 28 35 centers for Medicare and Medicaid services of the United States  
 29 1 department of health and human services to comply with the  
 29 2 federal Improper Payments Information Act of 2002, Pub.L.  
 29 3 No.107-300, and to support other reviews and quality control  
 29 4 activities to improve the integrity of these programs.

Permits the DHS to use a portion of the funds appropriated to carry out the Payment Error Rate Measurement (PERM) Program and other reviews and quality control activities. This continues the DHS compliance with the federal Improper Payments Information Act of 2002.

DETAIL: The PERM Program measures improper payments in Medicaid and the Children's Health Insurance Program (CHIP) and produces error rates for each program. Error rates are based on reviews of the fee-for-service (FFS), managed care, and eligibility components of Medicaid and CHIP in the fiscal year under review. It is important to note the error rate is not a "fraud rate" but simply a measurement of payments made that did not meet statutory, regulatory, or administrative requirements.

Specifies that the UIHC is to either use Certified Public Expenditures or transfer the amount necessary within the disproportionate share hospital (DSH) limit to the Medicaid Program to provide the nonfederal share of the DSH payment. The UIHC will retain 100.00% of the DSH payment.

29 18 hospital-specific limit as approved in the Medicaid state plan.  
 29 19 The hospitals that meet the conditions specified shall receive  
 29 20 and retain 100 percent of the total disproportionate share  
 29 21 hospital payment in an amount up to the hospital-specific limit  
 29 22 as approved in the Medicaid state plan.

29 23 (1) The hospital qualifies for disproportionate share and

 30 2 disproportionate share limits under Pub.L.No.103-66.

30 3 11. One hundred percent of the nonfederal share of payments  
 30 4 to area education agencies that are medical assistance  
 30 5 providers for medical assistance-covered services provided to  
 30 6 medical assistance-covered children, shall be made from the  
 30 7 appropriation made in this section.

Allocates 100.00% of the nonfederal share of Medicaid funds to Area Education Agencies for services provided to Medicaid-covered children.

the General Assembly and the DOM.

30 23 b. If the savings to the medical assistance program from  
 30 24 ongoing cost management efforts exceed the associated cost  
 30 25 for the fiscal year beginning July 1, 2021, the department  
 30 26 may transfer any savings generated for the fiscal year due  
 30 27 to medical assistance program cost management efforts to the  
 30 28 appropriation made in this division of this Act for health

 31 2 used for the allocations made in this section.

Requires the replacement generation tax revenues to be allocated to the Medicaid appropriation instead of being deposited into the Property Tax Relief Fund.

DETAIL: It is estimated there will be approximately \$615,923 allocated to Medicaid. This is a decrease of \$781,120 compared to the estimated FY 2021 allocation. Under current law, a company that acquires a new electric power generating plant and has no operating property in Iowa is required to pay the replacement generation tax, which is credited to the Property Tax Relief Fund. The Dwayne Arnold Energy Center (near Cedar Rapids) was purchased by a Florida company with no other facilities in Iowa in 2006. The plant is in the process of shutting down, and this will likely be the last year there will be revenue from this source.
