Brad Buck, Director .....	Serves at Pleasure of Governor
---------------------------	--------------------------------

The Department of Education and the State Board of Education provide oversight, supervision, and support for the state education system, which includes all public preschool, elementary, and secondary schools; nonpublic schools that receive state accreditation; area education agencies; community colleges; and teacher preparation programs. They also oversee the educational services of the Division of Vocational Rehabilitation Services, which assists students with disabilities in high schools, community colleges, four-year colleges, and regent institutions in the state in their transition from educational settings to employment. The department works in collaboration with the state system of public libraries and assists Iowa Public Television in its provision of educational services.

Although the department's scope of responsibility spans from prekindergarten through community colleges, one of its most important leadership roles is to set priorities for the state's educational system. Current priorities include improving access to quality preschool programs, providing professional development and technical assistance to improve teaching and learning, implementing new state and federal laws, and promoting innovation in order to address the needs of students in the 21st century.

The department director is appointed by the Governor to serve a four-year term, subject to confirmation by the Senate. The director's role is to provide leadership for the department as it carries out the policies and programs prescribed by law and the State Board of Education and to ensure department personnel are providing the necessary oversight and support for all schools,
