The Assessor Education Commission was established on Jan. 1, 1979, pursuant to Senate File 221, enacted by the 67th General Assembly. This seven-member commission consists of the director of revenue, two Iowa assessors appointed by the executive board of the Iowa State Association of Assessors, one member appointed by the State Board of Tax Review and three lay persons appointed by the governor.

The AEC was created to develop and administer a program of continuing education for Iowa assessors and deputy assessors emphasizing assessment and appraisal procedures, assessment laws of the state and the subject matter specified in Section 441.5, 1985 Code of Iowa. The basic responsibilities of the Assessor Education Commission are:

1. To establish or designate the courses to be offered as part of the continuing education program, content of courses, and the number of hours of classroom instruction for each course.
2. To meet periodically to evaluate the continuing education program in order to make any changes necessary.
3. To uphold the confidentiality of examinations.
4. Certification to conference boards of eligibility for reappointment of assessors.
5. Rule making.

The objective of the AEC is to continually strive to keep all Iowa assessors informed of educational requirements and commission activities, to certify courses that address relevant subject matters and to explore different avenues of education as need arises.
