

Library development staff provides continuing education, accreditation, certification, and youth services support to Iowa's libraries. Library development activities also include coordination and support of an on-line statewide library catalog and Iowa's library resource sharing programs; collecting and publicizing statistics about Iowa's libraries; management of the direct state aid for the Public Libraries Program; coordination of the Iowa Center for the Book and the All Iowa Reads Program; and statewide purchasing and distribution of informational databases for Iowa public and academic libraries and their customers.

The Iowa Commission of Libraries is responsible for seeing that the State Library fulfills its mission to advocate for Iowa libraries and promote excellence and innovation in library services in order to provide statewide access to information for all Iowans. The Governor-appointed, eight-member commission has the rulemaking authority for the State Library and receives and approves its budget. It also appoints the State Librarian.
