The Department for the Blind, established in 1925, provides services to Iowans who are blind or severely visually impaired that support their rights and aspirations to participate fully, productively, and equally as first-class citizens in society. These services are provided through the department's four divisions: the Adult Orientation and Adjustment Center; Field Operations, which provides vocational rehabilitation and independent living services; the Library for the Blind and Physically Handicapped; and the Business Enterprises Program. The department maintains a registry of blind Iowans and provides valid information about blindness through speaking engagements, in-service training, informational materials, and a fully accessible website.

The Adult Orientation and Adjustment Center is a residential training program where blind adults learn the blindness techniques and develop the self-confidence they need to live
