The Governor appoints the commission with Senate approval. Three members must be county supervisors at the time of their appointment; two must be selected from nominees submitted by the director; one must be an active board member of a community mental health center selected from nominees submitted by the Iowa Association of Community Providers; one must be an active board member of an agency serving persons with developmental disabilities selected from nominees submitted by the Iowa Association of Community Providers; one must be a board member or employee of a provider of mental health or developmental disabilities services to children; two must be administrators of the central point of coordination process established in accordance with Iowa Code section 331.440 selected from nominees submitted by the community services affiliate of the Iowa State Association of Counties; one must be selected from nominees submitted by the state's Council of the Association of Federal, State, County, and Municipal Employees; and three must be service consumers or family members of service consumers. Of these members, one must be a service consumer, one must be a parent of a child service consumer, and one must be a parent or other family member of a person admitted to and living at a state resource center. Two members must be selected from nominees selected by service advocates. Of these, one must be an active member of a statewide organization for persons with brain injury. In addition to the voting members, the membership includes four members of the General Assembly, with one member designated by each of the following: the Majority Leader of the Senate, the Minority Leader of the Senate, the Speaker of the House of Representatives, and the Minority Leader of the House of Representatives. Legislative members serve *ex officio*.

The commission's responsibilities include advising the divisions of the department on the overall administration of the state disability services system; making system design recommendations for adults and children with MI/MR/DD/BI to the General Assembly and executive branch; adopting rules as necessary pursuant to Iowa Code chapter 17A, which relate to disability programs and services; adopting standards for accreditation of community health centers and other mental health programs; biannually submitting a report on the availability and cost-effectiveness of services; and advising the administrator, the Council on Human Services, the Governor, and the General Assembly on budgets and appropriations concerning disability services.

MENTAL HEALTH AND DISABILITY SERVICES DIVISION

*Hoover State Office Building,
Des Moines 50319; (515)281-0377*

The Mental Health and Disability Services Division is responsible for providing state leadership in the development of community mental health, mental retardation, and developmental disabilities services. The division is also responsible for statewide mental health and mental retardation planning, and administers the Community Mental Health Block Grant, including funding evidence-based services for persons with mental health and disability needs. The division develops standards for, accredits, and monitors community mental health and disability service providers. The division also provides technical assistance to county central points of coordination staff related to financing and programs for persons with mental health and disability service needs.
