Two of the board members may be public members; however, at no time shall more than five of the members be directors or employees of a credit union. A list of nominees may be submitted to the governor by any credit union located in the state. It is the intent and responsibility of the administrator and department staff to protect the interests and corporate rights of the more than 500,000 members of Iowa credit unions. This is done through regular examination and analization of the operation in each credit union, with such remedial action taken as deemed necessary. In addition the department provides an orderly process for the chartering, merger, conversion and liquidation of state credit unions; advises governmental bodies and agencies and individuals in matters of credit union affairs; provides fundamental and technical assistance to credit unions; properly disposes of public complaint or inquiry pertaining to the management of state credit unions; provides state liaison with authorized member account insurers and maintains an equitable fee structure and offset of department expenditures.
