

abled persons, pregnant women, and very low-income parents. This includes women who have been screened and diagnosed by the Breast and Cervical Cancer Early Detection Program (BCCEDP) and women participating in the Iowa Family Planning Network. Iowa Medicaid pays for medically necessary health care services, including acute care services typically covered in any health insurance program. These include hospitalization, physician and advanced registered nurse practitioner (ARNP) services, dental care, emergency transportation by ambulance, laboratory, X ray, etc. In addition, Medicaid provides coverage for long-term care services, such as nursing home care, intermediate care facilities for the mentally retarded (ICF/MR), and home and community-based care that allows individuals to stay in their own homes or small congregate settings. The division administers several contracts to manage the delivery of care to the Medicaid population.
