The Engineering and Land Surveying Examining Board was created by the General Assembly in 1919. A person cannot practice professional engineering or land surveying without first being registered with the board. The board meets regularly and conducts examinations of applicants for licensure twice each year.

The law provides that the membership of the board consists of seven members appointed by the Governor and confirmed by the Senate. Four of these members must be professional engineers, one must be a land surveyor, and two must represent the general public.
