The Iowa Department of Economic Development (IDED) enhances the economic development of the state and provides for job creation, increased prosperity and opportunities for the citizens of the state through financial and technical assistance, training to businesses and individuals and coordination of other state, local, and federal economic development programs. Key to the success of IDED is its attention to working with companies that invest in the state through infrastructure development and that create high-quality, high-wage positions.

The IDED, working with its board of directors, designs and implements policies which increase opportunities for Iowa, its citizens, and communities. Through an integrated program base, developing a positive quality of life for all Iowans is of utmost importance. Business and community development, workforce training, international trade potential, and tourism and recreation opportunities all add to enhancing Iowa's excellent quality of life.

There are 15 voting members on the Economic Development Board, as well as seven ex officio, nonvoting members. The Governor appoints the voting members. The ex officio members are two state senators and two state representatives appointed by legislative leadership; one president or designee of the University of Iowa, Iowa State University, or the University of Northern Iowa designated by the State Board of Regents on a rotating basis; one president or designee of a private college or university appointed by the Iowa Association of Independent Colleges and Universities; and one president or designee of a community college appointed by the Iowa Association of Community College Presidents. The IDED director is appointed by the Governor and confirmed by the Senate.

The department has four divisions: Administration, Business Development, Community Development, and Innovation and Commercialization.

**ADMINISTRATION DIVISION**

*200 East Grand Avenue, Des Moines 50309; (515)725-3036*

Terry Roberson, Administrator

The Administration Division provides budget, accounting, communications, technology, and general administrative support services to the department.

**BUSINESS DEVELOPMENT DIVISION**

*200 East Grand Avenue, Des Moines 50309; (515)725-3121*

Jeff Rossate, Administrator

The Business Development Division seeks to enhance job opportunities for Iowans by helping companies expand, locate, or start up in Iowa. Focusing on three targeted industries — biosciences, information solutions/financial services, and advanced manufacturing — the division coordinates and administers financial assistance programs that help business thrive in the state. In addition, the Business Development Division provides technical support for entrepreneurial efforts, export assistance, workforce attraction, and regulatory and environmental assistance.
