 68 34 INTERSTATE MEDICAL LICENSURE COMPACT

68 35 Sec. 138. NEW SECTION 148G.1 INTERSTATE MEDICAL LICENSURE

CODE: Enacts the Interstate Medical Licensure Compact Act, SF 273.

69 1 COMPACT.
69 2 1. PURPOSE.
69 3 a. In order to strengthen access to health care, and in
69 4 recognition of the advances in the delivery of health care,
69 5 the member states of the interstate medical licensure compact
69 6 have allied in common purpose to develop a comprehensive
69 7 process that complements the existing licensing and regulatory
69 8 authority of state medical boards and provides a streamlined
69 9 process that allows physicians to become licensed in multiple
69 10 states, thereby enhancing the portability of a medical license
69 11 and ensuring the safety of patients. The compact creates
69 12 another pathway for licensure and does not otherwise change
69 13 a state's existing medical practice act. The compact also
69 14 adopts the prevailing standard for licensure and affirms that
69 15 the practice of medicine occurs where the patient is located

69 17 requires the physician to be under the jurisdiction of the
69 18 state medical board where the patient is located.
69 19 b. State medical boards that participate in the compact
69 20 retain the jurisdiction to impose an adverse action against

74 29 state, federal, or foreign jurisdiction, excluding any action
74 30 related to nonpayment of fees related to a license.
74 31 (4) Has not had a controlled substance license or permit
74 32 suspended or revoked by a state or the United States drug
74 33 enforcement administration.
74 34 b. Physicians shall comply with all continuing professional
74 35 development or continuing medical education requirements for
75 1 renewal of a license issued by a member state.
75 2 c. The interstate commission shall collect any renewal fees
75 3 charged for the renewal of a license and distribute the fees
75 4 to the applicable member board.
75 5 d. Upon receipt of any renewal fees collected in paragraph
75 6 "c", a member board shall renew the physician's license.
75 7 e. Physician information collected by the interstate
75 8 commission during the renewal process will be distributed to
75 9 all member boards.
75 10 f. The interstate commission is authorized to develop rules
75 11 to address renewal of licenses obtained through the compact.
75 12 8. COORDINATED INFORMATION SYSTEM.
75 13 a. The interstate commission shall establish a database of
75 14 all physicians licensed, or who have applied for licensure,
75 15 under subsection 5.
75 16 b. Notwithstanding any other provision of law, member boards
75 17 shall report to the interstate commission any public action
75 18 or complaints against a licensed physician who has applied or
75 19 received an expedited license through the compact.
75 20 c. Member boards shall report disciplinary or investigatory
75 21 information determined as necessary and proper by rule of the
75 22 interstate commission.
75 23 d. Member boards may report any nonpublic complaint,
75 24 disciplinary, or investigatory information not required by
75 25 paragraph "c" to the interstate commission.
75 26 e. Member boards shall share complaint or disciplinary
75 27 information about a physician upon request of another member
75 28 board.
75 29 f. All information provided to the interstate commission or
75 30 distributed by member boards shall be confidential, filed under

75 31 seal, and used only for investigatory or disciplinary matters.
75 32 g. The interstate commission is authorized to develop rules
75 33 for mandated or discretionary sharing of information by member
75 34 boards.

75 35 9. JOINT INVESTIGATIONS.

76 1 a. Licensure and disciplinary records of physicians are
76 2 deemed investigative.

76 3 b. In addition to the authority granted to a member board by
76 4 its respective medical practice Act or other applicable state
76 5 law, a member board may participate with other member boards
76 6 in joint investigations of physicians licensed by the member
76 7 boards.

76 8 c. A subpoena issued by a member state shall be enforceable
76 9 in other member states.

76 10 d. Member boards may share any investigative, litigation, or
76 11 compliance materials in furtherance of any joint or individual
76 12 investigation initiated under the compact.

76 13 e. Any member state may investigate actual or alleged
76 14 violations of the statutes authorizing the practice of medicine
76 15 in any other member state in which a physician holds a license
76 16 to practice medicine.

76 17 10. DISCIPLINARY ACTIONS.

