premium stability, equitably allocate administrative costs, and provide a reasonable level of cash flow to meet expenses in FY 2004. As a result of the review, most State agencies will experience a decrease in premiums in FY 2004; however, the DOT will experience an increase of \$479,000 (25.40%). The Department will transfer funds from another budget at the end of FY 2004 to cover the increase. Workers' compensation premiums in FY 2005 are estimated to be comparable to FY 2004. The FY 2005 appropriation of \$2,363,000 is an increase of \$403,000 (20.56%) compared to the estimated net FY 2004 appropriation. The Department of Administrative Services does not anticipate premiums to fluctuate in FY 2005 to the extent of FY 2004. 2 2 6. 		Treasurer Offices throughout the State. The total appropriation includes:
		 \$30,000 recommended in previous years as a separate appropriation for the county issuance of driver's licenses. The funds are used to purchase materials, supplies, and equipment for counties that issue driver's licenses through County Treasurer Offices. \$418,000 for existing automation and telecommunications costs at counties that issue driver's licenses, vehicle registrations, and titles. This amount will be transferred from the Operations Division base budget. \$648,000 for costs associated with improving data transmission between the counties and the DOT. This includes upgrading the current system to meet Internet protocol (necessary for the redesigned Vehicle Registration System), and increasing capacity and speed.
		In addition to this appropriation:
		 The Department receives an annual Road Use Tax Fund standing appropriation of \$650,000 for the purchase of automation and telecommunications equipment at County Treasurer Offices that issue driver's licenses, vehicle registrations, and titles. In FY 2004 and FY 2005, County Treasurer Offices that issue driver's licenses will receive an additional \$1.25 per license.

2 21\$ 50,000	DETAIL: Maintains the current level of funding. The General Assembly has been appropriating money for membership in the Coalition since its creation in 1997. The Coalition consists of members from various states, including lowa, that promote infrastructure and technology improvements along the International Trade Corridor of I-35, I-29, I-80/I-94, and Highway 75 in Canada. The Coalition also lobbies for federal funding for Corridor-related projects. Projects include creating international trade processing centers that will speed cross-border trade and increase security along the Corridor.

DETAIL: This is a decrease of \$1,632,999 and 21.00 FTE positions compared to the estimated net FY 2004 appropriation. The change is due to a net savings resulting from the transfer of road jurisdictions. Senate File 451 (FY 2003 Road Jurisdiction and Funding Act) allowed the transfer of jurisdiction and control of approximately 700 miles of State primary roads to cities and counties effective FY 2004. Effective FY 2005, jurisdiction and control of approximately 360 miles of farm-to-market road extensions in cities with a population of less than 500 will be transferred to the respective counties.
