The Superintendent of Banking is appointed by the Governor subject to confirmation by the Senate to a four-year term. The superintendent is an ex officio member and chair of the State Banking Council, which acts in an advisory capacity in matters which come before the superintendent.

The superintendent is charged with the supervision and regulation of all state-chartered banks, trust companies, debt management companies, delayed deposit services, money services businesses, mortgage bankers, mortgage brokers, individual mortgage registrants (mortgage loan originators), industrial loan companies, and regulated loan companies. The superintendent and Banking Division staff protect the interests and rights of depositors, borrowers, creditors, and shareholders of the entities subject to regulatory purview of the division.

The division conducts regular on-site examinations and off-site monitoring of regulated institutions and processes applications for new charters and licenses, charter conversions, mergers and acquisitions, dissolutions, new offices, office relocations, and office closures. In addition to its regulatory functions, the division provides fundamental and technical assistance to banks and advises governmental bodies, agencies, and individuals in banking matters.

The superintendent also administers and coordinates within the Professional Licensing and Regulation Bureau the licensing and regulation of several professions through the following licensing boards: Accountancy Examining Board, Architectural Examining Board, Engineering and Land Surveying Examining Board, Interior Design Examining Board, Landscape Architectural Examining Board, Real Estate Appraiser Examining Board, and the Real Estate Commission.

The banking and finance operations are funded by assessments on the entities they regulate and use no tax dollars in their operations. The Professional Licensing and Regulation Bureau is funded by a combination of fees and an appropriation.
