8 30 EXPLANATION

8 31 This bill supplements appropriations made for the fiscal  
 8 32 year beginning July 1, 2002. The bill is organized into  
 8 33 divisions based upon the state agency receiving the  
 8 34 appropriations. Except as otherwise indicated, the  
 8 35 supplemental appropriations are made from the general fund of  
 9 1 the state.  
 9 2 Division I makes supplemental appropriations to the  
 9 3 department of human services for purposes of child and family

9 4 services, the state mental health institute at Mt. Pleasant,  
9 5 and the state resource centers. The bill also narrows  
9 6 language relating to an infrastructure appropriation made for  
9 7 construction of an alternative services girls treatment  
9 8 center.  
9 9 Division II makes supplemental appropriations to the  
9 10 department of corrections. Language requiring per diem  
9 11 reimbursements from the United States marshal's service to be  
9 12 deposited into the general fund is amended to provide that the  
9 13 department may retain moneys received over \$3.35 million and  
9 14 to reference inmates from the federal bureau of prisons.  
9 15 Supplemental appropriations are provided for each correctional  
9 16 facility, general administration, and certain community-based  
9 17 corrections districts.  
9 18 Division III makes a supplemental appropriation to the  
9 19 state public defender and allocates the appropriation for  
9 20 court-appointed attorneys for indigent adults and juveniles.  
9 21 Division IV makes supplemental appropriations for these  
9 22 divisions of the department of public safety: administration,  
9 23 criminal investigation, narcotics enforcement, state fire  
9 24 marshal, and Iowa state patrol.  
9 25 Division V makes a supplemental appropriation to the  
9 26 department of education for the public broadcasting division  
9 27 to be used to match a grant for the completion of certain low-  
9 28 power digital transmission facilities.  
9 29 Division VI provides that the bill takes effect upon  
9 30 enactment. An applicability provision provides that the  
9 31 bill's appropriation increases and appropriation are made  
9 32 after applying the across-the-board reductions to the  
9 33 appropriations made from the general fund of the state to the  
9 34 executive branch pursuant to law enacted during the 2002  
9 35 Second Extraordinary Session. The bill states that across-  
10 1 the-board reductions and other requirements of that law do not  
10 2 apply to the appropriation increases and appropriation made in  
10 3 the bill.
