Ex officio, nonvoting member:

Michael L. Fitzgerald, Treasurer of State Statutory

On July 1, 2003, the Iowa Lottery Division of the Iowa Department of Revenue and Finance was eliminated and replaced with the Iowa Lottery Authority, a public enterprise based on a business model.

The legislation creating the change provided some key phrases of purpose and intent for the Iowa Lottery Authority. In the legislation, the Iowa General Assembly declared that “[t]he state should create a public instrumentality of the state in the form of a nonprofit authority known as the Iowa Lottery Authority with comprehensive and extensive powers to operate a state lottery in an entrepreneurial and businesslike manner.” Another section of the legislation stated that “[I]ottery games shall be operated and managed in a manner that provides continuing entertainment to the public, maximizes revenues and ensures that the lottery is operated with integrity and dignity and free from political influence.”

The Iowa Lottery began operations in 1985 and is overseen by the Iowa Lottery Board and the lottery chief executive officer (CEO). The board and CEO establish the lottery’s budget and supervise and approve the activities of the lottery. Among the board and CEO’s duties are establishing policies for the operation of lottery games within the state; approving all contracts for operation of the lottery; and establishing rules as to the operations of specific games and lottery activities. The CEO and the five voting board members are appointed by the Governor and are subject to confirmation by the Senate. The Treasurer of State serves as an ex officio member of the board.

IPERS and the IPERS Trust Fund are established in Iowa Code chapter 97B. IPERS was created in 1953 to replace the Iowa Old-Age and Survivors' Insurance System. As a defined benefit plan, IPERS is intended to provide public employees a core pension that is complemented by social security benefits and personal savings. IPERS benefits are based on a member's years of service, high three-year average covered wage, and a formula multiplier. Four or more years of
