The Iowa Lottery Authority operates as a public enterprise based upon an entrepreneurial business model.

Some key phrases of purpose and intent were included in the legislation that created the Iowa Lottery Authority. In the legislation, the General Assembly declared that “[t]he state should create a public instrumentality of the state in the form of a nonprofit authority known as the Iowa Lottery Authority with comprehensive and extensive powers to operate a state lottery in an entrepreneurial and businesslike manner.” Another section of the legislation stated that “[l]ottery games shall be operated and managed in a manner that provides continuing entertainment to the public, maximizes revenues and ensures that the lottery is operated with integrity and dignity and free from political influence.”

The Iowa Lottery began operations in 1985 and is overseen by the Iowa Lottery Board and the lottery chief executive officer (CEO). The board and CEO establish the lottery’s budget and supervise and approve the activities of the lottery. Among the board and CEO’s duties are establishing policies for the operation of lottery games within the state; approving all contracts for operation of the lottery; and establishing rules as to the operations of specific games and lottery activities. The CEO and the five voting board members are appointed by the Governor and are subject to confirmation by the Senate. The Treasurer of State serves as an ex officio member of the board.

The Iowa Public Employees' Retirement System (IPERS) and the IPERS Trust Fund are established in Iowa Code chapter 97B. IPERS was created in 1953 to replace the Iowa Old-Age and Survivors' Insurance System. IPERS is intended to provide public employees a core pension that is complemented by social security benefits and personal savings. A defined benefit plan, IPERS provides lifetime benefits determined by a member's years of service, high three-year average covered wage, and a formula multiplier. Members must complete four or more years of service or turn age 55 while contributing to IPERS to qualify for a lifetime benefit.

IPERS is an independent agency within the executive branch of state government. The General Assembly and the Governor, as creators of the plan, are the plan sponsors and determine who is covered by the plan, the benefits offered, and how the plan is funded. Public employees contribute during their working career for their own future retirements. Benefits are funded entirely by contributions from employees and their employers, and investment earnings.
