

The law for the registration of architects and appointment of the Architectural Examining Board was enacted in 1927. The General Assembly in 1965 amended the law to be a practice Act. The board also administers appropriate portions of the continuing education and regulation program, Iowa Code chapter 272C. The board consists of seven members, two of whom must be public members and five who possess a certificate of architect registration and have been in active practice for not less than five years. The board meets every other month on the second Tuesday of the month.

The Architectural Registration Examination is administered via computer through a national testing service. The board is a member of the National Council of Architectural Registration Boards and collaborates closely with the council.

ENGINEERING AND LAND SURVEYING EXAMINING BOARD

Marlon Vogt	Marion.....	April 30, 2017

The Engineering and Land Surveying Examining Board was created by the General Assembly in 1919. A person cannot practice professional engineering or land surveying without first being registered with the board. The board meets regularly and conducts examinations of applicants for licensure regularly throughout the year.

The law provides that the membership of the board consists of seven members appointed by the Governor and confirmed by the Senate. Four of these members must be professional engineers, one member must be a land surveyor or a professional engineer who is also a land surveyor, and two members who are not licensed professional engineers or land surveyors must be appointed to represent the general public.

The Interior Design Examining Board was created as a title Act in 2006. A person shall not use the title of registered interior designer or any title or device indicating or representing in any manner that the person is a registered interior designer or is practicing as a registered interior designer unless the person is a registered interior designer under the Act. The board meets regularly.
