Under the provisions of the law, the board meets at least four times during the year; at least two of such meetings shall be held in the state house. The examination fee for those taking an examination to qualify as certified public accountants is \$25. Persons granted a certificate to practice must furnish bond to the board of accountancy in the sum of \$5,000. However, in lieu of the \$5,000 bond, such person may file a certification from an insurance carrier that such person is insured as an individual or a member of a partnership, under an accountancy liability policy in an equal or greater amount. The board publishes an annual register of all persons authorized to practice accountancy in the state. Board members are compensated at the rate of \$40 per day, if funds are available.

There was enacted the "Public Accountancy Act of 1974" which goes into effect July 1, 1975 and does not provide for the carry-over of any members of the current Board — instead requires the appointment of seven (7) Board members two (2) of whom shall be "public" members.
