**Family and Community Health, Division of** - *Mary Weaver, R.N., M.S.N., Deputy Director for Public Health; Division of Family and Community Health, Lucas State Office Building, Des Moines 50319 / 281-3931*

The Division of Family and Community Health provides support for local public health services throughout Iowa, including public health nursing services, well-elderly clinics, home care aide services, genetic counseling services, dental public health services, maternal and child health services, family planning services, adolescent health, child health specialty clinics, and nutrition services including WIC (Women, Infant and Children). Working with local boards of health in community development for assuring public health services is also a part of this division.

Advice and assistance are provided to local communities pertaining to the incidence and control of all communicable diseases. Disease control programs are conducted for such diseases as sexually transmitted diseases, tuberculosis, vaccine preventable diseases, and Acquired Immune Deficiency Syndrome (AIDS). Active monitoring of disease occurrence, case investigations, and medical consultation in diagnosis, treatment, and control are conducted daily.

Health engineering and consumer safety programs within the division focus on compliance with the FDA childhood lead screening and milk standards, various environmental water quality problems, and product safety recalls.

The division establishes program standards and assists communities to develop services by providing technical assistance, monitoring, and financial support. Most of the services are provided through contract with city or county governmental units or agencies serving a county or regional area. Additional services are provided directly by division staff and through contracts with University of Iowa.

The Board of Medical Examiners was created by the 21st General Assembly in 1886. The board of Osteopathic Examiners was established in 1907. These two agencies became a composite Board of Medical Examiners by action of the 60th General Assembly in 1963. Board members are appointed by the governor for three-year terms, with confirmation by the Senate.

The board meets nine times annually and is responsible for administering and enforcing state laws and administrative rules governing licensure and the practice of medicine and surgery, osteopathic medicine and surgery, osteopathy, and registered acupuncturists.

The board administers Step 3 of the United States Medical Licensing Examination (USMLE)
