. **a.** Of the funds appropriated in this section, $573,000 shall be credited to the autism support program fund created in section 225D.2 to be used for the autism support program created in chapter 225D, with the exception of the following amount of this allocation which shall be used as follows:

- **b.** Of the funds allocated in this subsection, $25,000 shall be used for the public purpose of continuation of a grant to a nonprofit provider of child welfare services that has been in existence for more than 115 years, is located in a county with a population between 200,000 and 220,000 according to the most recent federal decennial census, is licensed as a psychiatric medical institution for children, and provides school-based programming, to be used for support services for children with autism spectrum disorder and their families.

**Sec. 15. STATE SUPPLEMENTARY ASSISTANCE.**

1. There is appropriated from the general fund of the state to the department of human services for the fiscal year

Allocates $50,000 for the HCBS Waiver Quality Assurance Program to review and streamline processes and policies related to oversight.

DETAIL: This is no change compared to the estimated net FY 2019 allocation. The Program reviews policies related to oversight and quality management to meet state and federal requirements.

Permits up to $200,000 to be transferred to the DHS General Administration appropriation to hire additional FTE positions to implement cost containment and managed care oversight initiatives.

General Fund appropriation to the DHS for State Supplementary Assistance.
beginning July 1, 2019, and ending June 30, 2020, the following
amount, or so much thereof as is necessary, to be used for the
purpose designated:

For the state supplementary assistance program:

For the state supplementary assistance program: $ 7,812,909

The department shall increase the personal needs
allowance for residents of residential care facilities by the
same percentage and at the same time as federal supplemental
security income and federal social security benefits are
increased due to a recognized increase in the cost of living.
The department may adopt emergency rules to implement this
subsection.

If during the fiscal year beginning July 1, 2019,
the department projects that state supplementary assistance
expenditures for a calendar year will not meet the federal
pass-through requirement specified in Tit.XVI of the federal
Social Security Act, section 1618, as codified in 42 U.S.C.
§1382g, the department may take actions including but not
limited to increasing the personal needs allowance for
residential care facility residents and making programmatic
adjustments or upward adjustments of the residential care
facility or in-home health-related care reimbursement rates
prescribed in this division of this Act to ensure that federal
requirements are met. In addition, the department may make
other programmatic and rate adjustments necessary to remain
within the amount appropriated in this section while ensuring
compliance with federal requirements. The department may adopt
emergency rules to implement the provisions of this subsection.

Notwithstanding section 8.33, moneys appropriated in
this section that remain unencumbered or unobligated at the
close of the fiscal year shall not revert but shall remain
available for expenditure for the purposes designated until the
close of the succeeding fiscal year.

Sec. 16. CHILDREN’S HEALTH INSURANCE PROGRAM.

1. There is appropriated from the general fund of the

5. the changes include:

   - an increase of $3,000,000 to annualize the increased provider rates in the fy 2019 appropriation act.
   - an increase of $4,045,763 to reflect the december 2018 cca program forecasted need.
   - a decrease of $8,054,835 to use additional child care development fund dollars.
   - an increase of $1,009,072 to meet the federal child care development block grant quality set-aside requirements.

6. allocates $34,966,931 to the state cca program.

7. details: this is no change compared to the estimated net fy 2019 allocation.

8. specifies that assistance from the cca program is not an entitlement and the state's obligation to provide services is limited to the funds available.
this section is limited to the extent of the funds appropriated in this section.

3. A list of the registered and licensed child care facilities operating in the area served by a child care resource and referral service shall be made available to the families receiving state child care assistance in that area.

4. Of the funds appropriated in this section, $5,850,000 shall be credited to the early childhood programs grants account in the early childhood Iowa fund created in section 256I.11. The moneys shall be distributed for funding of community-based early childhood programs targeted to children from birth through five years of age developed by early childhood Iowa areas in accordance with approved community plans as provided in section 256I.8.

5. The department may use any of the funds appropriated in this section as a match to obtain federal funds for use in expanding child care assistance and related programs. For the purpose of expenditures of state and federal child care funding, funds shall be considered obligated at the time expenditures are projected or are allocated to the department’s service areas. Projections shall be based on current and projected caseload growth, current and projected provider rates, staffing requirements for eligibility determination and management of program requirements including data systems management, staffing requirements for administration of the program, contractual and grant obligations and any transfers to other state agencies, and obligations for decategorization or innovation projects.

6. A portion of the state match for the federal child care and development block grant shall be provided as necessary to meet federal matching funds requirements through the state general fund appropriation made for child development grants and other programs for at-risk children in section 279.51.

7. If a uniform reduction ordered by the governor under section 8.31 or other operation of law, transfer, or federal funding reduction reduces the appropriation made in this section for the fiscal year, the percentage reduction in the amount paid out to or on behalf of the families participating in the state child care assistance program shall be equal to or less than the percentage reduction made for any other purpose payable from the appropriation made in this section and the federal funding relating to it. The percentage reduction to the other allocations made in this section shall be the same as

Requires a list of the registered and licensed child care facilities be made available by the Child Care Resource and Referral Service for families receiving assistance under the CCA Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Permits funds appropriated for child care to be used as matching funds for federal grants. Specifies that funds are obligated when expenditures are projected or allocated to the DHS regions.

Requires a portion of the State match for the federal Child Care and Development Block Grant be provided from the State appropriation for child development grants and other programs for at-risk children as necessary to meet federal matching requirements.

Requires the following related to program operations:

- Any reductions to the CCA appropriation, either State or federal, must be applied in an equal percentage across all operating areas of the CCA Program before a reduction to service payments is made. The reduction for payable services must be equal to or less than the reduction for other items.
- Any unanticipated increase in federal funding must be used only for the CCA Program.
- It is the intent of the General Assembly to provide sufficient
the uniform reduction ordered by the governor or the percentage change of the federal funding reduction, as applicable. If there is an unanticipated increase in federal funding provided for state child care services, the entire amount of the increase, except as necessary to meet federal requirements including quality set asides, shall be used for state child care assistance payments. If the appropriations made for purposes of the state child care assistance program for the fiscal year are determined to be insufficient, it is the intent of the general assembly to appropriate sufficient funding for the fiscal year in order to avoid establishment of waiting list requirements.

8. Notwithstanding section 8.33, moneys advanced for purposes of the programs developed by early childhood Iowa areas, advanced for purposes of wraparound child care, or received from the federal appropriations made for the purposes of this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert to any fund but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

for the fiscal year will be less than the target amount allocated in this paragraph “a”, the department may reallocate the excess to provide additional funding for family foster care, independent living, family safety, risk and permanency services, shelter care, or the child welfare emergency services addressed with the allocation for shelter care.

b. If at any time after September 30, 2019, annualization of a service area’s current expenditures indicates a service area is at risk of exceeding its group foster care expenditure target under section 232.143 by more than 5 percent, the department and juvenile court services shall examine all group foster care placements in that service area in order to identify those which might be appropriate for termination. In addition, any aftercare services believed to be needed for the children whose placements may be terminated shall be identified. The department and juvenile court services shall initiate action to set dispositional review hearings for the placements identified. In such a dispositional review hearing, the juvenile court shall determine whether needed aftercare services are available and whether termination of the placement is in the best interest of the child and the community.

