The basic science law enacted by the Forty-sixth General Assembly establishes a state board of examiners in the fundamental sciences underlying the practice of the healing arts, providing for its organization and powers, and that certification by such board following examination in the six basic sciences of anatomy, physiology, chemistry, pathology, bacteriology and hygiene is prerequisite to eligibility for examination for a license to practice medicine and surgery, osteopathy, osteopathy and surgery, and chiropractic. It establishes uniform educational standards in the fundamental sciences for all applicants for license to diagnose and treat human ailments. The act does not apply to dentists, dental hygienists, nurses, pharmacists, optometrists, embalmers, podiatrists, barbers or cosmetologists practicing within the limit of their respective professions, or Christian Scientists.

The personnel of the board consists of six members learned in the basic sciences, having no degree in the healing arts. The members of the board receive as compensation \$15 per diem for the time actually employed and necessary expenses incurred in the discharge of their duties which is paid out of funds in the state treasury received as fees from applicants for examination.

The board meets in Des Moines and there conducts the examinations in the basic sciences four times each year, respectively, on the second Tuesday in January, April, July and October. The examination fee is \$20.