76 18 a. Any disciplinary action taken by any member board against
76 19 a physician licensed through the compact shall be deemed
76 20 unprofessional conduct which may be subject to discipline
76 21 by other member boards, in addition to any violation of the
76 22 medical practice Act or regulations in that state.

76 23 b. If a license granted to a physician by the member board
76 24 in the state of principal license is revoked, surrendered,
76 25 or relinquished in lieu of discipline, or suspended, then
76 26 all licenses issued to the physician by member boards shall
76 27 automatically be placed, without further action necessary by
76 28 any member board, on the same status. If the member board
76 29 in the state of principal license subsequently reinstates
76 30 the physician's license, a license issued to the physician
76 31 by any other member board shall remain encumbered until that
76 32 respective member board takes action to reinstate the license
76 33 in a manner consistent with the medical practice Act of that
76 34 state.

76 35 c. If disciplinary action is taken against a physician by a
77 1 member board not in the state of principal license, any other
77 2 member board may deem the action conclusive as to matter of law
77 3 and fact decided and either:

77 4 (1) Impose the same or lesser sanctions against the
77 5 physician so long as such sanctions are consistent with the
77 6 medical practice Act of that state, or

77 7 (2) Pursue separate disciplinary action against the
77 8 physician under its respective medical practice Act, regardless

77 9 of the action taken in other member states.

77 10 d. If a license granted to a physician by a member board is
77 11 revoked, surrendered, or relinquished in lieu of discipline,
77 12 or suspended, then any licenses issued to the physician by
77 13 any other member boards shall be suspended, automatically and
77 14 immediately without further action necessary by the other
77 15 member boards, for ninety days upon entry of the order by the
77 16 disciplining board, to permit the member boards to investigate
77 17 the basis for the action under the medical practice Act of that
77 18 state. A member board may terminate the automatic suspension
77 19 of the license it issued prior to the completion of the
77 20 ninety-day suspension period in a manner consistent with the
77 21 medical practice Act of that state.

77 22 11. INTERSTATE MEDICAL LICENSURE COMPACT COMMISSION.

77 23 a. The member states hereby create the interstate medical
77 24 licensure compact commission.

77 25 b. The purpose of the interstate commission is the
77 26 administration of the interstate medical licensure compact,
77 27 which is a discretionary state function.

77 28 c. The interstate commission shall be a body corporate
77 29 and joint agency of the member states and shall have all the
77 30 responsibilities, powers, and duties set forth in the compact,
77 31 and such additional powers as may be conferred upon it by a
77 32 subsequent concurrent action of the respective legislatures of
77 33 the member states in accordance with the terms of the compact.

77 34 d. The interstate commission shall consist of two voting
77 35 representatives appointed by each member state who shall serve
78 1 as commissioners. In states where allopathic and osteopathic
78 2 physicians are regulated by separate member boards, or if
78 3 the licensing and disciplinary authority is split between
78 4 multiple member boards within a member state, the member state
78 5 shall appoint one representative from each member board. A
78 6 commissioner shall be one of the following:

78 7 (1) An allopathic or osteopathic physician appointed to a
78 8 member board.

78 9 (2) An executive director, executive secretary, or similar
78 10 executive of a member board.

78 11 (3) A member of the public appointed to a member board.

78 12 e. The interstate commission shall meet at least once each
78 13 calendar year. A portion of this meeting shall be a business
78 14 meeting to address such matters as may properly come before
78 15 the commission, including the election of officers. The
78 16 chairperson may call additional meetings and shall call for a
78 17 meeting upon the request of a majority of the member states.

78 18 f. The bylaws may provide for meetings of the interstate
78 19 commission to be conducted by telecommunication or electronic
78 20 communication.

78 21 g. Each commissioner participating at a meeting of the

78 22 interstate commission is entitled to one vote. A majority of
78 23 commissioners shall constitute a quorum for the transaction
78 24 of business, unless a larger quorum is required by the bylaws
78 25 of the interstate commission. A commissioner shall not
78 26 delegate a vote to another commissioner. In the absence of its
78 27 commissioner, a member state may delegate voting authority for
78 28 a specified meeting to another person from that state who shall
78 29 meet the requirements of paragraph "d".