4. In accordance with the provisions of section 232.188, the department shall continue the child welfare and juvenile justice funding initiative during fiscal year 2019-2020. Of the funds appropriated in this section, $1,717,000 is allocated specifically for expenditure for fiscal year 2019-2020 through the decategorization services funding pools and governance boards established pursuant to section 232.188.

5. A portion of the funds appropriated in this section may be used for emergency family assistance to provide other resources required for a family participating in a family preservation or reunification project or successor project to stay together or to be reunified.

6. Of the funds appropriated in this section, a sufficient amount is allocated for shelter care and the child welfare emergency services contracting implemented to provide for or prevent the need for shelter care.

7. Federal funds received by the state during the fiscal year beginning July 1, 2019, as the result of the expenditure of state funds appropriated during a previous state fiscal year for a service or activity funded under this section are appropriated to the department to be used as additional funding.
42 32 for services and purposes provided for under this section.
42 33 Notwithstanding section 8.33, moneys received in accordance
42 34 with this subsection that remain unencumbered or unobligated at
42 35 the close of the fiscal year shall not revert to any fund but
42 36 shall remain available for the purposes designated until the
42 37 close of the succeeding fiscal year.
43 3 8. a. Of the funds appropriated in this section, up to
43 4 $3,290,000 is allocated for the payment of the expenses of
43 5 court-ordered services provided to juveniles who are under the
43 6 supervision of juvenile court services, which expenses are a
43 7 charge upon the state pursuant to section 232.141, subsection
43 8 4. Of the amount allocated in this paragraph “a”, up to
43 9 $1,556,000 shall be made available to provide school-based
43 10 supervision of children adjudicated under chapter 232, of which
43 11 not more than $15,000 may be used for the purpose of training.
43 12 A portion of the cost of each school-based liaison officer
43 13 shall be paid by the school district or other funding source as
43 14 approved by the chief juvenile court officer.
43 15 b. Of the funds appropriated in this section, up to $748,000
43 16 is allocated for the payment of the expenses of court-ordered
43 17 services provided to children who are under the supervision
43 18 of the department, which expenses are a charge upon the state
43 19 pursuant to section 232.141, subsection 4.
43 20 c. Notwithstanding section 232.141 or any other provision
43 21 of law to the contrary, the amounts allocated in this
43 22 subsection shall be distributed to the judicial districts
43 23 as determined by the state court administrator and to the
43 24 department’s service areas as determined by the administrator
43 25 of the department of human services’ division of child and
43 26 family services. The state court administrator and the
43 27 division administrator shall make the determination of the
43 28 distribution amounts on or before June 15, 2019.
43 29 d. Notwithstanding chapter 232 or any other provision of
43 30 law to the contrary, a district or juvenile court shall not
43 31 order any service which is a charge upon the state pursuant
43 32 to section 232.141 if there are insufficient court-ordered
43 33 services funds available in the district court or departmental
43 34 service area distribution amounts to pay for the service. The
43 35 chief juvenile court officer and the departmental service area
43 36 manager shall encourage use of the funds allocated in this
43 37 subsection such that there are sufficient funds to pay for
43 38 all court-related services during the entire year. The chief
43 39 juvenile court officers and departmental service area managers
43 40 shall attempt to anticipate potential surpluses and shortfalls
43 41 in the distribution amounts and shall cooperatively request the

Provides the following allocations related to court-ordered services for juveniles:

- Allocates up to $3,290,000 for court-ordered services provided to children who are under the supervision of juvenile court services. Of this amount, $1,556,000 is allocated to school-based supervision of delinquent children, of which $15,000 may be used for training. A portion of the cost for school-based liaisons is required to be paid by school districts.

- Allocates up to $748,000 to court-ordered services provided to children who are under the supervision of the DHS.

DETAIL: This is a total decrease of $1,272 compared to the estimated FY 2019 allocations due to a general reduction.

CODE: Requires allocations to be distributed among the judicial districts, as determined by the State Court Administrator, and among the DHS districts, as determined by the Division of Child and Family Services Administrator, by June 15, 2019.

CODE: Prohibits a district or juvenile court from ordering any service that is a charge to the State if there are insufficient funds to reimburse the service. Requires the Chief Juvenile Court Officer to use the funds in a manner that will cover the entire fiscal year, and permits funds to be transferred between districts.
7 state court administrator or division administrator to transfer
8 funds between the judicial districts' or departmental service
9 areas’ distribution amounts as prudent.

e. Notwithstanding any provision of law to the contrary,
10 a district or juvenile court shall not order a county to pay
11 for any service provided to a juvenile pursuant to an order
12 entered under chapter 232 which is a charge upon the state
13 under section 232.141, subsection 4.

f. Of the funds allocated in this subsection, not more than
15 $83,000 may be used by the judicial branch for administration
16 of the requirements under this subsection.

g. Of the funds allocated in this subsection, $17,000

Sec. 20. ADOPTION SUBSIDY.

1. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

   a. For adoption subsidy payments and services: .......................................................... $ 40,596,007

   b. (1) The funds appropriated in this section shall be used as authorized or allowed by federal law or regulation for any of the following purposes:

   (a) For adoption subsidy payments and related costs.

   (b) For post-adoption services and for other purposes under Tit.IV-B or Tit.IV-E of the federal Social Security Act.

   (2) The department of human services may transfer funds appropriated in this subsection to the appropriation for child and family services in this Act for the purposes of post-adoption services as specified in this paragraph “b”.

   c. Notwithstanding section 8.33, moneys corresponding to the state savings resulting from implementation of the federal Fostering Connections to Success and Increasing Adoptions Act of 2008, Pub.L. No.110-351, and successor legislation, as determined in accordance with 42 U.S.C. §673(a)(8), that remain unencumbered or unobligated at the close of the fiscal year, shall not revert to any fund but shall remain available for the purposes of post-adoption services as specified in this paragraph “b”. Notwithstanding any changes in either amount between fiscal years shall not result in an unfunded need.

2. The department may transfer funds appropriated in this section to the appropriation made in this division of this Act for general administration for costs paid from the appropriation relating to adoption subsidy.

3. Federal funds received by the state during the fiscal year beginning July 1, 2019, as the result of the

General Fund appropriation to the Adoption Subsidy Program.

DETAIL: This is a net increase of $150,870 compared to estimated net FY 2019. Changes included:

- A decrease of $823,199 due to a change in the FMAP rate.
- An increase of $974,888 to meet reinvestment savings requirements.
- A decrease of $819 to match the forecasted need.

