The Iowa College Student Aid Commission is a state agency with a long-standing commitment to helping Iowans pursue education beyond high school. Established in 1963 by the Iowa General Assembly to implement the federal assistance program for construction of academic facilities provided by the Higher Education Act of 1963, the Iowa College Student Aid Commission now administers state scholarships, grants, work study, and loan forgiveness programs; manages registration of postsecondary institutions; conducts research and distributes higher education data; offers Iowans assistance in obtaining student financial aid and college-related information; and provides college access, financial literacy, and outreach services to Iowa's students and families as they prepare, plan, and pay for college.

The Iowa College Student Aid Commission works with all sectors of higher education and with the state's K-12 system. A board of commissioners governs the operation of the commission. As specified by Iowa law, 14 commissioners are appointed to represent the Board of Regents, the Iowa Department of Education, Iowa independent colleges and universities, Iowa community colleges, each house of the General Assembly, Iowa lending institutions, Iowa students, student loan borrowers, and the general public. The Governor appoints those commissioners representing borrowers, students, lenders, independent colleges, community colleges, and the general public. The Director of the Department of Education serves by virtue of office. The remaining four members are appointed by the General Assembly.
