The Department of Credit Unions was established January 1, 1979, by the General Assembly, and was reorganized as the Credit Union Division within the Department of Commerce by the General Assembly effective July 1, 1986. The superintendent is appointed by and serves at the pleasure of the Governor subject to confirmation by the Senate. The seven-member review board is appointed by the Governor for staggered three-year terms, and is also subject to confirmation by the Senate. Two of the board members may be public members; however, at no time shall more than five of the members be directors or employees of a credit union. A list of nominees may be submitted to the Governor by any credit union located in the state. The board may adopt administrative rules pursuant to Iowa Code chapter 17A or take such action as it deems necessary or suitable to effect the provisions of Iowa Code chapter 533.

The superintendent is charged with the supervision, control, and enforcement of the laws, by-laws, rules, and regulations pertaining to the organization and operation of credit unions operating under a state charter. It is the intent and responsibility of the superintendent and division staff to protect the interests and corporate rights of more than 780,000 members of Iowa credit unions. This is done through regular examination and analysis of the operation in each credit union, with such remedial action taken as deemed necessary. In addition, the division provides an orderly process for the chartering, merger, conversion, and liquidation of state credit unions; advises governmental bodies and agencies and individuals in the matters of credit union affairs; provides fundamental and technical assistance to credit unions; provides state liaison with authorized member account insurers; and maintains an equitable fee structure and offset of division expenditures.