Directs the DHS to use the funds appropriated to the Adoption Subsidy Program for adoption subsidy payments and post-adoption services as allowed under Title IV-B and Title IV-E of the federal Social Security Act, due to the federal Fostering Connections to Success and Increasing Adoptions Act of 2008. The DHS may also transfer funds (specifically those funds from federal Title IV-E savings) to the Child and Family Services General Fund appropriation for post-adoption services. A federal mandate regarding the use of federal Title IV-E funds requires savings to be reinvested and used for child welfare services instead of reverting to the General Fund.

Permits the DHS to transfer funds to the General Administration appropriation for costs relating to the Program.

Requires federal funds received in FY 2020 for the expenditure of State funds in a previous fiscal year to be used for adoption subsidies.
expenditure of state funds during a previous state fiscal
year for a service or activity funded under this section are
appropriated to the department to be used as additional funding
for the services and activities funded under this section.
Notwithstanding section 8.33, moneys received in accordance
with this subsection that remain unencumbered or unobligated
at the close of the fiscal year shall not revert to any fund
but shall remain available for expenditure for the purposes
designated until the close of the succeeding fiscal year.

Sec. 21. JUVENILE DETENTION HOME FUND. Moneys deposited
in the juvenile detention home fund created in section 232.142
during the fiscal year beginning July 1, 2019, and ending June
30, 2020, are appropriated to the department of human services
for the fiscal year beginning July 1, 2019, and ending June 30,
2020, for distribution of an amount equal to a percentage of
the costs of the establishment, improvement, operation, and
maintenance of county or multicounty juvenile detention homes
in the fiscal year beginning July 1, 2018. Moneys appropriated
for distribution in accordance with this section shall be
allocated among eligible detention homes, prorated on the basis
of an eligible detention home’s proportion of the costs of all
eligible detention homes in the fiscal year beginning July
1, 2018. The percentage figure shall be determined by the
department based on the amount available for distribution for
the fund. Notwithstanding section 232.142, subsection 3, the
financial aid payable by the state under that provision for the
fiscal year beginning July 1, 2019, shall be limited to the
amount appropriated for the purposes of this section.

Sec. 22. FAMILY SUPPORT SUBSIDY PROGRAM.
There is appropriated from the general fund of the
state to the department of human services for the fiscal year
beginning July 1, 2019, and ending June 30, 2020, the following
amount, or so much thereof as is necessary, to be used for the
purpose designated:

(2) The additional full-time equivalent positions authorized in this paragraph “b” shall include 3.50 security staff, or comparable additional, full-time equivalent positions.

2. Notwithstanding sections 218.78 and 249A.11, any revenue received from the state mental health institute at Cherokee or the state mental health institute at Independence pursuant to 42 C.F.R §438.6(e) may be retained and expended by the mental health institute.

3. Notwithstanding any provision of law to the contrary, a Medicaid member residing at the state mental health institute at Cherokee or the state mental health institute at Independence shall retain Medicaid eligibility during the period of the Medicaid member’s stay for which federal financial participation is available.

4. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

Sec. 25. STATE RESOURCE CENTERS.

1. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

General Fund appropriation to the MHI at Independence.

DETAIL: This is an increase of $1,651,489 and 28.15 FTE positions compared to estimated net FY 2019. The changes include:

- An increase of $1,409,375 to replace one-time funding.
- An increase of $93,658 due to increased costs of pharmaceuticals, food, transportation, and utilities.
- An increase of $148,456 and 3.50 FTE positions for security staff.
- An increase of 24.65 FTE positions to match the FY 2019 authorized amount.

Allows the DHS to retain Medicaid revenues received by the MHI.

Specifies that of the positions authorized, the DHS must include 3.50 security staff FTE positions.

Specifies that Medicaid members residing at one of the two MHIs are required to retain Medicaid eligibility for the first 14 days of their residence.

CODE: Allows any unexpended funds appropriated for the Cherokee and Independence MHIs for FY 2020 to remain available for FY 2021.
a. For the state resource center at Glenwood for salaries, support, maintenance, and miscellaneous purposes:
   ................................................................. $ 16,048,348

b. For the state resource center at Woodward for salaries, support, maintenance, and miscellaneous purposes:
   ................................................................. $ 10,872,356

2. The department may continue to bill for state resource center services utilizing a scope of services approach used for private providers of intermediate care facilities for persons with an intellectual disability services, in a manner which does not shift costs between the medical assistance program, counties, or other sources of funding for the state resource centers.

3. The state resource centers may expand the time-limited assessment and respite services during the fiscal year.

4. If the department’s administration and the department of management concur with a finding by a state resource center’s superintendent that projected revenues can reasonably be expected to pay the salary and support costs for a new employee position, or that such costs for adding a particular number of new positions for the fiscal year would be less than the overtime costs if new positions would not be added, the superintendent may add the new position or positions. If

DETAIL: This is a net decrease of $810,175 compared to estimated net FY 2019. The changes include:

- An increase of $54,351 due to increased costs of pharmaceuticals, food, transportation, and utilities.

Permits the DHS to continue billing practices that do not include cost shifting.

Permits the State Resource Centers to expand time-limited assessment and respite services.

DETAIL: Time-limited assessments include analysis of patient conditions and development of therapy plans to assist families in caring for individuals with intellectual or developmental disabilities. Respite services provide care for special needs individuals for a limited duration to provide families with a temporary reprieve of caretaking responsibilities.

Specifies that FTE positions may be added at the two State Resource Centers if projected revenues are sufficient to pay the salary and support costs of the additional FTE positions and if approved by the DOM.
the vacant positions available to a resource center do not include the position classification desired to be filled, the state resource center’s superintendent may reclassify any vacant position as necessary to fill the desired position. The superintendents of the state resource centers may, by mutual agreement, pool vacant positions and position classifications during the course of the fiscal year in order to assist one another in filling necessary positions.

5. If existing capacity limitations are reached in operating units, a waiting list is in effect for a service or a special need for which a payment source or other funding is available for the service or to address the special need, and facilities for the service or to address the special need can be provided within the available payment source or other funding, the superintendent of a state resource center may authorize opening not more than two units or other facilities and begin implementing the service or addressing the special need during fiscal year 2019-2020.

6. Notwithstanding section 8.33, and notwithstanding the amount limitation specified in section 222.92, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

1. The department shall report at least monthly to the legislative services agency concerning the department's operational and program expenditures.

2. Of the funds appropriated in this section, $150,000 shall be used to continue the contract for the provision of a program to provide technical assistance, support, and consultation to providers of habilitation services and home and community-based services waiver services for adults with disabilities under the medical assistance program.

3. Of the funds appropriated in this section, $50,000 is transferred to the Iowa finance authority to be used for administrative support of the council on homelessness established in section 16.2D and for the council to fulfill its duties in addressing and reducing homelessness in the state.

