1 1 DEPARTMENT FOR THE BLIND

1 2 Section 1. ADMINISTRATION. There is appropriated from the  
1 3 general fund of the state to the department for the blind for  
1 4 the fiscal year beginning July 1, 2005, and ending June 30,  
1 5 2006, the following amount, or so much thereof as is  
1 6 necessary, to be used for the purposes designated:

1 7 For salaries, support, maintenance, miscellaneous purposes  
1 8 and for not more than the following full-time equivalent  
1 9 positions:  
1 10 ..... \$ 1,886,842  
1 11 ..... FTEs 109.50

General Fund appropriation to the Department for the Blind.

DETAIL: This is an increase of \$295,567 and a decrease of 29.98 FTE positions compared to the estimated net FY 2005 appropriation. Since FY 2002, the Department has been supplementing its operating budget with funds transferred from the Department's Gifts and Bequests Account. The Commission for the Blind has directed the Department to end the practice at the end of FY 2005. The increase in the FY 2006 General Fund appropriation will partially offset the reduction in funding from Gifts and Bequests. The decrease in FTE positions reflects anticipated staffing levels.

1 12 COLLEGE STUDENT AID COMMISSION

1 13 Sec. 2. There is appropriated from the general fund of the  
1 14 state to the college student aid commission for the fiscal  
1 15 year beginning July 1, 2005, and ending June 30, 2006, the  
1 16 following amounts, or so much thereof as may be necessary, to  
1 17 be used for the purposes designated:

1 18 1. GENERAL ADMINISTRATION

This Program provides need-based grants with a \$1,000 maximum per student. The Program is expected to provide average grants of \$507 to 2,033 recipients for FY 2005.</p>
<p>1 27 3. DES MOINES UNIVERSITY -- OSTEOPATHIC MEDICAL CENTER                  1 28 a. For forgivable loans to Iowa students attending the Des                  1 29 Moines university -- osteopathic medical center under the                  1 30 forgivable loan program pursuant to section 261.19:                  1 31 ..... \$ 50,000</p>	<p>General Fund appropriation to the College Student Aid Commission for the Osteopathic Forgivable Loan Program.</p> <p>DETAIL: Maintains current level of General Fund support. <p>2 1 b. For the Des Moines university -- osteopathic medical                  2 2 center for an initiative in primary health care to direct                  2 3 primary care physicians to shortage areas in the state:                  2 4 ..... \$ 346,451</p>	<p>General Fund appropriation for the Primary Care Program.</p> <p>DETAIL: Maintains current level of General Fund support. This Program was established in 1994 to place Des Moines University graduates in areas of Iowa need. Participants may receive funds under either of two options: tuition scholarships for the third or fourth year of attendance or repayment assistance of up to \$40,000. The repayment assistance is matched by community contribution. For FY 2005, through December 31, 2004, this Program has provided:</p> <ul style="list-style-type: none"> <li>• \$149,112 to assist four physicians with debt reductions for an average of \$37,278 per physician.</li> <li>• \$46,929 for two student scholarships for an average of \$23,465.</li> </ul>

2 5 4. NATIONAL GUARD EDUCATIONAL ASSISTANCE PROGRAM  
 2 6 For purposes of providing national guard educational  
 2 7 assistance under the program established in section 261.86:  
 2 8 ..... \$ 3,800,000

General Fund appropriation to the College Student Aid Commission for the National Guard Tuition Aid Program.

DETAIL: This is an increase of \$900,000 compared to the estimated net FY 2005 appropriation. The additional funds will be used to fund the increased number of recipients. The Program goal is to fund 100.00% of tuition cost at the community colleges and Regents universities. Students attending private colleges and universities may receive up to 100.00% of the amount to attend a Regents university. The FY 2005 funding of \$2,900,000 is expected to provide average assistance of \$1,743 to approximately 1,663 recipients. If the average award is maintained at \$1,743 for FY 2006, the additional funding would support approximately 516 more recipients. Undergraduate tuition at the Board of Regents institutions will be \$4,890 for fall 2005 (FY 2006). The average community college tuition for FY 2005 is \$2,754.

