The law for the registration of architects and appointment of the Architectural Examining Board was enacted in 1927. The General Assembly in 1965 amended the law to be a practice Act. The board also administers appropriate portions of the Continuing Education and Regulation Program, Iowa Code chapter 272C. The board consists of seven members, two of whom must be public members and five who possess a certificate of architect registration and have been in active practice for not less than five years. The board meets every other month on the second Tuesday of the month.

The Architectural Registration Examination is administered via computer through a national testing service. The board is a member of the National Council of Architectural Registration Boards and collaborates closely with the council.
