

The Engineering and Land Surveying Examining Board was created by the 38th General Assembly in 1919. No person can practice professional engineering or land surveying without first being registered with this board. The board meets from time to time and conducts examinations of applicants for registration.

The law provides that the membership of the commission shall consist of seven members who shall be appointed by the governor and confirmed by the Senate. Five of these members shall be professional engineers and two, representatives of the general public.

The first real estate license law was enacted by the 43rd General Assembly and became effective on January 1, 1930.

The Real Estate Commission administers the Iowa Real Estate License Law, Chapter 117, and Sales of Subdivided Land Outside of Iowa, Chapter 117A. The commission also administers appropriate portions of the Continuing Education Program, Chapter 258A. The license law authorizes the commission to issue licenses and regulate the activities of real estate brokers and salespersons, and to carry out a program of real estate education. The subdivided land law authorizes the commission to register out-of-state subdividers who engage in business in Iowa, and to refer violations to the attorney general or to an appropriate court. Chapter 258A requires licensees to participate in continuing education, and authorizes the commission to make rules.