NOTE: This Program received an FY 2005 supplemental allocation of \$650,000 in SF 75 (Military Pay Differential Program Changes Act). Senate File 75 was approved by the General Assembly on February 28, 2005, and signed by the Governor on March 10, 2005. When the supplemental funding is included, the FY 2006 General Fund appropriation is an increase of \$250,000 compared to the total General Fund support for FY 2005.

2 9 5. TEACHER SHORTAGE FORGIVABLE LOAN PROGRAM  
 2 10 For the teacher shortage forgivable loan program  
 2 11 established in section 261.111:  
 2 12 ..... \$ 285,000

General Fund appropriation to the College Student Aid Commission for the Teacher Shortage Forgivable Loan Program.

DETAIL: This is a decrease of \$175,472 compared to the estimated net FY 2005 appropriation. This decrease is to begin phasing out the Program. This level of funding would allow students currently receiving loans to complete their degrees, but would not allow for any new students to receive State funding. For FY 2005, this Program received federal funding of \$900,000 for total funding of \$1,360,472. This funding supported 539 students at an average of \$2,524 per student. The maximum loan amount is \$3,000. For FY 2006 and FY 2007, the Commission anticipates federal funding of \$1,397,050 per year, an increase of \$497,050 compared to estimated FY 2005.

2 13 Sec. 3. WORK-STUDY APPROPRIATION NULLIFICATION FOR FY  
 2 14 2005-2006. Notwithstanding section 261.85, for the fiscal  
 2 15 year beginning July 1, 2005, and ending June 30, 2006, the  
 2 16 amount appropriated for the work-study program under section  
 2 17 261.85 shall be zero.

CODE: Nullifies the standing appropriation for the Work Study Program for FY 2006.

DETAIL: This Program has not received State funding since FY 2001. Federal funds for Work Study for Iowa for FY 2005 total \$13,300,000 with no change in funding level expected for FY 2006.

2 18 DEPARTMENT OF CULTURAL AFFAIRS

 2 22 following amounts, or so much thereof as is necessary, to be  
 2 23 used for the purposes designated:

Specifically, these funds, and other available funds, may be used for salary adjustment and to pay the cost of collective bargaining agreements. See the allocation of funds above.

Requires the Board of Regents universities to set a target each year for the amount of internal reallocations and requires the universities to report to the Board semi-annually regarding reallocations.

17 2 reallocated, that amount shall not be redirected to the  
17 3 original entity or purpose unless extraordinary circumstances  
17 4 exist and an equivalent reallocation amount is increased for  
17 5 the same fiscal year. A reallocation of resources may be made

 26 26 of data or other report distributed to the public concerning  
 26 27 payments to providers under the medical assistance program,  
 26 28 set forth reimbursements to a qualifying hospital through the  
 26 29 supplemental disproportionate share and supplemental indirect  
 26 30 medical education adjustment as a separate item and shall not  
 26 31 include such payments in the amounts otherwise reported as the

 32 11 fiscal year beginning July 1, 2003, shall meet the match  
 32 12 requirements of this paragraph no later than June 30, 2005.

CODE: Delays from FY 2006 to FY 2007, the beginning of the increase in the match requirement for private institutional funds in the Tuition Grant Program. The current match requirement is 75.00%.

32 13 Sec. 19. Section 261.25, subsection 1, Code 2005, is  
 32 14 amended to read as follows:  
 32 15 1. There is appropriated from the general fund of the

CODE: General Fund standing appropriation of \$44,855,969 for the Tuition Grant Program within the College Student Aid Commission for distribution to nonprofit institutions.

32 16 state to the commission for each fiscal year the following:  
 32 17 a. The sum of ~~forty-seven~~ forty-four million ~~one~~ eight  
 32 18 hundred ~~fifty-seven~~ fifty-five thousand ~~five~~ nine hundred  
 32 19 ~~fifteen~~ sixty-nine dollars for tuition grants for distribution  
 32 20 to qualified students enrolled at accredited private  
 32 21 institutions that are exempt from taxation under section  
 32 22 501(c)(3) of the Internal Revenue Code.

