NOTES ON BILLS AND AMENDMENTS**

**HOUSE FILE 2349
WASTE TIRE MANAGEMENT FUND BILL**

**WASTE TIRE FUND
APPROPRIATIONS**

- House File 2349 allocates funds appropriated from the Waste Tire Management Fund as follows:
 - 30.0% to fund 2.5 FTE positions for the Department of Natural Resources (DNR). The positions include 1.0 FTE position for program administration and 1.5 FTE positions for waste tire compliance and inspections.
 - 10.0% will be used for an educational program on waste tire disposal and related health and environmental issues.
 - 30.0% will be used for waste tire market development initiatives.
 - 30.0% will be used for waste tire stockpile abatement projects that require landowner cost-share funding.
- The Fund is expected to have receipts of approximately \$1.0 million in FY 2005.
- As of July 1, 2004, any unencumbered or unobligated funds in the Waste Tire Management Fund will be reallocated to fund the 2.5 FTE positions.
- Any unencumbered or unobligated funds on June 30, 2005, 2006, or 2007, will remain in the Waste Tire Management Fund and be reallocated using the percentages stated in the Bill.
- Eliminates the future repeal of the Waste Tire Management Fund.