4. Of the funds appropriated in this section, $200,000 shall be transferred to and deposited in the administrative fund of the Iowa ABLE savings plan trust created in section 12I.4, to be used for implementation and administration activities of the Iowa ABLE savings plan trust.

5. Of the funds appropriated in this section, $200,000 is transferred to the economic development authority for the Iowa commission on volunteer services to continue to be used for RefugeeRISE AmeriCorps program established under section 15H.8 for member recruitment and training to improve the economic well-being and health of economically disadvantaged refugees in local communities across Iowa. Funds transferred may be used to supplement federal funds under federal regulations.

6. Of the funds appropriated in this section, up to $300,000 shall be used as follows:

   a. To fund not more than one full-time equivalent position

Requires the DHS to provide a monthly operational and expenditure report to the LSA.

Allocates $150,000 to continue the existing contract for technical assistance for providers of habilitation services under the HCBS Waiver Program.

DETAIL: This is no change compared to the estimated net FY 2019 allocation.

Transfers $50,000 to the Iowa Finance Authority to be used for support of the Council on Homelessness.

DETAIL: This is no change compared to the estimated net FY 2019 transfer.

Transfers $200,000 to the Treasurer of State to implement the Achieving a Better Life Experience (ABLE) Trust Act.

DETAIL: This is no change compared to the estimated net FY 2019 transfer. The ABLE Trust makes tax-free savings accounts available to individuals with disabilities to cover qualified expenses such as education, housing, and transportation.

Transfers $200,000 to the Economic Development Authority through the DHS for the RefugeeRISE AmeriCorps Program, to be used for member recruitment and training.

DETAIL: This is no change compared to the estimated net FY 2019 transfer. This transfer was authorized for the first time in FY 2017. The transfer requires funds to be used to supplement federal funds.

Allocates $300,000 for children's mental health initiatives.

DETAIL: This is no change in funding compared to the estimated net FY 2019 allocation. However, this allocation is further allocated in the following paragraphs.

Allocates funding for 1.00 FTE position to support the Children's
to address the department's responsibility to support the work of the children's system state board and implementation of the services required pursuant to 2018 Iowa Acts, chapter 1056, section 13.

b. To support the cost of establishing and implementing new or additional services required pursuant to 2018 Iowa Acts, chapter 1056, and any legislation enacted by the 2019 general assembly establishing a children's behavioral health system.

c. Of the amount allocated, $32,000 shall be transferred to the department of public health to support the costs of establishing and implementing new or additional services required pursuant to 2018 Iowa Acts, chapter 1056, and any legislation enacted by the 2019 general assembly establishing a children's behavioral health system.

Sec. 29. DEPARTMENT-WIDE DUTIES. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For salaries, support, maintenance, and miscellaneous purposes at facilities under the purview of the department of human services: $2,879,274

Sec. 30. VOLUNTEERS. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For development and coordination of volunteer services: $84,686

Sec. 31. CORPORATE TECHNOLOGY. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For the purchase of department-wide technology and software update needs: $824,832

Sec. 32. MEDICAL ASSISTANCE, STATE SUPPLEMENTARY ASSISTANCE, AND SOCIAL SERVICE PROVIDERS REIMBURSED UNDER THE DEPARTMENT OF HUMAN SERVICES.
For the fiscal year beginning July 1, 2019, the department shall rebase case-mix nursing facility rates effective July 1, 2019, to the extent possible within the state funding, including the $27,479,942, appropriated for this purpose.

(b) For the fiscal year beginning July 1, 2019, non-case-mix and special population nursing facilities shall be reimbursed in accordance with the methodology in effect on June 30 of the prior fiscal year.

(c) For managed care claims, the department of human services shall adjust the payment rate floor for nursing facilities, annually, to maintain a rate floor that is no lower than the Medicaid fee-for-service case-mix adjusted rate calculated in accordance with subparagraph division (a) and 441 IAC 81.6. The department shall then calculate adjusted reimbursement rates, including but not limited to add-on-payments, annually, and shall notify Medicaid managed care organizations of the adjusted reimbursement rates within 30 days of determining the adjusted reimbursement rates. Any adjustment of reimbursement rates under this subparagraph division shall be budget neutral to the state budget.

(d) For the fiscal year beginning July 1, 2019, Medicaid managed care long-term services and supports capitation rates shall be adjusted to reflect the rebasing pursuant to subparagraph division (a) for the patient populations residing in Medicaid-certified nursing facilities.

(2) Medicaid managed care organizations shall adjust facility-specific rates based upon payment rate listings issued by the department. The rate adjustments shall be applied prospectively from the effective date of the rate letter issued by the department.

Requires the DHS to rebase case-mix nursing facility rates effective July 1, 2019. Non-case-mix and special population nursing facilities reimbursement methodology is to remain the same as the methodology in effect on June 30, 2019. The MCOs are required to adjust facility-specific rates based upon payment rate listings issued by the DHS and the rates are to be applied prospectively from the date the DHS issues the letter.

FISCAL IMPACT: The General Assembly increased the Medicaid Program appropriation by $27,479,942 to be included in the case-mix nursing facility rebase.

For the fiscal year beginning July 1, 2019, the department shall establish the pharmacy dispensing fee reimbursement at $10.07 per prescription. The actual dispensing fee shall be determined by a cost of dispensing survey performed by the department and required to be completed by all medical assistance program participating pharmacies every two years, adjusted as necessary to maintain expenditures within the amount appropriated to the department for this purpose for the fiscal year.

(2) The department shall utilize an average acquisition cost reimbursement methodology for all drugs covered under the medical assistance program in accordance with 2012 Iowa Acts, chapter 1133, section 33.

Requires a pharmacy dispensing fee reimbursement rate of $10.07 per prescription.

DETAIL: This is an increase of $0.05 compared to the FY 2019 fee.

Requires the DHS to continue an Average Acquisition Cost (AAC) reimbursement methodology for all drugs covered under the Medicaid Program. The methodology is to utilize a survey of pharmacy invoices to determine the AAC. The Department is to provide a process for pharmacies to address AAC prices that are not reflective of the actual
c. (1) For the fiscal year beginning July 1, 2019, reimbursement rates for outpatient hospital services shall remain at the rates in effect on June 30, 2019, subject to Medicaid program upper payment limit rules, and adjusted as necessary to maintain expenditures within the amount appropriated to the department for this purpose for the fiscal year.

(2) For the fiscal year beginning July 1, 2019, reimbursement rates for inpatient hospital services shall remain at the rates in effect on June 30, 2019, subject to Medicaid program upper payment limit rules, and adjusted as necessary to maintain expenditures within the amount appropriated to the department for this purpose for the fiscal year.

(3) For the fiscal year beginning July 1, 2019, under both fee-for-service and managed care administration of the Medicaid program, critical access hospitals in the state, as designated pursuant to 42 U.S.C. §1395i-4, shall receive cost-based reimbursement utilizing a settlement process to provide reimbursement at the rate provided such hospitals under the federal Medicare program.