DETAIL: This is a decrease of \$2,301,546 compared to the estimated net FY 2005 appropriation. However, the funding for the Program has been changed by providing separate appropriations for nonprofit institutions and for-profit institutions. For FY 2005, the General Fund appropriation was allocated as follows: \$43,757,515 to nonprofit institutions and \$3,400,000 to for-profit institutions. When the FY 2006 appropriation to nonprofit institutions is compared to the FY 2005 allocation, this is an increase of \$1,098,454.

This level of funding will increase the average grant from \$2,947 to \$3,105 for approximately 16,000 students (assumes same number of students as FY 2005). The statutory maximum grant remains unchanged at \$4,000.

32 23 b. ~~From the funds appropriated in this subsection, not~~  
 32 24 ~~more than three~~ The sum of four million ~~four~~ eight hundred  
 32 25 ~~seventeen~~ thousand six hundred six dollars ~~may be distributed~~  
 32 26 ~~to~~ for distribution to qualified students enrolled at  
 32 27 accredited private institutions whose income is not exempt  
 32 28 from taxation under section 501(c) of the Internal Revenue  
 32 29 Code and whose students were eligible to receive Iowa tuition  
 32 30 grant moneys in the fiscal year beginning July 1, 2003. A  
 32 31 for-profit institution which, effective March 9, 2005,  
 32 32 purchased an accredited private institution that was exempt  
 32 33 from taxation under section 501(c) of the Internal Revenue  
 32 34 Code, shall be an eligible institution under the Iowa tuition  
 32 35 grant program.

CODE: General Fund standing appropriation of \$4,817,606 for the Tuition Grant Program within the College Student Aid Commission for distribution to for-profit institutions.

DETAIL: This is a new appropriation. The funding for the Program has been changed by providing separate appropriations for nonprofit institutions and for-profit institutions. For FY 2005, the General Fund appropriation was allocated as follows: \$43,757,515 to nonprofit institutions and \$3,400,000 to for-profit institutions. When the FY 2006 appropriation to for-profit institutions is compared to the FY 2005 allocation, this is an increase of \$1,417,606. The FY 2006 level of funding to for-profit institutions allows for correction of the total allocation to for-profit institutions and allows for the conversion of Ashford University from nonprofit to for-profit (see below).

Allows Ashford University to be included in the list of institutions eligible for the for-profit share of tuition grant funding. Ashford University was formerly a nonprofit institution known as Franciscan University of the Prairies (originally Mt. St. Clare) that is located in Clinton. Franciscan University was purchased by Bridgepoint Education on March 9, 2005, and renamed Ashford University and no longer has nonprofit status.

33 1 If an accredited private institution has an average default

CODE: Requires the Tuition Grant funds to be reduced if an

33 2 rate of ten percent or more within the most recent consecutive  
 33 3 three-year period as determined by the commission using the  
 33 4 official cohort default rates for schools released annually by  
 33 5 the United States department of education, the total amount of  
 33 6 tuition grant moneys calculated by the commission for award to  
 33 7 qualified students enrolled in the accredited private  
 33 8 institution shall be reduced by one percent for each one-tenth  
 33 9 of a percentage point in which the institution exceeds the ten  
 33 10 percent default average. The sum of the moneys retained by  
 33 11 the commission as a result of the reduction shall be  
 33 12 redistributed by the commission on a pro rata basis under the  
 33 13 state student aid programs administered by the commission.

institution's specified loan default rate average exceeds 10.00%. The decrease in funds is equal to 1.00% for each 0.10% the loan default rate exceeds 10.00%. For example, a loan default rate average of 10.50% would result in a loss of 5.00% of Tuition Grant funds. Funds returned to the Commission as a result of a this requirement are to be distributed by the Commission on a pro rata basis to all State student aid programs administered by the Commission.

