Road Use Tax Fund appropriation for the Mississippi River Parkway Commission.

DETAIL: Maintains the current level of funding compared to estimated FY 2015. The Mississippi River Parkway Commission (MRPC) is a multistate organization that is comprised of the states bordering the Mississippi River, including Arkansas, Illinois, Iowa, Kentucky, Louisiana, Minnesota, Mississippi, Missouri, Tennessee, and Wisconsin. Each state has its own individual commission. There are 10 members of the MRPC appointed by the Governor serving four-year terms. In addition to those members appointed by the Governor there are seven advisory, ex-officio members of the Commission. The MRPC meets quarterly.

The Mississippi Parkway Planning Commission in Iowa is established in Iowa Code section 308.1, and is responsible for promoting transportation and tourism along the 326-mile Iowa Great River Road. Specifically, the Commission develops and implements a Corridor Management Plan. The Plan includes establishing signage requirements, restrictions on outdoor advertising, methods to market and promote the Corridor, and actions to involve the public. This appropriation will fund annual organization dues and operational costs.

Road Use Tax Fund appropriation for the maintenance of the Traffic and Criminal (TraCS) and Mobile Architecture and Communications Handling (MACH) programs.

DETAIL: This is a new appropriation. TraCS and MACH are separate information technology systems that provide information to lowa public safety agencies. The TraCS collects vehicle collision data from law enforcement agencies, and provides an electronic platform for citations. The MACH system enables shared information among public safety agencies. The system provides enhanced dispatch features, and other communications features. This appropriation will support program administration and future project enhancements.
