The Iowa Law Enforcement Academy was created by action of the General Assembly in 1967 to maximize training opportunities for law enforcement officers, to coordinate training, and to set standards for the law enforcement service, as provided for in Iowa Code chapter 80B.

The academy provides residential training sessions varying in length from 12-week basic certification courses to one-day specialty and in-service seminars. Academy-sponsored and -conducted training programs are held in the field as well as at the central facility at Camp Dodge.

In 1985 and 1986, the academy was given the responsibility for the administration of a program of psychological testing of applicants for law enforcement positions. In 1986 action taken by the General Assembly assigned to the academy the responsibility of providing training to jailers of county jails and city holding facilities. Action by the General Assembly in 1996 placed with the academy the responsibility for providing training for telecommunicators.

All reserve peace officers in the state who are granted authority by their jurisdiction to carry weapons must first be certified to do so by application to and approval of the Iowa Law Enforcement Academy Council. The academy develops training programs, approves regional training programs, establishes hiring standards for peace officers, and provides audiovisual resources to law enforcement training and educational institutions.