(4) For the fiscal year beginning July 1, 2019, the graduate medical education and disproportionate share hospital fund shall remain at the amount in effect on June 30, 2019, except that the portion of the fund attributable to graduate medical education shall be reduced in an amount that reflects the elimination of graduate medical education payments made to out-of-state hospitals.

(5) In order to ensure the efficient use of limited state funds in procuring health care services for low-income Iowans, funds appropriated in this Act for hospital services shall not be used for activities which would be excluded from a determination of reasonable costs under the federal Medicare program pursuant to 42 U.S.C. §1395x(v)(1)(N).

d. For the fiscal year beginning July 1, 2019, reimbursement rates for hospices and acute psychiatric hospitals shall be increased in accordance with increases under the federal Medicare program or as supported by their Medicare audited costs.

e. For the fiscal year beginning July 1, 2019, independent drug cost.

Requires the FY 2020 rate of reimbursement for inpatient hospital services remain at the rates in effect June 30, 2019, subject to the Medicaid UPL rules.

Requires critical access hospitals receive cost based reimbursement using a cost settlement process under both fee-for-service and managed care.

**FISCAL IMPACT:** This is estimated to increase General Fund Medicaid expenditures by $1,500,000 for the cost settlement process.

Requires the rate of reimbursement for the Graduate Medical Education and Disproportionate Share Hospital Fund remain at the rate in effect June 30, 2019, except for the portion that eliminates graduate medical education payments made to out-of-state hospitals.

Requires funds appropriated to hospital activities be used for activities pursuant to the federal Medicare Program.

Requires hospice services and acute psychiatric hospitals be reimbursed at the rate established under the federal Medicare Program for FY 2020.

Requires the FY 2020 reimbursement methodology for independent
laboratories and rehabilitation agencies shall be reimbursed using the same methodology in effect on June 30, 2019.

f. (1) For the fiscal year beginning July 1, 2019, reimbursement rates for home health agencies shall be rebased, to the extent possible, within the state funding appropriated for this purpose, and shall continue to be based on the Medicare low utilization payment adjustment (LUPA) methodology with state geographic wage adjustments to reflect the most recent Medicare LUPA rates to the extent possible within the state funding appropriated for this purpose.

(2) For the fiscal year beginning July 1, 2019, rates for private duty nursing and personal care services under the early and periodic screening, diagnostic, and treatment program benefit shall be calculated based on the methodology in effect on June 30, 2019.

g. For the fiscal year beginning July 1, 2019, federally qualified health centers and rural health clinics shall receive cost-based reimbursement for 100 percent of the reasonable costs for the provision of services to recipients of medical assistance.

h. For the fiscal year beginning July 1, 2019, the reimbursement rates for dental services shall remain at the rates in effect on June 30, 2019.

i. (1) For the fiscal year beginning July 1, 2019, reimbursement rates for non-state-owned psychiatric medical institutions for children shall be based on the reimbursement methodology in effect on June 30, 2019.

(2) As a condition of participation in the medical assistance program, enrolled providers shall accept the medical assistance reimbursement rate for any covered goods or services provided to recipients of medical assistance who are children under the custody of a psychiatric medical institution for children.

j. For the fiscal year beginning July 1, 2019, unless otherwise specified in this Act, all noninstitutional medical assistance provider reimbursement rates shall remain at the rates in effect on June 30, 2019, except for area education agencies, local education agencies, infant and toddler services providers, home and community-based services providers including consumer-directed attendant care providers under a section 1915(c) or 1915(i) waiver, targeted case management laboratories and rehabilitation agencies remain the same as the methodology used on June 30, 2019. Requires the DHS to rebase home health agency rates effective July 1, 2019.

DETAIL: The rebase will be budget neutral as no additional funds were provided.

Requires the FY 2020 rates for private duty nursing and personal care services under the Early Periodic Screening, Diagnostic, and Treatment (EPSDT) Program remain the same as the methodology on June 30, 2019.

Requires the DHS to reimburse federally qualified health centers and rural health clinics for 100.00% of the reasonable costs for provision of services to Medicaid Program recipients.

Requires the FY 2020 reimbursement rates for dental services remain at the rates in effect on June 30, 2019.

Requires non-state-owned Psychiatric Medical Institutions for Children (PMICs) to be reimbursed based on the reimbursement methodology in effect on June 30, 2019.

Requires PMIC providers to accept the Medicaid rate for any covered goods or services for children under the custody of the PMIC.

Requires the FY 2020 reimbursement rates for all noninstitutional Medicaid providers, with specified exceptions, remain at the rates in effect on June 30, 2019.
k. Notwithstanding any provision to the contrary, for the fiscal year beginning July 1, 2019, the reimbursement rate for anesthesiologists shall remain at the rates in effect on June 30, 2019, and updated on January 1, 2020, to align with the most current Iowa Medicare anesthesia rate.

l. Notwithstanding section 249A.20, for the fiscal year beginning July 1, 2019, the average reimbursement rate for health care providers eligible for use of the federal Medicare resource-based relative value scale reimbursement methodology under section 249A.20 shall remain at the rate in effect on June 30, 2019; however, this rate shall not exceed the maximum level authorized by the federal government.

m. For the fiscal year beginning July 1, 2019, the reimbursement rate for residential care facilities shall not be less than the minimum payment level required to meet the federal requirement. The flat reimbursement rate for facilities electing not to file annual cost reports shall not be less than the minimum payment level as established by the federal government to meet the federally mandated maintenance of effort requirement.

n. For the fiscal year beginning July 1, 2019, the reimbursement rates for inpatient mental health services provided at hospitals shall remain at the rates in effect on June 30, 2019, subject to Medicaid program upper payment limit rules; and psychiatrists shall be reimbursed at the medical assistance program fee-for-service rate in effect on June 30, 2019.

o. For the fiscal year beginning July 1, 2019, community mental health centers may choose to be reimbursed for the services provided to recipients of medical assistance through either of the following options:
   (1) For 100 percent of the reasonable costs of the services.
   (2) In accordance with the alternative reimbursement rate methodology approved by the department of human services in effect on June 30, 2019.

p. For the fiscal year beginning July 1, 2019, the reimbursement rate for providers of family planning services that are eligible to receive a 90 percent federal match shall remain at the rates in effect on June 30, 2019.

3 disallowance of additional amounts for court costs and other
4 related legal expenses implemented pursuant to 2010 Iowa Acts,
5 chapter 1031, section 408, shall be continued.

6 5. For the fiscal year beginning July 1, 2019, the maximum
7 reimbursement rates for social services providers under
8 contract shall remain at the rates in effect on June 30, 2019,
9 or the provider's actual and allowable cost plus inflation for
10 each service, whichever is less. However, if a new service
11 or service provider is added after June 30, 2019, the initial
12 reimbursement rate for the service or provider shall be based
13 upon a weighted average of provider rates for similar services.