78 30 h. The interstate commission shall provide public notice
78 31 of all meetings and all meetings shall be open to the public.
78 32 The interstate commission may close a meeting, in full or
78 33 in portion, where it determines by a two-thirds vote of the
78 34 commissioners present that an open meeting would be likely to
78 35 result in one or more of the following:

79 1 (1) Relate solely to the internal personnel practices and
79 2 procedures of the interstate commission.

79 3 (2) Discuss matters specifically exempted from disclosure
79 4 by federal statute.

79 5 (3) Discuss trade secrets, commercial, or financial
79 6 information that is privileged or confidential.

79 7 (4) Involve accusing a person of a crime, or formally
79 8 censuring a person.

79 9 (5) Discuss information of a personal nature where
79 10 disclosure would constitute a clearly unwarranted invasion of
79 11 personal privacy.

79 12 (6) Discuss investigative records compiled for law
79 13 enforcement purposes.

79 14 (7) Specifically relate to the participation in a civil
79 15 action or other legal proceeding.

79 16 i. The interstate commission shall keep minutes which shall
79 17 fully describe all matters discussed in a meeting and shall
79 18 provide a full and accurate summary of actions taken, including
79 19 record of any roll call votes.

79 20 j. The interstate commission shall make its information
79 21 and official records, to the extent not otherwise designated
79 22 in the compact or by its rules, available to the public for
79 23 inspection.

79 24 k. The interstate commission shall establish an executive
79 25 committee, which shall include officers, members, and others as
79 26 determined by the bylaws. The executive committee shall have
79 27 the power to act on behalf of the interstate commission, with
79 28 the exception of rulemaking, during periods when the interstate
79 29 commission is not in session. When acting on behalf of the
79 30 interstate commission, the executive committee shall oversee
79 31 the administration of the compact including enforcement and
79 32 compliance with the provisions of the compact, its bylaws and
79 33 rules, and other such duties as necessary.

79 34 l. The interstate commission may establish other committees

79 35 for governance and administration of the compact.

80 1 12. POWERS AND DUTIES OF THE INTERSTATE COMMISSION. The

80 2 interstate commission shall have power to perform the following

80 3 functions:

80 4 a. Oversee and maintain the administration of the compact.

80 5 b. Promulgate rules which shall be binding to the extent and

80 6 in the manner provided for in the compact.

80 7 c. Issue, upon the request of a member state or

80 8 member board, advisory opinions concerning the meaning or

80 9 interpretation of the compact, its bylaws, rules, and actions.

80 10 d. Enforce compliance with compact provisions, the rules

80 11 promulgated by the interstate commission, and the bylaws, using

80 12 all necessary and proper means, including but not limited to

80 13 the use of judicial process.

80 14 e. Establish and appoint committees including but not

80 15 limited to an executive committee as required by subsection 11,

80 16 which shall have the power to act on behalf of the interstate

80 17 commission in carrying out its powers and duties.

80 18 f. Pay, or provide for the payment of, the expenses related

80 19 to the establishment, organization, and ongoing activities of

80 20 the interstate commission.

80 21 g. Establish and maintain one or more offices.

80 22 h. Borrow, accept, hire, or contract for services of

80 23 personnel.

80 24 i. Purchase and maintain insurance and bonds.

80 25 j. Employ an executive director who shall have such

80 26 powers to employ, select, or appoint employees, agents, or

80 27 consultants, and to determine their qualifications, define

80 28 their duties, and fix their compensation.

80 29 k. Establish personnel policies and programs relating

80 30 to conflicts of interest, rates of compensation, and

80 31 qualifications of personnel.

80 32 l. Accept donations and grants of money, equipment,

80 33 supplies, materials, and services, and to receive, utilize, and

80 34 dispose of the same in a manner consistent with the conflict of

80 35 interest policies established by the interstate commission.

81 1 m. Lease, purchase, accept contributions or donations of, or

81 2 otherwise to own, hold, improve, or use, any property, real,

81 3 personal, or mixed.

81 4 n. Sell, convey, mortgage, pledge, lease, exchange, abandon,

81 5 or otherwise dispose of any property, real, personal, or mixed.

81 6 o. Establish a budget and make expenditures.

81 7 p. Adopt a seal and bylaws governing the management and

81 8 operation of the interstate commission.

