This program requires the initial and continued training of all law enforcement officers in the state regardless of whether the officer is employed by the state, a county or a municipality. The academy provides a 10-week, recruit-training program together with in-service and command-level programs as well as specialized schools in all areas of law enforcement. The training, all equipment and material for such training are provided at no cost to the officer, department or the community.

The academy is responsible for the development of training programs, the approval of regional training facilities and the establishment and enforcement of hiring standards for law enforcement officers. In addition to making recommendations to the governor, the attorney general, the Department of Public Safety and the Legislature deemed necessary for improvement of the law enforcement service, the academy is authorized to direct research and accept grants to conduct studies directed toward upgrading law enforcement to professional status.
