### PROFESSIONAL LICENSING AND REGULATION BUREAU OF THE BANKING DIVISION

§546.10

*1920 Southeast Hulsizer Road, Ankeny 50021; (515) 281-7393*

The Professional Licensing and Regulation Bureau administers and coordinates the licensing and regulation of several professions through the following licensing boards: Accountancy Examining Board, Architectural Examining Board, Engineering and Land Surveying Examining Board, Landscape Architectural Examining Board, Real Estate Appraiser Examining Board, the Real Estate Commission, and the Interior Design Examining Board.

The Professional Licensing and Regulation Bureau is a part of the Division of Banking and is headed by the Superintendent of Banking, who is appointed by the Governor subject to confirmation by the Senate and serves a four-year term.

The licensing and regulation boards and commission included in the bureau retain the powers granted them pursuant to the Iowa Code chapters under which they are created, except for budgetary and personnel matters, which are handled by the bureau chief.

The law for the registration of architects and appointment of the Architectural Examining Board was enacted in 1927. The General Assembly in 1965 amended the law to be a practice Act. The board also administers appropriate portions of the continuing education and regulation program, Iowa Code chapter 272C. The board consists of seven members, two of whom must be public members and five who possess a certificate of architect registration and have been in active practice for not less than five years. The board meets every other month on the second Tuesday of the month.

The architectural registration examination is administered via computer through a national testing service. The board is a member of the National Council of Architectural Registration Boards and collaborates closely with the council.

The Engineering and Land Surveying Examining Board was created by the General Assembly in 1919. A person cannot practice professional engineering or land surveying without first being registered with the board. The board meets regularly and conducts examinations of applicants for licensure regularly throughout the year.

The law provides that the membership of the board consists of seven members appointed by the Governor and confirmed by the Senate. Four of these members must be professional engineers, one member must be a land surveyor or a professional engineer who is also a land surveyor, and two