81 9 q. Report annually to the legislatures and governors of

81 10 the member states concerning the activities of the interstate

81 11 commission during the preceding year. Such reports shall also

81 12 include reports of financial audits and any recommendations

81 13 that may have been adopted by the interstate commission.
81 14 r. Coordinate education, training, and public awareness
81 15 regarding the compact, its implementation, and its operation.
81 16 s. Maintain records in accordance with the bylaws.
81 17 t. Seek and obtain trademarks, copyrights, and patents.
81 18 u. Perform such functions as may be necessary or appropriate
81 19 to achieve the purposes of the compact.

81 20 13. FINANCE POWERS.

81 21 a. The interstate commission may levy on and collect an
81 22 annual assessment from each member state to cover the cost of
81 23 the operations and activities of the interstate commission and
81 24 its staff. The total assessment must be sufficient to cover
81 25 the annual budget approved each year for which revenue is not
81 26 provided by other sources. The aggregate annual assessment
81 27 amount shall be allocated upon a formula to be determined
81 28 by the interstate commission, which shall promulgate a rule
81 29 binding upon all member states.

81 30 b. The interstate commission shall not incur obligations of
81 31 any kind prior to securing the funds adequate to meet the same.

81 32 c. The interstate commission shall not pledge the credit of
81 33 any of the member states, except by, and with the authority of,
81 34 the member state.

81 35 d. The interstate commission shall be subject to a yearly
82 1 financial audit conducted by a certified or licensed public
82 2 accountant and the report of the audit shall be included in the
82 3 annual report of the interstate commission.

82 4 14. ORGANIZATION AND OPERATION OF THE INTERSTATE COMMISSION.

82 5 a. The interstate commission shall, by a majority of
82 6 commissioners present and voting, adopt bylaws to govern its
82 7 conduct as may be necessary or appropriate to carry out the
82 8 purposes of the compact within twelve months of the first
82 9 interstate commission meeting.

82 10 b. The interstate commission shall elect or appoint annually
82 11 from among its commissioners a chairperson, a vice chairperson,
82 12 and a treasurer, each of whom shall have such authority and
82 13 duties as may be specified in the bylaws. The chairperson,
82 14 or in the chairperson's absence or disability, the vice
82 15 chairperson, shall preside at all meetings of the interstate
82 16 commission.

82 17 c. Officers selected in paragraph "b" shall serve without
82 18 remuneration from the interstate commission.

82 19 d. The officers and employees of the interstate commission
82 20 shall be immune from suit and liability, either personally or
82 21 in their official capacity, for a claim for damage to or loss
82 22 of property or personal injury or other civil liability caused
82 23 or arising out of, or relating to, an actual or alleged act,
82 24 error, or omission that occurred, or that such person had a
82 25 reasonable basis for believing occurred, within the scope of

82 26 interstate commission employment, duties, or responsibilities,
82 27 provided that such person shall not be protected from suit or
82 28 liability for damage, loss, injury, or liability caused by the
82 29 intentional or willful and wanton misconduct of such person.
82 30 (1) The liability of the executive director and employees of
82 31 the interstate commission or representatives of the interstate
82 32 commission, acting within the scope of such person's employment
82 33 or duties for acts, errors, or omissions occurring within such
82 34 person's state, may not exceed the limits of liability set
82 35 forth under the constitution and laws of that state for state
83 1 officials, employees, and agents. The interstate commission
83 2 is considered to be an instrumentality of the states for
83 3 the purposes of any such action. Nothing in this paragraph
83 4 "d" shall be construed to protect such person from suit or
83 5 liability for damage, loss, injury, or liability caused by the
83 6 intentional or willful and wanton misconduct of such person.
83 7 (2) The interstate commission shall defend the executive
83 8 director, its employees, and subject to the approval of
83 9 the attorney general or other appropriate legal counsel of
83 10 the member state represented by an interstate commission
83 11 representative, shall defend such interstate commission
83 12 representative in any civil action seeking to impose liability
83 13 arising out of an actual or alleged act, error, or omission
83 14 that occurred within the scope of interstate commission
83 15 employment, duties, or responsibilities, or that the defendant
83 16 had a reasonable basis for believing occurred within the
83 17 scope of interstate commission employment, duties, or
83 18 responsibilities, provided that the actual or alleged act,
83 19 error, or omission did not result from intentional or willful
83 20 and wanton misconduct on the part of such person.
83 21 (3) To the extent not covered by the state involved, member
83 22 state, or the interstate commission, the representatives or
83 23 employees of the interstate commission shall be held harmless
83 24 in the amount of a settlement or judgment, including attorney
83 25 fees and costs, obtained against such persons arising out of
83 26 an actual or alleged act, error, or omission that occurred
83 27 within the scope of interstate commission employment, duties,
83 28 or responsibilities, or that such persons had a reasonable
83 29 basis for believing occurred within the scope of interstate
83 30 commission employment, duties, or responsibilities, provided
83 31 that the actual or alleged act, error, or omission did not
83 32 result from intentional or willful and wanton misconduct on the
83 33 part of such persons.

