The Capitol Planning Commission was established by the General Assembly in 1959, and is composed of legislators, citizens of Iowa appointed by the Governor, and the Director of the Department of Administrative Services or the director's designee. The commission's purpose is to provide advice regarding the location and architecture of buildings and other aspects of the development of the State Capitol grounds.

The Iowa Vertical Infrastructure Advisory Committee was established by Governor Thomas Vilsack's Executive Order Number 3 in February 1999 to oversee the inventory and assessment of state buildings and to make recommendations annually to the Governor regarding the use of appropriated funds.

The ADA Advisory Committee was established to focus on the unique issues related to building and facility accessibility required by the Americans with Disabilities Act (ADA), and to make recommendations to the Department of Administrative Services and to the Governor's Vertical Infrastructure Advisory Committee on ADA projects.