14 6. a. For the fiscal year beginning July 1, 2019, the
15 reimbursement rates for resource family recruitment and
16 retention contractors shall be established by contract.
17 b. For the fiscal year beginning July 1, 2019, the
18 reimbursement rates for supervised apartment living foster care
19 providers shall be established by contract.

20 7. For the fiscal year beginning July 1, 2019, the
21 reimbursement rate for group foster care providers shall be the
22 combined service and maintenance reimbursement rate established
23 by contract.

24 8. The group foster care reimbursement rates paid for
25 placement of children out of state shall be calculated
26 according to the same rate-setting principles as those used for
27 in-state providers, unless the director of human services or
28 the director's designee determines that appropriate care cannot
29 be provided within the state. The payment of the daily rate
30 shall be based on the number of days in the calendar month in
31 which service is provided.

32 9. a. For the fiscal year beginning July 1, 2019, the
33 reimbursement rate paid for shelter care and the child welfare
34 emergency services implemented to provide or prevent the need
35 for shelter care shall be established by contract.

36 b. For the fiscal year beginning July 1, 2019, the combined
37 service and maintenance components of the reimbursement rate
38 paid for shelter care services shall be based on the financial
39 and statistical report submitted to the department. The
40 maximum reimbursement rate shall be $101.83 per day. The
41 department shall reimburse a shelter care provider at the
42 provider's actual and allowable unit cost, plus inflation, not
43 to exceed the maximum reimbursement rate.

Requires the FY 2020 reimbursement rates for social services providers under contract remain at the rates in effect on June 30, 2019, or the provider's actual and allowable cost plus inflation for each service, whichever is less. This subsection also addresses reimbursement rates if a new service or service provider is added after June 30, 2019.

Requires the FY 2020 reimbursement rates for resource family recruitment and retention contractors, child welfare emergency services contractors, and supervised apartment living foster care providers remain at the rates in effect on June 30, 2019.

Requires the FY 2020 combined reimbursement rates for group foster care be set by contract.

Requires the group foster care reimbursement rates paid for placement of children out-of-state be calculated according to the same rate-setting principles as those used for in-state providers, unless the Director of the DHS determines that appropriate care cannot be provided in the State. Also, requires payment of the daily rate be based on the number of days in the calendar month this service is provided.

Requires the FY 2020 statewide average reimbursement rates paid to shelter care providers be established by contract.

Requires the FY 2020 combined service and maintenance components of the reimbursement rate paid to shelter care providers be based on the cost report submitted to the DHS. Also, requires a maximum reimbursement rate of $101.83 per day and requires the DHS to reimburse shelter care providers at the actual and allowable unit cost, plus inflation, not to exceed the maximum reimbursement rate.
c. Notwithstanding section 232.141, subsection 8, for the fiscal year beginning July 1, 2019, the amount of the statewide average of the actual and allowable rates for reimbursement of juvenile shelter care homes that is utilized for the limitation on recovery of unpaid costs shall remain at the amount in effect for this purpose in the fiscal year beginning July 1, 2018.

10. For the fiscal year beginning July 1, 2019, the department shall calculate reimbursement rates for intermediate care facilities for persons with an intellectual disability at the 80th percentile. Beginning July 1, 2019, the rate calculation methodology shall utilize the consumer price index inflation factor applicable to the fiscal year beginning July 1, 2019.

11. Effective July 1, 2019, the child care provider reimbursement rates shall remain at the rates in effect on June 30, 2019. The department shall set rates in a manner so as to provide incentives for a nonregistered provider to become registered by applying any increase only to registered and licensed providers.

12. The department may adopt emergency rules to implement this section.

Sec. 33. CONTRACTED SERVICES — PROHIBITED USE OF STATE FUNDING FOR LOBBYING.

1. The department shall submit a report to the individuals identified in this Act for submission of reports by December 15, 2019, regarding the outcomes of any program or activity for which funding is appropriated or allocated from the general fund of the state under this division of this Act, and for which a request for proposals process is required.

2. The department shall incorporate into the general conditions applicable to all award documents involving funding appropriated or allocated from the general fund of the state to the department under this division of this Act, and for which a request for proposals process is required.

4. The department shall incorporate into the general conditions applicable to all award documents involving funding appropriated or allocated from the general fund of the state to the department under this division of this Act, a prohibition against the use of such funding for the compensation of a lobbyist. For the purposes of this section, “lobbyist” means the same as defined in section 68B.2; however, “lobbyist” does not include a person employed by a state agency of the executive branch of state government who represents the agency relative to the passage, defeat, approval, or modification of legislation that is being considered by the general assembly.
Sec. 34. **LEGISLATIVE INTERIM COMMITTEE —— HEALTH DATA COLLECTION.** The legislative council shall establish a legislative interim committee to review the collection, maintaining, and disseminating of hospital inpatient, outpatient, and ambulatory data pursuant to section 135.166. The committee shall report findings and recommendations to the general assembly by December 15, 2019.

Sec. 35. **EMERGENCY RULES.**

1. If specifically authorized by a provision of this division of this Act, the department of human services or the mental health and disability services commission may adopt administrative rules under section 17A.4, subsection 3, and section 17A.5, subsection 2, paragraph “b”, to implement the provisions of this division of this Act and the rules shall become effective immediately upon filing or on a later effective date specified in the rules, unless the effective date of the rules is delayed or the applicability of the rules is suspended by the administrative rules review committee. Any rules adopted in accordance with this section shall not take effect before the rules are reviewed by the administrative rules review committee. The delay authority provided to the administrative rules review committee under section 17A.4, subsection 7, and section 17A.8, subsection 9, shall be applicable to a delay imposed under this section, notwithstanding a provision in those sections making them inapplicable to section 17A.5, subsection 2, paragraph “b”.

2. If during a fiscal year, the department of human services is adopting rules in accordance with this section or as otherwise directed or authorized by state law, and the rules will result in an expenditure increase beyond the amount anticipated in the budget process or if the expenditure was not addressed in the budget process for the fiscal year, the department shall notify the persons designated by this division of this Act for submission of reports, the chairpersons and ranking members of the committees on appropriations, and the department of management concerning the rules and the expenditure increase. The notification shall be provided at least 30 calendar days prior to the date notice of the rules is submitted to the administrative rules coordinator and the administrative code editor.

Sec. 36. **REPORTS.** Any reports or other information required to be compiled and submitted under this Act during the fiscal year.

Requires the Legislative Council to establish a Legislative Interim Committee to review the collection, maintenance, and dissemination of hospital inpatient, outpatient, and ambulatory data by the Iowa Hospital Association. The Committee is to report its findings and recommendations to the General Assembly by December 15, 2019.

Allows the DHS to adopt emergency rules to implement the Section dealing with reimbursement rates.