83 34 15. RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION.

83 35 a. The interstate commission shall promulgate reasonable
84 1 rules in order to effectively and efficiently achieve the
84 2 purposes of the compact. Notwithstanding the foregoing, in
84 3 the event the interstate commission exercises its rulemaking

84 4 authority in a manner that is beyond the scope of the purposes
84 5 of the compact, or the powers granted hereunder, then such an
84 6 action by the interstate commission shall be invalid and have
84 7 no force or effect.

84 8 b. Rules deemed appropriate for the operations of the
84 9 interstate commission shall be made pursuant to a rulemaking
84 10 process that substantially conforms to the model state
84 11 administrative procedure Act of 2010, and subsequent amendments
84 12 thereto.

84 13 c. Not later than thirty days after a rule is promulgated,
84 14 any person may file a petition for judicial review of the
84 15 rule in the United States district court for the District
84 16 of Columbia or the federal district where the interstate
84 17 commission has its principal offices, provided that the filing
84 18 of such a petition shall not stay or otherwise prevent the
84 19 rule from becoming effective unless the court finds that the
84 20 petitioner has a substantial likelihood of success. The
84 21 court shall give deference to the actions of the interstate
84 22 commission consistent with applicable law and shall not find
84 23 the rule to be unlawful if the rule represents a reasonable
84 24 exercise of the authority granted to the interstate commission.

84 25 16. OVERSIGHT OF INTERSTATE COMPACT.

84 26 a. The executive, legislative, and judicial branches
84 27 of state government in each member state shall enforce the
84 28 compact and shall take all actions necessary and appropriate to
84 29 effectuate the compact's purposes and intent. The provisions
84 30 of the compact and the rules promulgated hereunder shall have
84 31 standing as statutory law but shall not override existing state
84 32 authority to regulate the practice of medicine.

84 33 b. All courts shall take judicial notice of the compact and
84 34 the rules in any judicial or administrative proceeding in a
84 35 member state pertaining to the subject matter of the compact
85 1 which may affect the powers, responsibilities, or actions of
85 2 the interstate commission.

85 3 c. The interstate commission shall be entitled to receive
85 4 all service of process in any such proceeding, and shall have
85 5 standing to intervene in the proceeding for all purposes.

85 6 Failure to provide service of process to the interstate
85 7 commission shall render a judgment or order void as to the
85 8 interstate commission, the compact, or promulgated rules.

85 9 17. ENFORCEMENT OF INTERSTATE COMPACT.

85 10 a. The interstate commission, in the reasonable exercise of
85 11 its discretion, shall enforce the provisions and rules of the
85 12 compact.

85 13 b. The interstate commission may, by majority vote of
85 14 the commissioners, initiate legal action in the United
85 15 States district court for the District of Columbia, or, at
85 16 the discretion of the interstate commission, in the federal

85 17 district where the interstate commission has its principal
85 18 offices, to enforce compliance with the provisions of the
85 19 compact, and its promulgated rules and bylaws, against a
85 20 member state in default. The relief sought may include
85 21 both injunctive relief and damages. In the event judicial
85 22 enforcement is necessary, the prevailing party shall be awarded
85 23 all costs of such litigation including reasonable attorney
85 24 fees.

85 25 c. The remedies herein shall not be the exclusive remedies
85 26 of the interstate commission. The interstate commission may
85 27 avail itself of any other remedies available under state law or
85 28 the regulation of a profession.

