The Board of Dental Examiners was created in 1882 and consists of nine members: five dentists, two dental hygienists, and two representatives of the general public. The members are appointed by the governor with confirmation by the Senate for staggered three-year terms.

The board has as its primary responsibility the promotion and safeguarding of dental health of the citizens of Iowa through its enforcement of the Dental Practice Act and related rules and regulations.

The board conducts examinations yearly for licensure to practice dentistry and dental hygiene. The board determines eligibility of dentists and dental hygienists for licensure by credentials. The board also issues resident permits to qualified dentists practicing as a resident, intern, or graduate dentist at the University of Iowa College of Dentistry and issues faculty permits to qualified dentists and dental hygienists
