"The object of the academy shall be the encouragement of scientific work in the state of Iowa."

Membership is not limited to those giving their time to the advancement of science either in teaching or in original research, but is open to those interested in scientific subjects.

Members of the academy are divided into four groups: (1) fellows, who shall be elected from residents of the state of Iowa actively engaged in scientific work; (2) associates, residents of the state of Iowa who are interested in the progress of science, but not direct contributors to original research; (3) corresponding fellows, fellows who have moved outside the state; and (4) honorary fellows, to be elected by vote from original workers in science in other states.

Papers of general interest in addition to those that are technically scientific are presented at each annual meeting.

Meetings are held each spring, time and place being fixed by the executive committee.

The academy publishes each year a volume containing a report of the proceedings of the annual meeting and the papers which have been presented at that time.

INSPECTOR OF BEES.

Appointed by the Governor. Term two years. Compensation \$5.00 per diem. Term expires April 19, 1918.

FRANK C. PELLETT, of Atlantic, Cass county.

The governor is authorized to appoint a competent man as inspector of bees. It is the duty of such inspector, when notified in writing by at least three beekeepers of any locality of the existence or supposed existence of the disease known as "foul brood" among the apiaries of the locality, to at once thoroughly examine such apiaries as are reported and thus ascertain where such disease exists. The inspector is given power to make remedial orders