85 29 18. DEFAULT PROCEDURES.

85 30 a. The grounds for default include but are not limited
85 31 to failure of a member state to perform such obligations or
85 32 responsibilities imposed upon it by the compact, or the rules
85 33 and bylaws of the interstate commission promulgated under the
85 34 compact.

85 35 b. If the interstate commission determines that a member
86 1 state has defaulted in the performance of its obligations
86 2 or responsibilities under the compact, or the bylaws or
86 3 promulgated rules, the interstate commission shall do the
86 4 following:

86 5 (1) Provide written notice to the defaulting state and other
86 6 member states of the nature of the default, the means of curing
86 7 the default, and any action taken by the interstate commission.
86 8 The interstate commission shall specify the conditions by which
86 9 the defaulting state must cure its default.

86 10 (2) Provide remedial training and specific technical
86 11 assistance regarding the default.

86 12 c. If the defaulting state fails to cure the default, the
86 13 defaulting state shall be terminated from the compact upon an
86 14 affirmative vote of a majority of the commissioners and all
86 15 rights, privileges, and benefits conferred by the compact shall
86 16 terminate on the effective date of termination. A cure of the
86 17 default does not relieve the offending state of obligations or
86 18 liabilities incurred during the period of the default.

86 19 d. Termination of membership in the compact shall be imposed
86 20 only after all other means of securing compliance have been
86 21 exhausted. Notice of intent to terminate shall be given by
86 22 the interstate commission to the governor, the majority and
86 23 minority leaders of the defaulting state's legislature, and
86 24 each of the member states.

86 25 e. The interstate commission shall establish rules and
86 26 procedures to address licenses and physicians that are
86 27 materially impacted by the termination of a member state, or
86 28 the withdrawal of a member state.

86 29 f. The member state which has been terminated is responsible

86 30 for all dues, obligations, and liabilities incurred through
86 31 the effective date of termination including obligations, the
86 32 performance of which extends beyond the effective date of
86 33 termination.

86 34 g. The interstate commission shall not bear any costs
86 35 relating to any state that has been found to be in default or
87 1 which has been terminated from the compact, unless otherwise
87 2 mutually agreed upon in writing between the interstate
87 3 commission and the defaulting state.

87 4 h. The defaulting state may appeal the action of the
87 5 interstate commission by petitioning the United States district
87 6 court for the District of Columbia or the federal district
87 7 where the interstate commission has its principal offices. The
87 8 prevailing party shall be awarded all costs of such litigation
87 9 including reasonable attorney fees.

87 10 19. DISPUTE RESOLUTION.

87 11 a. The interstate commission shall attempt, upon the request
87 12 of a member state, to resolve disputes which are subject to
87 13 the compact and which may arise among member states or member
87 14 boards.

87 15 b. The interstate commission shall promulgate rules
87 16 providing for both mediation and binding dispute resolution as
87 17 appropriate.

87 18 20. MEMBER STATES, EFFECTIVE DATE, AND AMENDMENT.

87 19 a. Any state is eligible to become a member state of the
87 20 compact.

87 21 b. The compact shall become effective and binding upon
87 22 legislative enactment of the compact into law by no less than
87 23 seven states. Thereafter, it shall become effective and
87 24 binding on a state upon enactment of the compact into law by
87 25 that state.

87 26 c. The governors of nonmember states, or their designees,
87 27 shall be invited to participate in the activities of the
87 28 interstate commission on a nonvoting basis prior to adoption
87 29 of the compact by all states.

87 30 d. The interstate commission may propose amendments to the
87 31 compact for enactment by the member states. No amendment shall
87 32 become effective and binding upon the interstate commission and
87 33 the member states unless and until it is enacted into law by
87 34 unanimous consent of the member states.

87 35 21. WITHDRAWAL.

88 1 a. Once effective, the compact shall continue in force and
88 2 remain binding upon each and every member state, provided that
88 3 a member state may withdraw from the compact by specifically
88 4 repealing the statute which enacted the compact into law.

88 5 b. Withdrawal from the compact shall be by the enactment
88 6 of a statute repealing the same, but shall not take effect