Requires the DHS to report to the Chairpersons and Ranking Members of the Appropriations Committees, the LSA, and the DOM at least 30 days prior to submitting rules that have a fiscal impact that was not addressed in the budget process.

GRADUATED SANCTION, COURT-ORDERED, AND GROUP FOSTER CARE SERVICES AND FUNDING WORK GROUP

Sec. 42. GRADUATED SANCTION, COURT-ORDERED, AND GROUP FOSTER CARE SERVICES AND FUNDING WORK GROUP.
1. As used in this section, unless the context otherwise
requires:
   a. “Court-ordered services” means the defined or specific
care and treatment that is ordered by the court for an eligible
child and for which no other payment source is available to
cover the cost.
   b. “Department” means the department of human services.
   c. “Eligible child” means a child who has been adjudicated
delinquent, is at risk, or has been certified by the chief
juvenile court officer as eligible for court-ordered services.
   d. “Graduated sanction services” includes community-based
interventions, school-based supervision, and supportive
enhancements provided in community-based settings to an
eligible child who is adjudicated delinquent or who is at risk
of adjudication.

2. The division of criminal and juvenile justice planning
of the department of human rights shall convene and provide
Establishes definitions for the work group specified in subsection 2.

Directs the Division of Criminal and Juvenile Justice Planning (CJJP) of
the Department of Human Rights to convene a work group to review

DETAIL: This is no change compared to estimated net FY 2019.
CODE: Requires nonreversion of funds from the Medicaid Program.
The funds will carry forward and remain available for use and expenditure in FY 2021.
and develop a plan to transfer graduated sanctions and court-ordered services funding, and oversight of group foster care placements, from DHS to the Office of the State Court Administrator.

Specifies the membership of the work group and that any expenses incurred by a member of the work group shall be the responsibility of the individual member or the respective entity represented by the member.
The work group shall do all of the following:

a. Develop an action plan to transfer the administration of juvenile court graduated sanction services, court-ordered services, and associated funding from the department to the office of the state court administrator.

b. Develop an action plan to transfer the oversight of group foster care services for eligible children from the department to the office of the state court administrator or other appropriate state entity with the necessary expertise to provide such services.

c. Develop an action plan to transfer administration of the juvenile detention home fund created in section 232.142 from the department to the office of the state court administrator or other appropriate state entity.

d. Evaluate current resources to determine the most efficient means of suitably equipping the office of the state court administrator with the policies and legal authority; staffing; contracting, procurement, data, and quality assurance capabilities; and other resources necessary to manage such funds and associated services effectively. The evaluation shall require collaboration with the department to manage transition activities.

e. Recommend statutory and administrative policies and court rules to promote collaborative case planning and quality assurance between the department and juvenile court services for youth who may be involved in both the child welfare and juvenile justice systems or who may utilize the same providers or services.

f. Determine the impact and role of the federal Family First Prevention Services Act relative to the various funding streams and services under the purview of the work group, and recommend statutory and administrative policies and rules to coordinate the duties of the work group with implementation and administration of the federal Act.

g. Determine the role of the decategorization of child welfare and juvenile justice funding initiative pursuant to section 232.188 relative to the other funding streams and services under the purview of the work group, and make recommendations regarding the future of the initiative including the potential transfer of administration of the initiative from the department to the office of the state court administrator.

h. Consult with other state juvenile court systems and subject matter experts to review administration of similar programs, to glean information on lessons learned and best practices, and to determine the types of community and residential services that have demonstrated effectiveness for

Requires the work group to do the following:

- Create a plan to transfer the administration of funding for graduated sanctions and court-ordered services from DHS to the Office of the State Court Administrator.
- Create a plan to transfer oversight of group foster care services from DHS to the Office of the State Court Administrator, or another appropriate State entity.
- Create a plan to transfer oversight of the Juvenile Detention Home Fund from DHS to the Office of the State Court Administrator, or another appropriate State entity.
- Create a plan for the process of the transfers.
- Recommend the necessary Iowa Code, Administrative Rules, or Court Rules changes to promote collaborative case planning and quality assurance for the youth in the system.
- Consult with other state juvenile court systems and experts to review administration of similar programs.
eligible children.

5. The division of criminal and juvenile justice planning
of the department of human rights shall submit a report of the
findings and recommendations of the work group to the governor
and the general assembly by December 15, 2019.

Division VIII
Co-Occurring Conditions — Enhanced Delivery of Services Review

Sec. 43. Review to provide enhanced delivery of services for co-occurring conditions. The director of the department
of public health and the director of the department of human
services shall develop recommendations for the enhanced
delivery of co-occurring conditions services. The directors
shall examine the current service delivery system to identify
opportunities for reducing the administrative burden on the
departments and providers, evaluate the use of an integrated
helpline and website and improvements in data collection
and sharing of outcomes, and create a structure for ongoing
collaboration. The directors shall submit a report including
findings, a five-year plan to address co-occurring conditions
across provider types and payors, and other recommendations to
the governor and general assembly by December 15, 2019.

Division IX
Medicaid Managed Care Contracts

Sec. 44. Medicaid Managed Care Contracts — Notification
to General Assembly. The department of human services shall
notify the chairpersons and ranking members of the joint
appropriations subcommittee on health and human services, the
legislative services agency, and the legislative caucus staffs
as follows:
1. Within thirty days of the execution of a Medicaid managed
care contract or amendment to a Medicaid managed care contract.
2. Within thirty days of the determination by the
department during each measurement year whether to return the
incentive payment withhold amount to the Medicaid managed care
organization based upon performance and the criteria used in
making the determination.

assistance under the family investment program, in subsection 6
for child care assistance, or in subsection 10 for technology
costs related to the family investment program, as applicable,
have been expended. For the purposes of this subsection, the
funds appropriated in subsection 6, paragraph “a”, for transfer
to the child care and development block grant appropriation
are considered fully expended when the full amount has been
transferred.

b. The department shall, on a quarterly basis, advise the
legislative services agency and department of management of
the amount of funds appropriated in this subsection that was
expended in the prior quarter.

12. Of the amounts appropriated in this section,
$12,962,008 for the fiscal year beginning July 1, 2018, is
transferred to the appropriation of the federal social services
block grant made to the department of human services for that

13,000

14. The department may transfer funds allocated in this
section to the appropriations made in this division of this Act
for the same fiscal year for general administration and field
operations for resources necessary to implement and operate the
services referred to in this section and those funded in the
appropriation made in this division of this Act for the same
fiscal year for the family investment program from the general
fund of the state.