33 14 Sec. 20. NEW SECTION. 272.29 ANNUAL ADMINISTRATIVE RULES  
 33 15 REVIEW.

33 16 The executive director shall annually review the  
 33 17 administrative rules adopted pursuant to this chapter and  
 33 18 related state laws. The executive director shall annually  
 33 19 submit the executive director's findings and recommendations  
 33 20 in a report to the board and the chairpersons and ranking  
 33 21 members of the senate and house standing committees on  
 33 22 education and the joint appropriations subcommittee on  
 33 23 education by January 15.

CODE: Requires the Executive Director of the Board of Educational Examiners to annually review the Board's administrative rules and related State laws and submit a report of findings and recommendations to the chairpersons and ranking members of the Senate and House Education Committees and the Joint Education Appropriations Subcommittee by January 15.

33 24 Sec. 21. Section 284.13, subsection 1, paragraphs a  
 33 25 through c, Code 2005, are amended to read as follows:  
 33 26 a. For each fiscal year in the fiscal period beginning  
 33 27 July 1, 2003, and ending June 30, ~~2005~~ 2006, the department  
 33 28 shall reserve up to five hundred thousand dollars of any  
 33 29 moneys appropriated for purposes of this chapter. For each  
 33 30 fiscal year in which moneys are appropriated by the general  
 33 31 assembly for purposes of team-based variable pay pursuant to  
 33 32 section 284.11, the amount of moneys allocated to school  
 33 33 districts shall be in the proportion that the basic enrollment  
 33 34 of a school district bears to the sum of the basic enrollments  
 33 35 of all participating school districts for the budget year.

CODE: Allocates up to \$500,000 from the FY 2006 Student Achievement and Teacher Quality Program appropriation for team-based variable pay.

DETAIL: Maintains the current level of General Fund support.

34 1 However, the per pupil amount distributed to a school district  
34 2 under the pilot program shall not exceed one hundred dollars.

34 3 b. For the fiscal year beginning July 1, ~~2004~~ 2005, and  
34 4 ending June 30, ~~2005~~ 2006, to the department of education, the  
34 5 amount of ~~one two million one hundred thousand~~ dollars for the  
34 6 issuance of national board certification awards in accordance  
34 7 with section 256.44.

CODE: Allocates \$2,000,000 from the FY 2006 Student Achievement and Teacher Quality Program appropriation for the issuance of National Board Certification awards.

DETAIL: This is an increase of \$900,000 compared to the FY 2005 allocation.

34 8 c. For the fiscal year beginning July 1, ~~2004~~ 2005, and  
34 9 succeeding fiscal years, an amount up to ~~three~~ four million  
34 10 ~~five~~ one hundred thousand dollars for first-year and second-  
34 11 year beginning teachers, to the department of education for  
34 12 distribution to school districts for purposes of the beginning  
34 13 teacher mentoring and induction programs. A school district  
34 14 shall receive one thousand three hundred dollars per beginning  
34 15 teacher participating in the program. If the funds  
34 16 appropriated for the program are insufficient to pay mentors  
34 17 and school districts as provided in this paragraph, the  
34 18 department shall prorate the amount distributed to school  
34 19 districts based upon the amount appropriated. Moneys received  
34 20 by a school district pursuant to this paragraph shall be  
34 21 expended to provide each mentor with an award of five hundred  
34 22 dollars per semester, at a minimum, for participation in the  
34 23 school district's beginning teacher mentoring and induction  
34 24 program; to implement the plan; and to pay any applicable  
34 25 costs of the employer's share of contributions to federal  
34 26 social security and the Iowa public employees' retirement  
34 27 system or a pension and annuity retirement system established  
34 28 under chapter 294, for such amounts paid by the district.

CODE: Allocates \$4,100,000 from the FY 2006 Student Achievement and Teacher Quality Program appropriation for the Beginning Teacher Mentoring and Induction Program.

DETAIL: This is an increase of \$600,000 compared to the FY 2005 allocation.

