The Iowa Board of Corrections is a seven-member bipartisan board appointed by the Governor, with members serving four-year terms. This board is a policy-setting board and is required to meet at least 12 times per year.

The Iowa Department of Corrections (DOC) manages correctional services in four areas: secure institutions, community-based correctional services, system administration, and prison industries.

The department's mission is to advance successful offender reentry to protect the public, staff and offenders from victimization.
