The Board of Medical Examiners was created by the General Assembly in 1886. The Board of Osteopathic Examiners was established in 1907. These two agencies became a composite Board of Medical Examiners by action of the General Assembly in 1963. In 2007 the General Assembly changed the board's name to the Board of Medicine. Board members are appointed by the Governor for three-year terms, with confirmation by the Senate. The board has six regularly scheduled meetings annually and is responsible for administering and enforcing state laws and administrative rules governing the licensure and practice of medicine and surgery, osteopathic medicine and surgery, and licensed acupuncturists.

The board licenses based on the results of two three-part national examinations: USMLE for medical doctors and osteopathic physicians and surgeons or COMLEX for osteopathic physicians and surgeons. The board also determines the eligibility of physicians for licensure by endorse-