34 29 Sec. 22. Section 284.13, subsection 1, paragraph e, Code  
34 30 2005, is amended to read as follows:

34 31 e. For the fiscal year beginning July 1, ~~2004~~ 2005, and

CODE: Allocates up to \$185,000 from the FY 2006 Student Achievement and Teacher Quality Program appropriation for the Career Development Program. Of that amount, \$10,000 is allocated to the Board of Educational Examiners for purposes of convening an

34 32 ending June 30, ~~2005~~ 2006, up to ~~two one~~ one hundred ~~fifty eighty-~~  
 34 33 five thousand dollars to the department of education for  
 34 34 purposes of implementing the career development program  
 34 35 requirements of section 284.6, and the review panel  
 35 1 requirements of section 284.9. From the moneys allocated to  
 35 2 the department pursuant to this paragraph, not less than  
 35 3 ~~seventy five ten~~ thousand dollars shall be ~~used to administer~~  
 35 4 ~~the ambassador to education position in accordance with~~  
 35 5 ~~section 256.45~~ distributed to the board of educational  
 35 6 examiners for purposes of convening an educator licensing  
 35 7 review working group. A portion of the funds allocated to the  
 35 8 department for purposes of this paragraph may be used by the  
 35 9 department for administrative purposes. Notwithstanding  
 35 10 section 8.33, moneys allocated for purposes of this paragraph  
 35 11 prior to July 1, 2004, which remain unobligated or unexpended  
 35 12 at the end of the fiscal year for which the moneys were  
 35 13 appropriated, shall remain available for expenditure for the  
 35 14 purposes for which they were allocated, for the fiscal year  
 35 15 beginning July 1, 2004, and ending June 30, 2005.

35 16 Sec. 23. Section 284.13, subsection 1, Code 2005, is  
 35 17 amended by adding the following new paragraph:  
 35 18 NEW PARAGRAPH. dd. For the fiscal year beginning July 1,  
 35 19 2005, and ending June 30, 2006, up to eight million nine  
 35 20 hundred thousand dollars to the department of education for  
 35 21 use by school districts to add one additional teacher contract  
 35 22 day to the school calendar. Prior to receiving funds under  
 35 23 this paragraph, a school district shall submit for approval to  
 35 24 the department the school district's professional development  
 35 25 plan for use of the moneys. From the moneys allocated to the  
 35 26 department pursuant to this paragraph, not less than seventy-  
 35 27 five thousand dollars shall be used to administer the  
 35 28 ambassador to education position in accordance with section  
 35 29 256.45 and the reporting and plan requirements of this  
 35 30 subsection shall not apply to this allocation. The department  
 35 31 shall submit a report on school district use of the moneys

educator licensing review working group.

DETAIL: This is a decrease of \$65,000 compared to the FY 2005 allocation. A sub-allocation of \$75,000 for the Ambassador to Education Program has been removed from this allocation. A new sub-allocation of \$10,000 for the Board of Educational Examiners offsets the reduction.

CODE: Allocates up to \$8,900,000 from the FY 2006 Student Achievement and Teacher Quality Program appropriation to add one additional teacher contract day to the school calendar. Requires school districts to submit a professional development plan to the Department of Education prior to receiving funds. Allocates \$75,000 from the total allocation to administer the Ambassador to Education Program. Requires the Department of Education to submit a report on the use of the funds to the House and Senate Education Committees, the Joint Education Appropriations Subcommittee, and the Legislative Services Agency by January 15, 2006.

---

35 32 distributed pursuant to this paragraph to the chairpersons and  
35 33 ranking members of the house and senate standing committees on  
35 34 education, the joint appropriations subcommittee on education,  
35 35 and the legislative services agency not later than January 15,  
36 1 2006.

36 2 Sec. 24. EFFECTIVE DATE. The section of this Act that  
36 3 amends section 257B.1B, being deemed of immediate importance,  
36 4 takes effect upon enactment.

Specifies that Section 17 of the Bill, allocating interest from the Permanent School Fund to the Iowa Reading Recovery Council, takes effect upon enactment.
