The Board of Medical Examiners was created by the General Assembly in 1886. The Board of Osteopathic Examiners was created by the General Assembly in 1921. These two agencies became a composite Board of Medical Examiners by action of the General Assembly in 1963. In 1994, the General Assembly gave the board the authority to register acupuncturists, and subsequently the licensure and regulation of acupuncturists when the law was changed in 2001. In 2007, the General Assembly changed the board's name to the Board of Medicine. Board members are appointed by the Governor for three-year terms, with confirmation by the Senate. The board is composed of 10 members — five medical physicians, two osteopathic physicians, and three non-physician public members. In addition, the board can have up to 10 alternate members who can serve on administrative panels in contested case hearings. The board has six or seven regularly scheduled meetings annually at its office at 400 Southwest Eighth Street, Des Moines, and six or seven regularly scheduled teleconference meetings annually. The board is responsible for administering and enforcing state laws and administrative rules governing the licensure and practice
