

J. STUART KIRK ..... Des Moines  
 DON BELL, Secretary ..... New London  
 ROLLAND A. GALLAGHER, Director.

The original Iowa Liquor Control Commission was replaced by an Act of the 64th General Assembly.

The Act provided for the creation of the Iowa Beer and Liquor Control Department to administer and enforce the laws of this State concerning beer and alcoholic liquor. Within this department was created a liquor control council composed of five members, not more than three of whom shall belong to the same political party. The initial council was appointed by the Governor for respective terms of one, two, three, four and five years, to commence Jan. 1, 1972. Subsequent appointments are to be made for five years, subject to confirmation by two-thirds of the Senate. The council was empowered to appoint a full-time director subject to the approval of two-thirds of the Senate, to serve at the pleasure of the council.

**Function**

1. The council shall act as a policy-making body and serve in an advisory capacity to the director. The director shall be responsible for the daily operations of the department and execute the policies of the department as determined by the council.
2. The council may affirm, reverse, or amend all actions of the director, including but not limited to the following instances:
  - A. Purchases of liquor for resale by the department.
  - B. The granting or refusing of liquor licenses or beer permits.
  - C. The establishment of retail prices of alcoholic liquor.
  - D. The establishment or discontinuance of State liquor stores.

The department has sole power to buy, import, sell, and control the sale of liquors; to establish, maintain and discontinue state liquor stores in such cities and towns as deemed advisable; to rent, lease and equip any building or any land necessary to carry out the provisions of the act; to appoint necessary employees; to determine the nature, form and capacity of packages kept or sold under the act and to prescribe the labels and seals to be placed on same; to license, inspect and control the manufacture of alcoholic liquors in Iowa; and to make rules and regulations necessary for carrying out the provisions of the act.

The Sixtieth General Assembly in 1963 amended the Liquor Control Act to permit the sale of liquor by the drink, and to provide for the issuance of retail licenses by the department, if applications are approved by city or town councils or boards of county supervisors.
