

facility and 350 in the minimum-security facility. IPI operates an on-site central commissary which serves all nine institutions. The medium-security facility operates on a unit management philosophy and has a variety of custody levels within medium security ranging from close custody to dormitory housing. This allows the facility to reward offender growth and positive conduct while sanctioning misconduct. The facility operates from a philosophy that challenges offenders to confront the issues that have resulted in their incarceration. The facility offers and expects offenders to participate in programs as prescribed by the classification committee, including work programs; education programs, including adult basic education and GED preparation and testing; cognitive treatment; criminality intervention; and substance abuse treatment.

The minimum-security facility includes general population offenders and offers a substance abuse program.

North Central Correctional Facility – *Cornell R. Smith, Warden*; Rockwell City 50579; (712) 297-7521

The North Central Correctional Facility (NCCF) is a minimum-security institution with a current capacity of 245 and holding 494 offenders on July 1, 2013. Iowa Prison Industries operates an on-site work program as well as an off-grounds private sector employment program. The mission of NCCF is to prepare offenders for a successful transition from prison to society as law-abiding citizens. NCCF utilizes work, programs, and individual responsibility to reduce victimization. Offenders are engaged in many work opportunities such as, but not limited to: private-sector work (outside the secure perimeter, working for a private company, operated under federal guidelines), community work (outside the secure perimeter, working for governmental agencies and nonprofit organizations), and institutional jobs (typical jobs such as food service, maintenance, and grounds crew). Offenders are offered treatment programs in GED, substance abuse, anger management, money management, life skills, work readiness, and victim impact classes, just to name a few. Offenders, through other unique opportunities, are allowed to give back to society for what they have taken. These opportunities are through programs such as Leader Dog for the Blind (offenders raise puppies for one year that are trained as seeing-eye dogs), Animal Shelter Dog Program (offenders take in dogs from the local shelter and socialize them for adoption), eyeglass shop (offenders take donated eyeglasses from the Lions Club and read scripts, clean them, and then package them for third-world countries and underprivileged people in the United States), Bikes for Tykes (offenders refurbish donated used bicycles to children in northwest Iowa who are underprivileged), and Animal Rescue League Horse Program (horses that are removed by court order and need care are brought to NCCF and groomed back into condition for adoption).
