

Payments are made as work progresses and cease upon the DNR's classification as "No Action Required." The board meets monthly to approve claim payments and handle other administrative matters affecting the program.

Owners of petroleum-contaminated property or former underground storage tank owners may contact the board to pursue any potential benefits available to them. Additionally, board statutes grant benefits to governmental subdivisions that acquire former UST sites pursuant to eminent domain. Counties are also eligible for benefits for properties they acquire through delinquent taxes.

The board works closely with the DNR to coordinate assessment and corrective action at eligible claimant sites. The DNR determines what must occur to reach "No Action Required" status, and the board determines what activities will be reimbursable. The board preapproves all costs prior to the commencement of the activities at an eligible site.

Iowa Code chapter 29 establishes the Department of Public Defense. The Adjutant General is the Director of the Department of Public Defense and shall perform all functions, responsibilities, powers, and duties over the military forces of the state of Iowa as provided in the laws of the state.

The Department of Public Defense includes the Office of the Adjutant General and all functions, responsibilities, powers, and duties of the Adjutant General and the military forces of the state.

Iowa Code chapter 29A, the Military Code of Iowa, provides for the establishment, command, support, administration, and operation of the military forces of the state of Iowa, as promulgated by the U.S. Constitution and implementing federal statutes, the Iowa Constitution, and applicable federal policies and regulations.

The Iowa National Guard (Army and Air) constitutes the military forces of the state of Iowa except during such time as it may be in the active service of the United States. The Military Code of Iowa provides for the establishment of an “Iowa State Guard” during such time as the Iowa National Guard is in active federal service.

The state mission of the Iowa National Guard is to provide sufficient organizations of guard units in the state, so trained and equipped as to enable them to function efficiently at existing strength in the protection of life and property and the preservation of peace, order, and public safety, under competent orders of the state authorities.

The Governor is the commander in chief of the military forces, except when they are in federal status. The Governor may employ the military forces of the state for the defense or relief of the state; the enforcement of its laws; the protection of life and property; emergencies resulting from disasters or public disorders, as defined in Iowa Code section 29C.2; and parades and ceremonies of a civic nature.

The Adjutant General of Iowa is appointed by the Governor and, as chief of staff to the commander in chief, executes all orders. The Adjutant General is responsible for the administration, organization, equipment, and training of the military forces of the state in accordance with policies and directives of the Department of Public Defense as well as federal law and regulation.

The federal mission of the Army and Air National Guards of the United States is to provide units for the reserve components of the Army and Air Force, adequately organized, trained, and equipped and available for mobilization in the event of a national emergency or war, in accordance with the
