

Division III. Sources of Gross Income.

In each one of the following categories list each source which produces more than \$1,000 in annual gross income, if the revenue produced by the source was subject to federal or state income taxes last year. List the nature or type of each company, business, financial institution, corporation, partnership, or other entity which produces more than \$1,000 of annual gross income. Neither the amount of income produced nor value of the holding is required to be listed in any of the items.

Do not report income received by your spouse or other family members.

In completing Division III of this form, if your percentage of ownership of an asset is less than 100 percent, multiply your percentage of ownership by the total revenue produced to determine if you have reached the \$1,000 threshold.
