The law provides that the membership of the board consists of seven members appointed by the Governor and confirmed by the Senate. Five of these members must be professional landscape architects and two members who are not professional landscape architects must be appointed to represent the general public. The Real Estate Appraiser Examining Board was created in 1989 to establish standards for real estate appraisals and to establish procedures for the voluntary certification of real estate appraisers.

The board consists of seven members, two of whom must be public members and five of whom must be real estate appraisers. All board members are appointed by the Governor and are subject to confirmation by the Senate. Members are appointed to three-year terms.

The board examines candidates for certification, issues certificates, investigates violations and infractions of the law, revokes and amends certificates, and administers other disciplinary sanctions to persons found to be in violation of state or federal statute, law, or administrative rules.
