

effort in the state, and is to advise on the development of or amendment to the state plan for vocational education. The council is also charged with the responsibility of conducting at least one public hearing annually at which any concerns about vocational and career education can be brought to the council. The council is to perform other duties as required in order for the state to qualify for federal aid and grants for vocational education.

The law provides that the membership of the council will have a minimum of 20 members and not more than 23 members and further specifies the backgrounds of the individuals that must be represented on the council. The council will hold a minimum of one meeting each quarter.