15. With the exception of moneys allocated under this
section for the family development and self-sufficiency grant
program, to the extent moneys allocated in this section are
deemed by the department not to be necessary to support the
purposes for which they are allocated, such moneys may be
used in the same fiscal year for any other purpose for which
funds are allocated in this section or in section 7 of this
division for the family investment program account. If there
are conflicting needs, priority shall first be given to the
family investment program account as specified under subsection
1 of this section and used for the purposes of assistance under
the family investment program under chapter 239B, followed by
state child care assistance program payments for families who
are employed, followed by other priorities as specified by the
department.
FAMILY INVESTMENT PROGRAM ADJUSTMENTS

Sec. 50. 2017 Iowa Acts, chapter 174, section 46, subsection 4, as amended by 2018 Iowa Acts, chapter 1165, section 11, is amended to read as follows:

4. Moneys appropriated in this division of this Act and credited to the FIP account for the fiscal year beginning July 1, 2018, and ending June 30, 2019, are allocated as follows:

a. To be retained by the department of human services to be used for coordinating with the department of human rights to more effectively serve participants in FIP and other shared clients and to meet federal reporting requirements under the federal temporary assistance for needy families block grant:

DIVISION XVI
MEDICAID PRIOR AUTHORIZATION — UNIFORM PROCESS — CENTRAL
PORTAL
Sec. 65. MEDICAID — PRIOR AUTHORIZATION UNIFORM PROCESS. The department of human services shall adopt rules pursuant to chapter 17A to require, and shall contractually require, that both managed care and fee-for-service payment and delivery systems utilize a uniform process, including but not limited to uniform forms, information requirements, and time frames, to request prior authorization under the Medicaid program no later than October 1, 2019.

Sec. 66. MEDICAID MANAGEMENT INFORMATION SYSTEM — CENTRAL PORTAL — REVIEW. The department shall review the costs associated with expanding the medical assistance management information system to integrate a single, statewide system to serve as a central portal for submission of all prior authorization requests for the Medicaid program. The portal shall not be designed to make or review final determinations of managed care organization prior authorization requests, but shall only serve as a conduit to deliver prior authorization requests to the appropriate managed care organization. The results of the study shall be submitted to the governor and the general assembly no later than March 31, 2020.

Sec. 67. EFFECTIVE DATE. This division of this Act, being deemed of immediate importance, takes effect upon enactment.

DIVISION XVII
HEALTH AND HUMAN SERVICES EXECUTIVE BRANCH ENTITIES — REFORM

Sec. 68. Section 135.24, subsection 7, paragraph e, Code 2019, is amended to read as follows:

"Specialty health care provider office" means the private office or clinic of an individual specialty health care provider or group of specialty health care providers referred by the Iowa collaborative safety net provider network established in section 135.153, but does not include a field dental clinic, a free clinic, or a hospital.

Sec. 69. Section 135.159, subsection 1, paragraph h, Code 2019, is amended by striking the paragraph.

Sec. 70. REPEAL. Section 135.153, Code 2019, is repealed.

HOSPITAL HEALTH CARE ACCESS TRUST FUND BOARD
Sec. 71. Section 249M.4, Code 2019, is amended to read as follows:

249M.4 HOSPITAL HEALTH CARE ACCESS TRUST FUND —— BOARD .

1. A hospital health care access trust fund is created in the state treasury under the authority of the department. Moneys received through the collection of the hospital health care access assessment imposed under this chapter and any other moneys specified for deposit in the trust fund shall be deposited in the trust fund.

2. Moneys in the trust fund shall be used, subject to their appropriation by the general assembly, by the department to reimburse participating hospitals the medical assistance program upper payment limit for inpatient and outpatient hospital services as calculated in this section. Following payment of such upper payment limit to participating hospitals, any remaining funds in the trust fund on an annual basis may be used for any of the following purposes:

a. To support medical assistance program utilization shortfalls.

b. To maintain the state’s capacity to provide access to and delivery of services for vulnerable Iowans.

c. To fund the health care workforce support initiative created pursuant to section 135.175.

d. To support access to health care services for uninsured Iowans.

e. To support Iowa hospital programs and services which expand access to health care services for Iowans.

3. The trust fund shall be separate from the general fund of the state and shall not be considered part of the general fund. The moneys in the trust fund shall not be considered revenue of the state, but rather shall be funds of the hospital health care access assessment program. The moneys deposited in the trust fund are not subject to section 8.33 and shall not be transferred, used, obligated, appropriated, or otherwise encumbered, except to provide for the purposes of this chapter.

4. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the trust fund shall be credited to the trust fund.

5. The department shall adopt rules pursuant to chapter 17A to administer the trust fund and reimbursements and expenditures as specified in this chapter made from the trust fund.

a. Beginning July 1, 2010, or the implementation date of the hospital health care access assessment program as determined by receipt of approval from the centers for Medicare and Medicaid services of the United States department of health and human services, whichever is later, the department shall increase the diagnostic related groups and ambulatory patient
classifications base rates to provide payments to participating hospitals at the Medicare upper payment limit for the fiscal year beginning July 1, 2010, calculated as of July 31, 2010. Each participating hospital shall receive the same percentage increase, but the percentage may differ depending on whether the basis for the base rate increase is the diagnostic related groups or ambulatory patient classifications.

b. The percentage increase shall be calculated by dividing the amount calculated under subparagraph (1) by the amount calculated under subparagraph (2) as follows:

(1) The amount under the Medicare upper payment limit for the fiscal year beginning July 1, 2010, for participating hospitals.

(2) The projected expenditures for participating hospitals for the fiscal year beginning July 1, 2010, as determined by the fiscal management division of the department, plus the amount calculated under subparagraph (1).

6. For the fiscal year beginning July 1, 2011, and for each fiscal year beginning July 1, thereafter, the payments to participating hospitals shall continue to be calculated based on the upper payment limit as calculated for the fiscal year beginning July 1, 2010.

7. Reimbursement of participating hospitals shall incorporate the rebasing process for inpatient and outpatient services for state fiscal year 2012. However, the total amount of increased funding available for reimbursement attributable to rebasing shall not exceed four million five hundred thousand dollars for state fiscal year 2012 and six million dollars for state fiscal year 2013.

8. Any payments to participating hospitals under this section shall result in budget neutrality to the general fund of the state.

9. a. A hospital health care access trust fund board is established consisting of the following members:

(1) The co-chairpersons and the ranking members of the joint appropriations subcommittee on health and human services.

(2) The Iowa medical assistance program director.

(3) Two hospital executives representing the two largest private health care systems in the state.

(4) The president of the Iowa hospital association.

(5) A representative of a consumer advocacy group, involved in both state and national initiatives, that provides data on key indicators of well-being for children and families in order to inform policymakers to help children and families succeed.

b. The board shall do all of the following:

(1) Provide oversight of the trust fund.

(2) Make recommendations regarding the hospital health care access assessment program, including recommendations regarding...
the assessment calculation, assessment amounts, payments to
participating hospitals, and use of the moneys in the trust
fund.
(3) Submit an annual report to the governor and the general
assembly regarding the use and expenditure of moneys deposited
in the trust fund.
(3) The department shall provide administrative assistance
to the board.
