Kevin W. Techau, Commissioner of Public Safety.....Serves at Pleasure of Governor

The Iowa Department of Public Safety was created by the General Assembly in 1939, through the consolidation of several departments and divisions under one executive designated as Commissioner of Public Safety. The Iowa Department of Public Safety has the duty of safeguarding the lives and property of Iowans and visitors to the state through enforcement of state laws. The department is a statewide law enforcement and public safety agency that complements and supplements local law enforcement agencies and inspection services.

The commissioner's office includes the Professional Standards Bureau; Public Information Bureau; Plans, Research and Training Bureau; Governor's Traffic Safety Bureau; and Intelligence Bureau. An assistant attorney general is also assigned to the department.

The Iowa Department of Public Safety includes the following divisions:

ADMINISTRATIVE SERVICES DIVISION

Wallace State Office Building, Des Moines 50319; (515)281-8387

David R. Heuton, Director

The Administrative Services Division provides support services to the department in the general areas of accounting, budgeting, data processing, and personnel services. The division issues private investigative and security agency licenses and the state weapons permit. The division also provides data processing support to other state and local criminal justice agencies through the provision of online criminal justice databases available to all criminal justice agencies via data terminals located in major police departments and county sheriffs' offices. National criminal justice information is also provided through the National Crime Information Center and the National Law Enforcement Telecommunications System.

DIVISION OF CRIMINAL INVESTIGATION

Wallace State Office Building, Des Moines 50319; (515)281-5138

Gene Meyer, Director

The Iowa Division of Criminal Investigation provides expertise to local law enforcement when called upon to assist in criminal investigations. The division also investigates matters involving security of state government and is the agency with the primary responsibility for the enforcement of the lottery and pari-mutuel and gaming laws.

The division is divided into four sections:

1. The Administrative Section oversees the Identification Unit. This unit is responsible for all criminal history information. This section also oversees the division's budget and administers all matters related to support staff.
2. The Criminalistics Laboratory Section performs scientific analysis of all kinds of physical evidence. Forensic chemistry, serology, firearms identification, toxicology, photography, document examination, latent impression examination, and other scientific services are made available to all law enforcement agencies in the state.
3. The Field Operations Section conducts a wide variety of criminal investigations, such as murder, rape, robbery, and fraud, and collects information about ongoing criminal activities.
