

the following bureaus — Information Security Office, Infrastructure Services, Applications and Electronic Government Services, and Integrated Information for Iowa (I/3).

**Information Security Office** – *Jeff Franklin, Information Security Officer*; Hoover State Office Building, Level B, Des Moines 50319; (515) 281-4820

The Information Security Office provides information security guidance and technical support to state agencies and others. It maintains and enforces the enterprisewide information security operating standards; performs security audits and assessments of public sector information systems; provides information security training; and provides emergency response services in the event of security incidents.

**Infrastructure Services** – *Lorrie Tritch, Administrator*; Hoover State Office Building, Level B, Des Moines 50319; (515) 242-5898

The Infrastructure Services Bureau is responsible for the operation of two data centers (primary site and a disaster recovery backup site), mainframe processing, data storage, backup and retrieval services, print services, server hosting, messaging services, web hosting, networking, desktop support, and service desk/help desk support, and providing high-quality information technology technical consulting services.

**Applications and Electronic Government Services** – *Mark Uhrin, Administrator*; Hoover State Office Building, Level B, Des Moines 50319; (515) 281-5818

The Applications and Electronic Government Services Bureau manages programming and other project staff to support the development and ongoing maintenance of computer applications for enterprise and executive agencies; develops and maintains the systems that provide citizens and businesses electronic access to a wide range of state government services and resources; and manages the database/data warehouse area to provide innovative technical support to state agencies and citizens.

**Integrated Information for Iowa (I/3) Technical Support** – *Steven Larson, Administrator*; Hoover State Office Building, Level B, Des Moines 50319; (515) 725-2086

The I/3 Technical Support Bureau provides the strategic direction as well as the technical deployment and support of the Integrated Information for Iowa (I/3) system, which includes the enterprise accounting, procurement, applicant tracking, and budget preparation functions for the state of Iowa. The support and network infrastructure is built on a software platform developed by CGI Technologies and Solutions, Inc. When funding allows, the move of the human resources/payroll functions to a modern system will complete the I/3 system project. Currently, these functions remain on the state's old legacy platform.
